

HOUSE BILL NO. 6095

May 10, 2022, Introduced by Rep. Calley and referred to the Committee on Education.

A bill to amend 1979 PA 94, entitled
"The state school aid act of 1979,"
by amending section 6 (MCL 388.1606), as amended by 2021 PA 48.

THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1 Sec. 6. (1) "Center program" means a program operated by a
2 district or by an intermediate district for special education
3 pupils from several districts in programs for pupils with autism
4 spectrum disorder, pupils with severe cognitive impairment, pupils
5 with moderate cognitive impairment, pupils with severe multiple
6 impairments, pupils with hearing impairment, pupils with visual
7 impairment, and pupils with physical impairment or other health

1 impairment. Programs for pupils with emotional impairment housed in
2 buildings that do not serve regular education pupils also qualify.
3 Unless otherwise approved by the department, a center program
4 either serves all constituent districts within an intermediate
5 district or serves several districts with less than 50% of the
6 pupils residing in the operating district. In addition, special
7 education center program pupils placed part-time in noncenter
8 programs to comply with the least restrictive environment
9 provisions of section 1412 of the individuals with disabilities
10 education act, 20 USC 1412, may be considered center program pupils
11 for pupil accounting purposes for the time scheduled in either a
12 center program or a noncenter program.

13 (2) "District and high school graduation rate" means the
14 annual completion and pupil dropout rate that is calculated by the
15 center pursuant to nationally recognized standards.

16 (3) "District and high school graduation report" means a
17 report of the number of pupils, excluding adult education
18 participants, in the district for the immediately preceding school
19 year, adjusted for those pupils who have transferred into or out of
20 the district or high school, who leave high school with a diploma
21 or other credential of equal status.

22 (4) "Membership", except as otherwise provided in this
23 subsection or this article, means for a district, a public school
24 academy, or an intermediate district the sum of the product of .90
25 times the number of full-time equated pupils in grades K to 12
26 actually enrolled and in regular daily attendance in the district,
27 public school academy, or intermediate district on the pupil
28 membership count day for the current school year, plus the product
29 of .10 times the final audited count from the supplemental count

1 day of full-time equated pupils in grades K to 12 actually enrolled
2 and in regular daily attendance in the district, public school
3 academy, or intermediate district for the immediately preceding
4 school year. A district's, public school academy's, or intermediate
5 district's membership is adjusted as provided under section 25e for
6 pupils who enroll after the pupil membership count day in a strict
7 discipline academy operating under sections 1311b to 1311m of the
8 revised school code, MCL 380.1311b to 380.1311m. For 2021-2022
9 only, membership means for a district, a public school academy, or
10 an intermediate district, the sum of the product of .90 times the
11 number of full-time equated pupils in grades K to 12 actually
12 enrolled and in regular daily attendance in the district, public
13 school academy, or intermediate district on the pupil membership
14 count day for the current school year and the product of .10 times
15 the final audited count of the number of full-time equated pupils
16 engaged in pandemic learning for spring 2021, or, for a public
17 school academy that operates as a cyber school, as that term is
18 defined in section 551 of the revised school code, MCL 380.551, the
19 final audited count from the supplemental count day of full-time
20 equated pupils in grades K to 12 actually enrolled and in regular
21 daily attendance in the public school academy for the immediately
22 preceding school year. All pupil counts used in this subsection are
23 as determined by the department and calculated by adding the number
24 of pupils registered for attendance plus pupils received by
25 transfer and minus pupils lost as defined by rules promulgated by
26 the superintendent, and as corrected by a subsequent department
27 audit. The amount of the foundation allowance for a pupil in
28 membership is determined under section 20. In making the
29 calculation of membership, all of the following, as applicable,

1 apply to determining the membership of a district, a public school
2 academy, or an intermediate district:

3 (a) Except as otherwise provided in this subsection, and
4 pursuant to subsection (6), a pupil is counted in membership in the
5 pupil's educating district or districts. An individual pupil must
6 not be counted for more than a total of 1.0 full-time equated
7 membership.

8 (b) If a pupil is educated in a district other than the
9 pupil's district of residence, if the pupil is not being educated
10 as part of a cooperative education program, if the pupil's district
11 of residence does not give the educating district its approval to
12 count the pupil in membership in the educating district, and if the
13 pupil is not covered by an exception specified in subsection (6) to
14 the requirement that the educating district must have the approval
15 of the pupil's district of residence to count the pupil in
16 membership, the pupil is not counted in membership in any district.

17 (c) A special education pupil educated by the intermediate
18 district is counted in membership in the intermediate district.

19 (d) A pupil placed by a court or state agency in an on-grounds
20 program of a juvenile detention facility, a child caring
21 institution, or a mental health institution, or a pupil funded
22 under section 53a, is counted in membership in the district or
23 intermediate district approved by the department to operate the
24 program.

25 (e) A pupil enrolled in the Michigan Schools for the Deaf and
26 Blind is counted in membership in the pupil's intermediate district
27 of residence.

28 (f) A pupil enrolled in a career and technical education
29 program supported by a millage levied over an area larger than a

1 single district or in an area vocational-technical education
2 program established under section 690 of the revised school code,
3 MCL 380.690, is counted in membership only in the pupil's district
4 of residence.

5 (g) A pupil enrolled in a public school academy is counted in
6 membership in the public school academy.

7 (h) For the purposes of this section and section 6a, for a
8 cyber school, as that term is defined in section 551 of the revised
9 school code, MCL 380.551, that is in compliance with section 553a
10 of the revised school code, MCL 380.553a, a pupil's participation
11 in the cyber school's educational program is considered regular
12 daily attendance, and for a district or public school academy, a
13 pupil's participation in a virtual course as that term is defined
14 in section 21f is considered regular daily attendance. For the
15 purposes of this subdivision, for a pupil enrolled in a cyber
16 school and utilizing sequential learning, participation means that
17 term as defined in the pupil accounting manual, section 5-O-D:
18 requirements for counting pupils in membership-subsection 10.

19 (i) For a new district or public school academy beginning its
20 operation after December 31, 1994, membership for the first 2 full
21 or partial fiscal years of operation is determined as follows:

22 (i) If operations begin before the pupil membership count day
23 for the fiscal year, membership is the average number of full-time
24 equated pupils in grades K to 12 actually enrolled and in regular
25 daily attendance on the pupil membership count day for the current
26 school year and on the supplemental count day for the current
27 school year, as determined by the department and calculated by
28 adding the number of pupils registered for attendance on the pupil
29 membership count day plus pupils received by transfer and minus

pupils lost as defined by rules promulgated by the superintendent, and as corrected by a subsequent department audit, plus the final audited count from the supplemental count day for the current school year, and dividing that sum by 2.

(ii) If operations begin after the pupil membership count day for the fiscal year and not later than the supplemental count day for the fiscal year, membership is the final audited count of the number of full-time equated pupils in grades K to 12 actually enrolled and in regular daily attendance on the supplemental count day for the current school year.

(j) If a district is the authorizing body for a public school academy, then, in the first school year in which pupils are counted in membership on the pupil membership count day in the public school academy, the determination of the district's membership excludes from the district's pupil count for the immediately preceding supplemental count day any pupils who are counted in the public school academy on that first pupil membership count day who were also counted in the district on the immediately preceding supplemental count day.

(k) For an extended school year program approved by the superintendent, a pupil enrolled, but not scheduled to be in regular daily attendance, on a pupil membership count day, is counted in membership.

(l) To be counted in membership, a pupil must meet the minimum age requirement to be eligible to attend school under section 1147 of the revised school code, MCL 380.1147, or must be enrolled under subsection (3) of that section, and must be less than 20 years of age on September 1 of the school year except as follows:

(i) A special education pupil who is enrolled and receiving

1 instruction in a special education program or service approved by
2 the department, who does not have a high school diploma, and who is
3 less than 26 years of age as of September 1 of the current school
4 year is counted in membership.

5 (ii) A pupil who is determined by the department to meet all of
6 the following may be counted in membership:

7 (A) Is enrolled in a public school academy or an alternative
8 education high school diploma program, that is primarily focused on
9 educating pupils with extreme barriers to education, such as being
10 homeless as that term is defined under 42 USC 11302.

11 (B) Had dropped out of school.

12 (C) Is less than 22 years of age as of September 1 of the
13 current school year.

14 (iii) If a child does not meet the minimum age requirement to be
15 eligible to attend school for that school year under section 1147
16 of the revised school code, MCL 380.1147, but will be 5 years of
17 age not later than December 1 of that school year, the district may
18 count the child in membership for that school year if the parent or
19 legal guardian has notified the district in writing that he or she
20 intends to enroll the child in kindergarten for that school year.

21 (m) An individual who has achieved a high school diploma is
22 not counted in membership. An individual who has achieved a high
23 school equivalency certificate is not counted in membership unless
24 the individual is a student with a disability as that term is
25 defined in R 340.1702 of the Michigan Administrative Code. An
26 individual participating in a job training program funded under
27 former section 107a or a jobs program funded under former section
28 107b, administered by the department of labor and economic
29 opportunity, or participating in any successor of either of those 2

1 programs, is not counted in membership.

2 (n) If a pupil counted in membership in a public school
3 academy is also educated by a district or intermediate district as
4 part of a cooperative education program, the pupil is counted in
5 membership only in the public school academy unless a written
6 agreement signed by all parties designates the party or parties in
7 which the pupil is counted in membership, and the instructional
8 time scheduled for the pupil in the district or intermediate
9 district is included in the full-time equated membership
10 determination under subdivision (q) and section 101. However, for
11 pupils receiving instruction in both a public school academy and in
12 a district or intermediate district but not as a part of a
13 cooperative education program, the following apply:

14 (i) If the public school academy provides instruction for at
15 least 1/2 of the class hours required under section 101, the public
16 school academy receives as its prorated share of the full-time
17 equated membership for each of those pupils an amount equal to 1
18 times the product of the hours of instruction the public school
19 academy provides divided by the number of hours required under
20 section 101 for full-time equivalency, and the remainder of the
21 full-time membership for each of those pupils is allocated to the
22 district or intermediate district providing the remainder of the
23 hours of instruction.

24 (ii) If the public school academy provides instruction for less
25 than 1/2 of the class hours required under section 101, the
26 district or intermediate district providing the remainder of the
27 hours of instruction receives as its prorated share of the full-
28 time equated membership for each of those pupils an amount equal to
29 1 times the product of the hours of instruction the district or

1 intermediate district provides divided by the number of hours
2 required under section 101 for full-time equivalency, and the
3 remainder of the full-time membership for each of those pupils is
4 allocated to the public school academy.

5 (o) An individual less than 16 years of age as of September 1
6 of the current school year who is being educated in an alternative
7 education program is not counted in membership if there are also
8 adult education participants being educated in the same program or
9 classroom.

10 (p) The department shall give a uniform interpretation of
11 full-time and part-time memberships.

12 (q) The number of class hours used to calculate full-time
13 equated memberships must be consistent with section 101. In
14 determining full-time equated memberships for pupils who are
15 enrolled in a postsecondary institution or for pupils engaged in an
16 internship or work experience under section 1279h of the revised
17 school code, MCL 380.1279h, a pupil is not considered to be less
18 than a full-time equated pupil solely because of the effect of his
19 or her postsecondary enrollment or engagement in the internship or
20 work experience, including necessary travel time, on the number of
21 class hours provided by the district to the pupil.

22 (r) Full-time equated memberships for pupils in kindergarten
23 are determined by dividing the number of instructional hours
24 scheduled and provided per year per kindergarten pupil by the same
25 number used for determining full-time equated memberships for
26 pupils in grades 1 to 12. However, to the extent allowable under
27 federal law, for a district or public school academy that provides
28 evidence satisfactory to the department that it used federal title
29 I money in the 2 immediately preceding school fiscal years to fund

1 full-time kindergarten, full-time equated memberships for pupils in
2 kindergarten are determined by dividing the number of class hours
3 scheduled and provided per year per kindergarten pupil by a number
4 equal to $1/2$ the number used for determining full-time equated
5 memberships for pupils in grades 1 to 12. The change in the
6 counting of full-time equated memberships for pupils in
7 kindergarten that took effect for 2012-2013 is not a mandate.

8 (s) For a district or a public school academy that has pupils
9 enrolled in a grade level that was not offered by the district or
10 public school academy in the immediately preceding school year, the
11 number of pupils enrolled in that grade level to be counted in
12 membership is the average of the number of those pupils enrolled
13 and in regular daily attendance on the pupil membership count day
14 and the supplemental count day of the current school year.

15 Membership is calculated by adding the number of pupils registered
16 for attendance in that grade level on the pupil membership count
17 day plus pupils received by transfer and minus pupils lost as
18 defined by rules promulgated by the superintendent, and as
19 corrected by subsequent department audit, plus the final audited
20 count from the supplemental count day for the current school year,
21 and dividing that sum by 2.

22 (t) A pupil enrolled in a cooperative education program may be
23 counted in membership in the pupil's district of residence with the
24 written approval of all parties to the cooperative agreement.

25 (u) If, as a result of a disciplinary action, a district
26 determines through the district's alternative or disciplinary
27 education program that the best instructional placement for a pupil
28 is in the pupil's home or otherwise apart from the general school
29 population, if that placement is authorized in writing by the

1 district superintendent and district alternative or disciplinary
2 education supervisor, and if the district provides appropriate
3 instruction as described in this subdivision to the pupil at the
4 pupil's home or otherwise apart from the general school population,
5 the district may count the pupil in membership on a pro rata basis,
6 with the proration based on the number of hours of instruction the
7 district actually provides to the pupil divided by the number of
8 hours required under section 101 for full-time equivalency. For the
9 purposes of this subdivision, a district is considered to be
10 providing appropriate instruction if all of the following are met:

11 (i) The district provides at least 2 nonconsecutive hours of
12 instruction per week to the pupil at the pupil's home or otherwise
13 apart from the general school population under the supervision of a
14 certificated teacher.

15 (ii) The district provides instructional materials, resources,
16 and supplies that are comparable to those otherwise provided in the
17 district's alternative education program.

18 (iii) Course content is comparable to that in the district's
19 alternative education program.

20 (iv) Credit earned is awarded to the pupil and placed on the
21 pupil's transcript.

22 (v) If a pupil was enrolled in a public school academy on the
23 pupil membership count day, if the public school academy's contract
24 with its authorizing body is revoked or the public school academy
25 otherwise ceases to operate, and if the pupil enrolls in a district
26 within 45 days after the pupil membership count day, the department
27 shall adjust the district's pupil count for the pupil membership
28 count day to include the pupil in the count.

29 (w) For a public school academy that has been in operation for

1 at least 2 years and that suspended operations for at least 1
2 semester and is resuming operations, membership is the sum of the
3 product of .90 times the number of full-time equated pupils in
4 grades K to 12 actually enrolled and in regular daily attendance on
5 the first pupil membership count day or supplemental count day,
6 whichever is first, occurring after operations resume, plus the
7 product of .10 times the final audited count from the most recent
8 pupil membership count day or supplemental count day that occurred
9 before suspending operations, as determined by the superintendent.

10 (x) If a district's membership for a particular fiscal year,
11 as otherwise calculated under this subsection, would be less than
12 1,550 pupils, the district has 4.5 or fewer pupils per square mile,
13 as determined by the department, and the district does not receive
14 funding under section 22d(2), the district's membership is
15 considered to be the membership figure calculated under this
16 subdivision. If a district educates and counts in its membership
17 pupils in grades 9 to 12 who reside in a contiguous district that
18 does not operate grades 9 to 12 and if 1 or both of the affected
19 districts request the department to use the determination allowed
20 under this sentence, the department shall include the square
21 mileage of both districts in determining the number of pupils per
22 square mile for each of the districts for the purposes of this
23 subdivision. If a district has established a community engagement
24 advisory committee in partnership with the department of treasury,
25 is required to submit a deficit elimination plan or an enhanced
26 deficit elimination plan under section 1220 of the revised school
27 code, MCL 380.1220, and is located in a city with a population
28 between 9,000 and 11,000, as determined by the department, that is
29 in a county with a population between 150,000 and 160,000, as

determined by the department, the district's membership is considered to be the membership figure calculated under this subdivision. The membership figure calculated under this subdivision is the greater of the following:

(i) The average of the district's membership for the 3-fiscal-year period ending with that fiscal year, calculated by adding the district's actual membership for each of those 3 fiscal years, as otherwise calculated under this subsection, and dividing the sum of those 3 membership figures by 3.

(ii) The district's actual membership for that fiscal year as otherwise calculated under this subsection.

(y) Full-time equated memberships for special education pupils who are not enrolled in kindergarten but are enrolled in a classroom program under R 340.1754 of the Michigan Administrative Code are determined by dividing the number of class hours scheduled and provided per year by 450. Full-time equated memberships for special education pupils who are not enrolled in kindergarten but are receiving early childhood special education services under R 340.1755 or R 340.1862 of the Michigan Administrative Code are determined by dividing the number of hours of service scheduled and provided per year per pupil by 180.

(z) A pupil of a district that begins its school year after Labor Day who is enrolled in an intermediate district program that begins before Labor Day is not considered to be less than a full-time pupil solely due to instructional time scheduled but not attended by the pupil before Labor Day.

(aa) For the first year in which a pupil is counted in membership on the pupil membership count day in a middle college program, the membership is the average of the full-time equated

1 membership on the pupil membership count day and on the
2 supplemental count day for the current school year, as determined
3 by the department. If a pupil described in this subdivision was
4 counted in membership by the operating district on the immediately
5 preceding supplemental count day, the pupil is excluded from the
6 district's immediately preceding supplemental count for the
7 purposes of determining the district's membership.

8 (bb) A district or public school academy that educates a pupil
9 who attends a United States Olympic Education Center may count the
10 pupil in membership regardless of whether or not the pupil is a
11 resident of this state.

12 (cc) A pupil enrolled in a district other than the pupil's
13 district of residence under section 1148(2) of the revised school
14 code, MCL 380.1148, is counted in the educating district.

15 (dd) For a pupil enrolled in a dropout recovery program that
16 meets the requirements of section 23a, the pupil is counted as 1/12
17 of a full-time equated membership for each month that the district
18 operating the program reports that the pupil was enrolled in the
19 program and was in full attendance. However, if the special
20 membership counting provisions under this subdivision and the
21 operation of the other membership counting provisions under this
22 subsection result in a pupil being counted as more than 1.0 FTE in
23 a fiscal year, the payment made for the pupil under sections 22a
24 and 22b must not be based on more than 1.0 FTE for that pupil, and
25 any portion of an FTE for that pupil that exceeds 1.0 is instead
26 paid under section 25g. The district operating the program shall
27 report to the center the number of pupils who were enrolled in the
28 program and were in full attendance for a month not later than 30
29 days after the end of the month. A district shall not report a

1 pupil as being in full attendance for a month unless both of the
2 following are met:

3 (i) A personalized learning plan is in place on or before the
4 first school day of the month for the first month the pupil
5 participates in the program.

6 (ii) The pupil meets the district's definition under section
7 23a of satisfactory monthly progress for that month or, if the
8 pupil does not meet that definition of satisfactory monthly
9 progress for that month, the pupil did meet that definition of
10 satisfactory monthly progress in the immediately preceding month
11 and appropriate interventions are implemented within 10 school days
12 after it is determined that the pupil does not meet that definition
13 of satisfactory monthly progress.

14 (ee) A pupil participating in a virtual course under section
15 21f is counted in membership in the district enrolling the pupil.

16 (ff) If a public school academy that is not in its first or
17 second year of operation closes at the end of a school year and
18 does not reopen for the next school year, the department shall
19 adjust the membership count of the district or other public school
20 academy in which a former pupil of the closed public school academy
21 enrolls and is in regular daily attendance for the next school year
22 to ensure that the district or other public school academy receives
23 the same amount of membership aid for the pupil as if the pupil
24 were counted in the district or other public school academy on the
25 supplemental count day of the preceding school year.

26 (gg) If a special education pupil is expelled under section
27 1311 or 1311a of the revised school code, MCL 380.1311 and
28 380.1311a, and is not in attendance on the pupil membership count
29 day because of the expulsion, and if the pupil remains enrolled in

1 the district and resumes regular daily attendance during that
2 school year, the district's membership is adjusted to count the
3 pupil in membership as if he or she had been in attendance on the
4 pupil membership count day.

5 (hh) A pupil enrolled in a community district is counted in
6 membership in the community district.

7 (ii) A part-time pupil enrolled in a nonpublic school in
8 grades K to 12 in accordance with section 166b must not be counted
9 as more than 0.75 of a full-time equated membership.

10 (jj) A district that borders another state or a public school
11 academy that operates at least grades 9 to 12 and is located within
12 20 miles of a border with another state may count in membership a
13 pupil who is enrolled in a course at a college or university that
14 is located in the bordering state and within 20 miles of the border
15 with this state if all of the following are met:

16 (i) The pupil would meet the definition of an eligible student
17 under the postsecondary enrollment options act, 1996 PA 160, MCL
18 388.511 to 388.524, if the course were an eligible course under
19 that act.

20 (ii) The course in which the pupil is enrolled would meet the
21 definition of an eligible course under the postsecondary enrollment
22 options act, 1996 PA 160, MCL 388.511 to 388.524, if the course
23 were provided by an eligible postsecondary institution under that
24 act.

25 (iii) The department determines that the college or university
26 is an institution that, in the other state, fulfills a function
27 comparable to a state university or community college, as those
28 terms are defined in section 3 of the postsecondary enrollment
29 options act, 1996 PA 160, MCL 388.513, or is an independent

1 nonprofit degree-granting college or university.

2 (iv) The district or public school academy pays for a portion
3 of the pupil's tuition at the college or university in an amount
4 equal to the eligible charges that the district or public school
5 academy would pay to an eligible postsecondary institution under
6 the postsecondary enrollment options act, 1996 PA 160, MCL 388.511
7 to 388.524, as if the course were an eligible course under that
8 act.

9 (v) The district or public school academy awards high school
10 credit to a pupil who successfully completes a course as described
11 in this subdivision.

12 (kk) A pupil enrolled in a middle college program may be
13 counted for more than a total of 1.0 full-time equated membership
14 if the pupil is enrolled in more than the minimum number of
15 instructional days and hours required under section 101 and the
16 pupil is expected to complete the 5-year program with both a high
17 school diploma and at least 60 transferable college credits or is
18 expected to earn an associate's degree in fewer than 5 years.

19 (ll) If a district's or public school academy's membership for
20 a particular fiscal year, as otherwise calculated under this
21 subsection, includes pupils counted in membership who are enrolled
22 under section 166b, all of the following apply for the purposes of
23 this subdivision, **but the following do not apply with regard to**
24 **pupils counted in membership in the district or public school**
25 **academy who are enrolled under section 166b who reside within the**
26 **geographic boundaries of the district or the district in which the**
27 **public school academy is located or who are enrolled in a nonpublic**
28 **school that is located within the geographic boundaries of the**
29 **district or the district in which the public school academy is**

1 **located:**

2 (i) If the district's or public school academy's membership for
3 pupils counted under section 166b equals or exceeds 5% of the
4 district's or public school academy's membership for pupils not
5 counted in membership under section 166b in the immediately
6 preceding fiscal year, then the growth in the district's or public
7 school academy's membership for pupils counted under section 166b
8 must not exceed 10%.

9 (ii) If the district's or public school academy's membership
10 for pupils counted under section 166b is less than 5% of the
11 district's or public school academy's membership for pupils not
12 counted in membership under section 166b in the immediately
