(2) Except as otherwise provided in this subsection, a registration issued to a motor vehicle, recreational vehicle, trailer, semitrailer, or pole trailer, when driven or moved on a street or highway, that expires on or after March 1, 2020 is valid until March 31, 2021. If the registration issued to a motor vehicle, recreational

vehicle, trailer, semitrailer, or pole trailer, when driven or moved on a street or highway, that is used for commercial purposes expires after March 31, 2021 but before August 1, 2021, the registration is valid until 120 days after the date of the expiration.

(3) Notwithstanding any provision of law to the contrary, until March 31, 2021, a properly assigned title or signed lease agreement from any person other than a dealer is considered proof of registration of the vehicle.

Sec. 217. (1) An owner of a vehicle that is subject to registration under this act shall apply to the secretary of state, on an appropriate form furnished by the secretary of state, for the registration of the vehicle and issuance of a certificate of title for the vehicle. A vehicle brought into this state from another state or jurisdiction that has a rebuilt, salvage, scrap, flood, or comparable certificate of title issued by that other state or jurisdiction must be issued a rebuilt, salvage, scrap, or flood certificate of title by the secretary of state. The application must be accompanied by the required fee. An application for a certificate of title must bear the signature or verification and certification of the owner. The application must contain all of the following:

- (a) The owner's name, the owner's bona fide residence, and either of the following:
 - (i) If the owner is an individual, the owner's mailing address.
 - (ii) If the owner is a firm, association, partnership, limited liability company, or corporation, the owner's business address.
- (b) A description of the vehicle including the make or name, style of body, and model year; the number of miles, not including the tenths of a mile, registered on the vehicle's odometer at the time of transfer; whether the vehicle is a flood vehicle or another state previously issued the vehicle a flood certificate of title; whether the vehicle is to be or has been used as a taxi or police vehicle, or by a political subdivision of this state, unless the vehicle is owned by a dealer and loaned or leased to a political subdivision of this state for use as a driver education vehicle; whether the vehicle has previously been issued a salvage or rebuilt certificate of title from this state or a comparable certificate of title from any other state or jurisdiction; vehicle identification number; and the vehicle's weight fully equipped, if a passenger vehicle registered in accordance with section 801(1)(a), and, if a trailer coach or pickup camper, in addition to the weight, the manufacturer's serial number, or in the absence of the serial number, a number assigned by the secretary of state. A number assigned by the secretary of state shall be permanently placed on the trailer coach or pickup camper in the manner and place designated by the secretary of state.
- (c) A statement of the applicant's title and the names and addresses of the holders of security interests in the vehicle and in an accessory to the vehicle, in the order of their priority.
- (d) Further information that the secretary of state reasonably requires to enable the secretary of state to determine whether the vehicle is lawfully entitled to registration and the owner entitled to a certificate of title. If the secretary of state is not satisfied as to the ownership of a vehicle having a value over \$2,500.00 or that is less than 10 years old, before registering the vehicle and issuing a certificate of title, the secretary of state may require the applicant to file a properly executed surety bond in a form prescribed by the secretary of state and executed by the applicant and a company authorized to conduct a surety business in this state. The bond must be in an amount equal to twice the value of the vehicle as determined by the secretary of state and shall be conditioned to indemnify or reimburse the secretary of state, any prior owner, and any subsequent purchaser or lessee of the vehicle and their successors in interest against any expense, loss, or damage, including reasonable attorney fees, because of the issuance of a certificate of title for the vehicle or on account of any defect in the right, title, or interest of the applicant in the vehicle. An interested person has a right of action to recover on the bond for a breach of the conditions of the bond, but the aggregate liability of the surety to all persons must not exceed the amount of the bond. If the secretary of state is not satisfied as to the ownership of a vehicle that is valued at \$2,500.00 or less and that is 10 years old or older, the secretary of state shall require the applicant to certify that the applicant is the owner of the vehicle and entitled to register and title the vehicle.
- (e) Except as provided in subdivision (f), an application for a commercial vehicle shall also have attached a scale weight receipt of the motor vehicle fully equipped as of the time the application is made. A scale weight receipt is not necessary if there is presented with the application a registration receipt of the previous year that shows on its face the empty weight of the motor vehicle as registered with the secretary of state that is accompanied by a statement of the applicant that there has not been structural change in the motor vehicle that has increased the empty weight and that the previous registered weight is the true weight.
- (f) An application for registration of a vehicle on the basis of elected gross weight must include a declaration by the applicant specifying the elected gross weight for which application is being made.
- (g) If the application is for a certificate of title of a motor vehicle registered in accordance with section 801(1)(p), the application must include the manufacturer's suggested base list price for the model year of the vehicle. The base list price must be the manufacturer's suggested retail price as shown on the label required to be affixed to the vehicle under 15 USC 1232. If the manufacturer's suggested retail price is unavailable, the application must

list the purchase price of the vehicle. As used in this subdivision, "purchase price" means that term as defined in section 801.

(2) An applicant for registration of a leased pickup truck or passenger vehicle that is subject to registration under this act, except a vehicle that is subject to a registration fee under section 801g, shall disclose in writing to the secretary of state the lessee's name, the lessee's bona fide residence, and either of the following:

(a) If the lessee is an individual, the lessee's Michigan driver license number or Michigan personal identification number or, if the lessee does not have a Michigan driver license or Michigan personal identification number, the lessee's mailing address.

(b) If the lessee is a firm, association, partnership, limited liability company, or corporation, the lessee's business address.

(3) The secretary of state shall maintain the information described in subsection (2) on the secretary of state's computer records.

(4) Except as provided in subsections (5), (11), and (12), a dealer selling, leasing, or exchanging vehicles required to be titled, within 15 days after delivering a vehicle to the purchaser or lessee, and a person engaged in the sale of vessels required to be numbered by part 801 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.80101 to 324.80199, within 15 days after delivering a boat trailer weighing less than 2,500 pounds to the purchaser or lessee, shall apply to the secretary of state for a new title, if required, and transfer or secure registration plates and secure a certificate of registration for the vehicle or boat trailer, in the name of the purchaser or lessee. Subject to subsection (11), the dealer's license may be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 15 days required by this section. Subject to subsection (11), if the dealer or person fails to apply for a title when required, and to transfer or secure registration plates and secure a certificate of registration and pay the required fees within 15 days of delivery of the vehicle or boat trailer, a title and registration for the vehicle or boat trailer may subsequently be acquired only on the payment of a late transfer fee of \$15.00 for an individual or a dealer other than a dealer subject to section 235b in addition to the fees specified in section 806. Subject to subsection (11), for a used or secondhand vehicle dealer subject to section 235b, the late transfer fee is \$100.00 in addition to the fees specified in section 806. The purchaser or lessee of the vehicle or the purchaser of the boat trailer shall sign the application, including, if applicable, the declaration specifying the maximum elected gross weight as required by subsection (1)(f), and other necessary papers to enable the dealer or person to secure the title, registration plates, and transfers from the secretary of state. If the secretary of state mails or delivers a purchaser's certificate of title to a dealer, the dealer shall mail or deliver the certificate of title to the purchaser not more than 5 days after receiving the certificate of title from the secretary of state. However, as provided under section 238, the secretary of state is not required to issue a title to the owner of a vehicle or lienholder if the title is subject to a security interest.

(5) Except as provided in subsection (12), a dealer selling or exchanging an off lease or buy back vehicle shall apply to the secretary of state for a new title for the vehicle within 15 days after it receives the certificate of title from the lessor or manufacturer under section 235 or section 235b and transfer or secure registration plates and secure a certificate of registration for the vehicle in the name of the purchaser. Subject to subsection (12), the dealer's license may be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 15-day period. Subject to subsection (12), if the dealer or person fails to apply for a title when required, and to transfer or secure registration plates and secure a certificate of registration and pay the required fees within the 15-day time period, a title and registration for the vehicle may subsequently be acquired only on the payment of a late transfer fee of \$15.00 for an individual or dealer other than a used or secondhand vehicle dealer subject to section 235b in addition to the fees specified in section 806. Subject to subsection (12), the late transfer fee for a used or secondhand vehicle dealer subject to section 235b is \$100.00 in addition to the fees specified in section 806. The purchaser of the vehicle shall sign the application, including, if applicable, the declaration specifying the maximum elected gross weight as required by subsection (1)(f), and other necessary papers to enable the dealer or person to secure the title, registration plates, and transfers from the secretary of state. If the secretary of state mails or delivers a purchaser's certificate of title to a dealer, the dealer shall mail or deliver the certificate of title to the purchaser not more than 5 days after receiving the certificate of title from the secretary of state. However, as provided under section 238, the secretary of state is not required to issue a title to the owner of a vehicle if the title is subject to a security interest.

(6) If a vehicle is delivered to a purchaser or lessee who has valid Michigan registration plates that are to be transferred to the vehicle, and an application for title, if required, and registration for the vehicle is not made before delivery of the vehicle to the purchaser or lessee, the registration plates must be affixed to the vehicle immediately, and the dealer shall provide the purchaser or lessee with an instrument in writing, on a form prescribed by the secretary of state, which serves as a temporary registration for the vehicle for a period of 15 days from the date the vehicle is delivered.

(7) If the seller does not prepare the credit information, contract note, and mortgage, and the holder, finance company, credit union, or banking institution requires the installment seller to record the lien on the title, the holder, finance company, credit union, or banking institution shall pay the seller a service fee of not more than \$10.00. The service fee must be paid from the finance charges and must not be charged to the buyer in addition to the finance charges. The holder, finance company, credit union, or banking institution must issue its check or bank draft for the principal amount financed, payable jointly to the buyer and seller, and the following must be imprinted on the back side of the check or bank draft:

“Under Michigan law, the seller must record a first lien in favor of (name of lender) _____ on the vehicle with vehicle identification number _____ and title the vehicle only in the name(s) shown on the reverse side.”

(8) On the front of the check or draft described under subsection (7), the holder, finance company, credit union, or banking institution shall note the name or names of the prospective owners. Failure of the holder, finance company, credit union, or banking institution to comply with these requirements frees the seller from any obligation to record the lien or from any liability that may arise as a result of the failure to record the lien. A service fee must not be charged to the buyer.

(9) In the absence of actual malice proved independently and not inferred from lack of probable cause, a person who in any manner causes a prosecution for larceny of a motor vehicle; for embezzlement of a motor vehicle; for any crime an element of which is the taking of a motor vehicle without authority; or for buying, receiving, possessing, leasing, or aiding in the concealment of a stolen, embezzled, or converted motor vehicle knowing that the motor vehicle has been stolen, embezzled, or converted, is not liable for damages in a civil action for causing the prosecution. This subsection does not relieve a person from proving any other element necessary to sustain his or her cause of action.

(10) Receipt by the secretary of state of a properly tendered application for a certificate of title on which a security interest in a vehicle is to be indicated is a condition of perfection of a security interest in the vehicle and is equivalent to filing a financing statement under the uniform commercial code, 1962 PA 174, MCL 440.1101 to 440.9994, with respect to the vehicle. When a security interest in a vehicle is perfected, it has priority over the rights of a lien creditor as lien creditor is defined in section 9102 of the uniform commercial code, 1962 PA 174, MCL 440.9102.

(11) Notwithstanding subsection (4), a dealer selling, leasing, or exchanging vehicles, required to be titled, after March 31, 2021 but before August 1, 2021, may apply to the secretary of state for a new title, if required, and transfer or secure registration plates and secure a certificate of registration for the vehicle in the name of the purchaser within 30 days. Both of the following apply to a dealer that complies with this subsection:

(a) The dealer's license must not be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 15-day period required under subsection (4).

(b) The secretary of state shall not charge any applicable late fees required under subsection (4) and shall, upon the dealer's request, reimburse a late fee charged and collected after March 31, 2021 to the end of the period described under this subsection.

(12) Notwithstanding subsection (5), a dealer selling or exchanging an off lease or buy back vehicle after March 31, 2021 but before August 1, 2021 may apply to the secretary of state for a new title for the vehicle within 30 days after the dealer receives the certificate of title from the lessor or manufacturer under section 235 or 235b and transfer or secure registration plates and secure a certificate of registration for the vehicle in the name of the purchaser. Both of the following apply to a dealer that complies with this subsection:

(a) The dealer's license must not be suspended or revoked in accordance with section 249 for failure to apply for a title when required or for failure to transfer or secure registration plates and certificate of registration within the 15-day period required under subsection (5).

(b) The secretary of state shall not charge any applicable late fees required under subsection (5) and shall, upon the dealer's request, reimburse a late fee charged and collected after March 31, 2021 to the end of the period described under this subsection.

Sec. 226. (1) Except as otherwise provided in subsection (13), a vehicle registration issued by the secretary of state expires on the owner's birthday, unless another expiration date is provided for under this act or unless the registration is for the following vehicles, in which case registration expires on the last day of February:

(a) A commercial vehicle except for a commercial vehicle issued a registration under the international registration plan or a pickup truck or van owned by an individual.

(b) Except for a trailer or semitrailer issued a registration under the international registration plan, a trailer or semitrailer owned by a business, corporation, or person other than an individual; or a pole trailer.

(2) Except as otherwise provided in subsection (13), the expiration date for a registration issued for a motorcycle is the motorcycle owner's birthday.

(3) The expiration date for a registration bearing the letters "SEN" or "REP" is February 1.

(4) In the case of a vehicle owned by a business, corporation, or an owner other than an individual, the secretary of state may assign or reassign the expiration date of the registration.

(5) The secretary of state shall do all of the following:

(a) After the October 1 immediately preceding the year designated on the registration, issue a registration upon application and payment of the proper fee for a commercial vehicle, other than a pickup or van owned by an individual; or a trailer owned by a business, corporation, or person other than an individual.

(b) Beginning 60 days before the expiration date assigned on an international registration plan registration plate, issue a registration under section 801g upon application and payment of the proper apportioned fee for a commercial vehicle engaged in interstate commerce.

(c) Beginning 45 days before the owner's birthday and 120 days before the expiration date assigned by the secretary of state, issue a registration for a vehicle other than those designated in subsection (1)(a) or (b). However, if an owner whose registration period begins 45 days before his or her birthday will be out of the state during the 45 days immediately preceding expiration of a registration or for other good cause shown cannot apply for a renewal registration within the 45-day period, application for a renewal registration may be made not more than 6 months before expiration.

(6) Except as otherwise provided in this subsection, the secretary of state, upon application and payment of the proper fee, shall issue a registration for a vehicle or a motorcycle to a resident that expires on the owner's birthday. If the owner's next birthday is at least 6 months but not more than 12 months in the future, the owner shall receive a registration valid until the owner's next birthday. If the owner's next birthday is less than 6 months in the future, the owner shall receive a registration valid until the owner's birthday following the owner's next birthday. The tax required under this act for a registration described in this subsection is either of the following:

(a) For an original registration, the tax must bear the same relationship to the tax required under section 801 for a 12-month registration as the length of the registration bears to 12 months.

(b) For a renewal of a registration, either of the following:

(i) For a registration that is for at least 6 months but not more than 12 months, the same amount as for 12 months.

(ii) For a renewal of a registration that is for more than 12 months, 2 times the amount for 12 months.

Partial months must be considered as whole months in the calculation of the required tax and in the determination of the length of time between the application for a registration and the owner's next birthday. The tax required for that registration must be rounded off to whole dollars as provided in section 801.

(7) A certificate of title remains valid until canceled by the secretary of state for cause or upon a transfer of an interest shown on the certificate of title.

(8) The secretary of state, upon request, shall issue special registration for commercial vehicles, valid for 6 months after the date of issue, if the full registration fee exceeds \$50.00, on the payment of 1/2 the full registration fee and a service charge as enumerated in section 802(1).

(9) The secretary of state may issue a special registration for each of the following:

(a) A new vehicle purchased or leased outside of this state and delivered in this state to the purchaser or lessee by the manufacturer of that vehicle for removal to a place outside of this state, if a certification is made that the vehicle will be primarily used, stored, and registered outside of this state and will not be returned to this state by the purchaser or lessee for use or storage.

(b) A vehicle purchased or leased in this state and delivered to the purchaser or lessee by a dealer or by the owner of the vehicle for removal to a place outside of this state, if a certification is made that the vehicle will be primarily used, stored, and registered outside of this state and will not be returned to this state by the purchaser or lessee for use or storage.

(10) A special registration issued under subsection (9) is valid for not more than 30 days after the date of issuance, and a fee must be collected for each special registration as provided in section 802(3). The special registration may be in the form determined by the secretary of state. If a dealer makes a retail sale or lease of a vehicle to a purchaser or lessee who is qualified and eligible to obtain a special registration, the dealer shall apply for the special registration for the purchaser or lessee. If a person other than a dealer sells or leases a vehicle to a purchaser or lessee who is qualified and eligible to obtain a special registration, the purchaser or lessee shall appear in person, or by a person exercising the purchaser's or lessee's power of attorney, at an office of the secretary of state and furnish a certification that the person is the bona fide purchaser or lessee or that the person

has granted the power of attorney, together with other forms required for the issuance of the special registration and provide the secretary of state with proof that the vehicle is covered by an automobile insurance policy issued under section 3101 of the insurance code of 1956, 1956 PA 218, MCL 500.3101, or proof that the vehicle is covered by a policy of insurance issued by an insurer under section 3163 of the insurance code of 1956, 1956 PA 218, MCL 500.3163. The certification required in this subsection must contain all of the following:

- (a) The address of the purchaser or lessee.
- (b) A statement that the vehicle is purchased or leased for registration outside of this state.
- (c) A statement that the vehicle must be primarily used, stored, and registered outside of this state.
- (d) The name of the jurisdiction in which the vehicle is to be registered.
- (e) Other information requested by the secretary of state.

(11) In the case of a commercial vehicle, trailer, or semitrailer issued a registration under the international registration plan, the secretary of state in mutual agreement with the owner may assign or reassign the expiration date of the registration. However, the expiration date agreed to must be either March 31, June 30, September 30, or December 31 or beginning on February 19, 2019, the last day of a calendar month. Renewals expiring on or after June 30, 2020 must be for a minimum of at least 12 months if there is a change in the established expiration date. Notwithstanding the provisions of this subsection, a commercial vehicle, trailer, or semitrailer registration issued under this subsection that expires on or after March 1, 2020 is valid until March 31, 2021. Notwithstanding the provisions of this subsection, a commercial vehicle, trailer, or semitrailer registration issued under this subsection that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration.

(12) The expiration date for a multiyear registration issued for a leased vehicle must be the date the lease expires but must not be for a period longer than 24 months.

(13) A vehicle registration described in subsection (1) or a motorcycle registration described in subsection (2) that expires on or after March 1, 2020 is valid until March 31, 2021. A vehicle registration described in subsection (1) or a motorcycle registration described in subsection (2) that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration.

Sec. 255. (1) Except as otherwise provided in this chapter, a person shall not operate, nor shall an owner knowingly permit to be operated, upon any highway, a vehicle required to be registered under this act unless, except as otherwise provided in this subsection, no later than 30 days after the vehicle is registered or the vehicle's registration is renewed, a valid registration plate issued for the vehicle by the department for the current registration year is attached to and displayed on the vehicle as required by this chapter. For purposes of this subsection, a printed or electronic copy of a valid registration or verification of a valid registration through the L.E.I.N. is proof that the vehicle is registered or that the vehicle's registration has been renewed. A registration plate is not required for a wrecked or disabled vehicle, or vehicle destined for repair or junking, that is being transported or drawn on a highway by a wrecker or a registered motor vehicle. The 30-day period described in this subsection does not apply to the first registration of a vehicle after a transfer of ownership or to a transfer registration under section 809.

(2) Except as otherwise provided in this section, a person who violates subsection (1) is responsible for a civil infraction. In addition, a police officer may impound the vehicle until a valid registration is obtained. If the vehicle is impounded, the towing and storage costs of the vehicle, and the care or preservation of the load in the vehicle are the owner's responsibility. Vehicles impounded are subject to a lien in the amount of the apportioned fee and any fine and costs incurred under this subsection, subject to a valid lien of prior record. If the apportioned fee, fine, and costs are not paid within 90 days after impoundment, then following a hearing before the judge or magistrate who imposed the fine and costs, the judge or magistrate shall certify the unpaid judgment to the prosecuting attorney of the county in which the violation occurred. The prosecuting attorney shall enforce the lien by foreclosure sale in accordance with the procedure authorized by law for chattel mortgage foreclosures.

Sec. 309. (1) Before issuing a license, the secretary of state shall examine each applicant for an operator's or chauffeur's license who at the time of the application is not the holder of a valid, unrevoked operator's or chauffeur's license under a law of this state providing for the licensing of drivers. Before the secretary of state authorizes an individual to administer vehicle group designation or endorsement knowledge tests, that individual must successfully complete both a state and Federal Bureau of Investigation fingerprint-based criminal history check or the equivalent through the department of state police. In all other cases, the secretary of state may waive the examination, except that an examination must not be waived if it appears from the application, from the apparent physical or mental condition of the applicant, or from any other information that has come to the secretary of state from another source, that the applicant does not possess the physical, mental, or other qualifications necessary to operate a motor vehicle in a manner as not to jeopardize the safety of persons or property, or that the applicant is not entitled to a license under section 303. A licensee who applies for the renewal of his or her license by mail under section 307 shall certify to his or her physical capability to operate a motor vehicle. The secretary of state may check the applicant's driving record through the National Driver Register and the Commercial Driver's License Information System before issuing a license under this section.

(2) The secretary of state may appoint sheriffs, their deputies, the chiefs of police of cities and villages that have organized police departments within this state, their duly authorized representatives, or employees of the secretary of state as examining officers for the purpose of examining applicants for operator's and chauffeur's licenses. An examining officer shall conduct examinations of applicants for operator's and chauffeur's licenses in accordance with this chapter and the rules promulgated by the secretary of state under subsection (3). After conducting an examination an examining officer shall make a written report of his or her findings and recommendations to the secretary of state.

(3) The secretary of state shall promulgate rules under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, for the examination of the applicant's physical and mental qualifications to operate a motor vehicle in a manner as not to jeopardize the safety of persons or property, and shall ascertain whether facts exist that would bar the issuance of a license under section 303. The secretary of state may consider a written medical report and recommendation submitted under section 5139 of the public health code, 1978 PA 368, MCL 333.5139, from the personal physician or optometrist of an applicant, in making the examination regarding the applicant's physical and mental qualifications to operate a motor vehicle under this section and R 257.851 to R 257.855 of the Michigan Administrative Code. A report received by the secretary of state from a physician or an optometrist under this section is confidential. The secretary of state shall also ascertain whether the applicant has sufficient knowledge of the English language to understand highway warnings or direction signs written in that language. The examination must not include investigation of facts other than those facts directly pertaining to the ability of the applicant to operate a motor vehicle with safety or facts declared to be prerequisite to the issuance of a license under this act.

(4) The secretary of state shall not issue an original operator's or chauffeur's license without a vehicle group designation or indorsement without an examination that includes a driving skills test conducted by the secretary of state or by a designated examining officer under subsection (2) or section 310e. The secretary of state may enter into an agreement with another public or private corporation or agency to conduct a driving skills test conducted under this section. Before the secretary of state authorizes an individual to administer a corporation's or agency's driver skills testing operations or authorizes an examiner to conduct a driving skills test, that individual or examiner must successfully complete both a state and Federal Bureau of Investigation fingerprint-based criminal history check through the department of state police as required by law and as provided under 49 CFR 384.228. In an agreement with another public or private corporation or agency to conduct a driving skills test, the secretary of state shall prescribe the method and examination criteria to be followed by the corporation, agency, or examiner when conducting the driving skills test and the form of the certification to be issued to an individual who satisfactorily completes a driving skills test. An original vehicle group designation or indorsement shall not be issued by the secretary of state without a knowledge test conducted by the secretary of state. Except as provided in section 312f(1), an original vehicle group designation or passenger or school bus indorsement must not be issued by the secretary of state without a driving skills test conducted by an examiner appointed or authorized by the secretary of state or an equivalent driving skills test meeting the requirements of 49 CFR part 383 conducted in another jurisdiction.

(5) Except as otherwise provided in this act, the secretary of state may waive the requirement of a driving skills test, knowledge test, or road sign test of an applicant for an original operator's or chauffeur's license without a vehicle group designation or indorsement who at the time of the application is the holder of a valid, unrevoked operator's or chauffeur's license issued by another state or country.

(6) A driving skills test conducted under this section must include a behind-the-wheel road test. Before conducting a behind-the-wheel road test for an applicant seeking a vehicle group designation, including any upgrade to a vehicle group designation, or for any indorsement required to operate a commercial motor vehicle, the examiner shall determine that the applicant was issued his or her commercial learner's permit not less than 14 days before the date of that test and that he or she has that permit in his or her possession.

(7) A person who corrupts or attempts to corrupt a designated examining officer appointed or designated by the secretary of state under this section or section 310e by giving, offering, or promising any gift or gratuity with the intent to influence the opinion or decision of the examining officer conducting the test is guilty of a felony.

(8) A designated examining officer appointed or designated by the secretary of state who conducts a driving skills test under an agreement entered into under this section or section 310e and who varies from, shortens, or in any other way changes the method or examination criteria prescribed in that agreement in conducting a driving skills test is guilty of a felony.

(9) A person who forges, counterfeits, or alters a satisfactorily completed driving skills test certification issued by a designated examining officer appointed or designated by the secretary of state under this section or section 310e is guilty of a felony.

(10) The secretary of state shall waive the requirement of a written knowledge test, road sign test, and driving skills test of an applicant for an original motorcycle endorsement if the person has successfully passed a motorcycle safety course approved by the department as described in sections 811a and 811b.

(11) An operator's or chauffeur's license that expires on or after March 1, 2020 is valid until March 31, 2021. An operator's or chauffeur's license that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration.

Sec. 312f. (1) Except as otherwise provided in this section, an individual shall be not less than 18 years of age before he or she is issued a vehicle group designation or indorsement, other than a motorcycle indorsement, or not less than 21 years of age and has been approved by the Transportation Security Administration for a hazardous material endorsement before he or she is issued a hazardous material endorsement on an operator's or chauffeur's license and, as provided in this section, the individual shall pass knowledge and driving skills tests that comply with minimum federal standards prescribed in 49 CFR part 383. The knowledge and skills test scores must be retained by the secretary of state as provided under 49 CFR 383.135. An individual who is 18 years of age or older operating a vehicle to be used for farming purposes only may obtain an A or B vehicle group designation or an F vehicle indorsement. Each written examination given an applicant for a vehicle group designation or indorsement must include subjects designed to cover the type or general class of vehicle to be operated. Except as follows, an individual shall pass an examination that includes a driving skills test designed to test competency of the applicant for an original vehicle group designation and passenger indorsement on an operator's or chauffeur's license to drive that type or general class of vehicle upon the highways of this state with safety to persons and property:

(a) The secretary of state shall waive the driving skills test for an individual operating a vehicle that is used under the conditions described in section 312e(8)(a) to (d) unless the vehicle has a gross vehicle weight rating of 26,001 pounds or more on the power unit and is to be used to carry hazardous materials on which a placard is required under 49 CFR parts 100 to 199.

(b) The driving skills test may be waived if the applicant has a valid license with the appropriate vehicle group designation, passenger vehicle indorsement, or school bus indorsement in another state issued in compliance with 49 USC 31301 to 31317, or if the individual successfully passes a driving skills test administered in another state that meets the requirements of federal law and the law of this state.

(c) The secretary of state may waive the driving skills test required under this section for an individual with military commercial motor vehicle experience if the individual, at the time of application, certifies and provides evidence satisfactory to the secretary of state that he or she continuously met all of the requirements under 49 CFR part 383 during the 2-year period immediately preceding the date of application for the commercial driver license.

(2) Except for an individual who has held an operator's or chauffeur's license for less than 1 year, the secretary of state shall waive the knowledge test and the driving skills test and issue a 1-year seasonal restricted vehicle group designation to an otherwise qualified applicant to operate a group B or a group C vehicle for a farm related service industry if all of the following conditions are met:

(a) The applicant meets the requirements of 49 CFR 383.77.

(b) The seasons for which the seasonal restricted vehicle group designation is issued are from April 2 to June 30 and from September 2 to November 30 only of a 12-month period or, at the option of the applicant, for not more than 180 days from the date of issuance in a 12-month period.

(c) The commercial motor vehicle for which the seasonal restricted vehicle group designation is issued must be operated only if all the following conditions are met:

(i) The commercial motor vehicle is operated only on routes within 150 miles from the place of business to the farm or farms being served.

(ii) The commercial motor vehicle does not transport a quantity of hazardous materials on which a placard under 49 CFR parts 100 to 199 is required except for the following:

- (A) Diesel motor fuel in quantities of 1,000 gallons or less.
- (B) Liquid fertilizers in quantities of 3,000 gallons or less.
- (C) Solid fertilizers that are not transported with any organic substance.

(iii) The commercial motor vehicle does not require the H, N, P, S, T, or X vehicle endorsement.

(3) A seasonal restricted vehicle group designation under this section must be issued, suspended, revoked, canceled, denied, or renewed in accordance with this act. The secretary of state may renew a seasonal restricted vehicle group designation 1 time per calendar year regardless of whether the seasonal restricted vehicle group designation is expired at the time of renewal.

(4) The secretary of state may enter into an agreement with another public or private corporation or agency to conduct a driving skills test required under this section, section 312e, or 49 CFR part 383. Before the secretary of state authorizes an individual to administer a corporation's or agency's driver skills testing operations or authorizes an examiner to conduct a driving skills test, that individual or examiner must complete both a state and Federal Bureau of Investigation fingerprint-based criminal history check through the department of state police.

(5) The secretary of state shall not issue a commercial learner's permit, a vehicle group designation, or a vehicle endorsement to an applicant for an original vehicle group designation or vehicle endorsement under section 312e or may cancel a commercial learner's permit or all vehicle group designations or endorsements on an individual's operator's or chauffeur's license to whom 1 or more of the following apply:

(a) The applicant has had his or her license suspended or revoked for a reason other than as provided in section 321a, 515, 732a, or 801c or section 30 of the support and parenting time enforcement act, 1982 PA 295, MCL 552.630, in the 36 months immediately preceding application. However, a vehicle group designation may be issued if the suspension or revocation was due to a temporary medical condition or failure to appear at a reexamination as provided in section 320.

(b) The applicant was convicted of or incurred a bond forfeiture in relation to a 6-point violation as provided in section 320a in the 24 months immediately preceding application if the violation occurred while the applicant was operating a commercial motor vehicle, or a violation of section 625(3) or former section 625b, or a local ordinance that substantially corresponds to section 625(3) or former section 625b in the 24 months immediately preceding application, if the applicant was operating any type of motor vehicle.

(c) The applicant is listed on the National Driver Register, the Commercial Driver's License Information System, or the driving records of the state in which the applicant was previously licensed as being disqualified from operating a commercial motor vehicle or as having a license or driving privilege suspended, revoked, canceled, or denied.

(d) The applicant is listed on the National Driver Register, the Commercial Driver's License Information System, or the driving records of the state in which the applicant was previously licensed as having had a license suspended, revoked, or canceled in the 36 months immediately preceding application if a suspension or revocation would have been imposed under this act had the applicant been licensed in this state in the original instance. This subdivision does not apply to a suspension or revocation that would have been imposed due to a temporary medical condition or under section 321a, 515, 732a, or 801c or section 30 of the support and parenting time enforcement act, 1982 PA 295, MCL 552.630.

(e) The applicant is subject to a suspension or revocation under section 319b or would have been subject to a suspension or revocation under section 319b if the applicant had been issued a vehicle group designation or vehicle endorsement.

(f) The applicant has been disqualified from operating a commercial motor vehicle under 49 USC 31301 to 31317 or the applicant's license to operate a commercial motor vehicle has been suspended, revoked, denied, or canceled within 36 months immediately preceding the date of application.

(g) The United States Secretary of Transportation has disqualified the applicant from operating a commercial motor vehicle.

(h) The applicant fails to satisfy the federal regulations promulgated under 49 CFR parts 383 and 391 by refusing to certify the type of commercial motor vehicle operation the applicant intends to perform and fails to present valid medical certification to the secretary of state if required to do so. The requirement of this subdivision is waived from July 1, 2020 to August 31, 2021, pursuant to the Waiver in Response to the COVID-19 National Emergency – For States, CDL Holders, CLP Holders, and Interstate Drivers Operating Commercial Motor Vehicles, or any extension of that waiver issued after August 31, 2021.

(i) The applicant has been disqualified from operating a commercial motor vehicle due to improper or fraudulent testing.

(j) If the secretary of state determines through a governmental investigation that there is reason to believe that a commercial driver license or endorsement was issued as a result of fraudulent or improper conduct in taking a knowledge test or driving skills test required under 49 CFR part 383, the secretary of state shall require the applicant to retake and successfully pass that test. The secretary of state shall cancel any commercial driver license or endorsement issued as a result of the suspect test unless the applicant retakes and passes that test.

(6) The secretary of state shall not renew or upgrade a vehicle group designation if 1 or more of the following conditions exist:

(a) The United States Secretary of Transportation has disqualified the applicant from operating a commercial motor vehicle.

(b) The applicant is listed on the National Driver Register or the Commercial Driver's License Information System as being disqualified from operating a commercial motor vehicle or as having a driver license or driving privilege suspended, revoked, canceled, or denied.

(c) On or after January 30, 2012, the applicant fails to meet the requirements of 49 CFR parts 383 and 391 by refusing to certify the type of commercial motor vehicle operation the applicant intends to perform and fails to present medical certification to the secretary of state if required to do so. The requirement of this subdivision is waived from July 1, 2020 to August 31, 2021, pursuant to the Waiver in Response to the COVID-19 National Emergency – For States, CDL Holders, CLP Holders, and Interstate Drivers Operating Commercial Motor Vehicles, or any extension of that waiver issued after August 31, 2021.

(7) The secretary of state shall only consider bond forfeitures under subsection (5)(b) for violations that occurred on or after January 1, 1990 when determining the applicability of subsection (5).

(8) If an applicant for an original vehicle group designation was previously licensed in another jurisdiction, the secretary of state shall request a copy of the applicant's driving record from that jurisdiction. If 1 or more of the conditions described in subsection (5) exist in that jurisdiction when the secretary of state receives the copy, the secretary of state shall cancel all vehicle group designations on the individual's operator's or chauffeur's license.

(9) The secretary of state shall cancel all vehicle group designations on an individual's operator's or chauffeur's license upon receiving notice from the United States Secretary of Transportation, the National Driver Register, the Commercial Driver's License Information System, or another state or jurisdiction that 1 or more of the conditions described in subsection (5) existed at the time of the individual's application in this state.

(10) The secretary of state shall cancel all vehicle group designations on the individual's operator's or chauffeur's license upon receiving proper notice that the individual no longer meets the federal driver qualification requirements under 49 CFR parts 383 and 391 to operate a commercial motor vehicle in interstate or intrastate commerce, or the individual no longer meets the driver qualification requirements to operate a commercial motor vehicle in intrastate commerce under the motor carrier safety act of 1963, 1963 PA 181, MCL 480.11 to 480.25.

(11) Subsection (5)(a), (b), (d), and (f) does not apply to an applicant for an original vehicle group designation who at the time of application has a valid license to operate a commercial motor vehicle issued by any state in compliance with 49 USC 31301 to 31317.

(12) As used in this section, "farm related service industry" means custom harvesters, farm retail outlets and suppliers, agri-chemical business, or livestock feeders.

Sec. 312k. (1) Notwithstanding any other provisions in this act, all of the following apply:

(a) A commercial driver license that expires on or after March 1, 2020 is valid until March 31, 2021. A commercial driver license that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration.

(b) Medical certification for operator's or chauffeur's license holders with a group designation required under 49 CFR 391.45 that expires on or after March 1, 2020 is valid until March 31, 2021. Medical certification for operator's or chauffeur's license holders with a group designation required under 49 CFR 391.45 that expires after March 31, 2021 but before August 1, 2021 is valid until 120 days after the date of the expiration. This subdivision does not apply to either of the following:

(i) A medical certification for operator's or chauffeur's license holders with a group designation required under 49 CFR 391.45 that was not valid before March 1, 2020.

(ii) An individual issued a medical certification for operator's or chauffeur's license holders with a group designation required under 49 CFR 391.45 who, since his or her last medical certificate was issued, has been diagnosed with a medical condition that would disqualify the individual from operating in interstate commerce, or who, since his or her last medical certificate was issued, has developed a condition that requires an exemption or Skill Performance Evaluation from the Federal Motor Carrier Safety Administration.

A security threat assessment required under 49 CFR 1572.13(a) that is valid on or after March 1, 2020 is valid until October 29, 2020. An individual with a hazardous material endorsement that is extended for 180 days under this subdivision must initiate a security threat assessment with the National Highway Traffic Safety Administration at least 60 days before the expiration of the hazardous material endorsement.

(2) This section does not affect the secretary of state's authority to revoke or suspend an operator's or chauffeur's license or a group designation or endorsement under this act.

Sec. 314. (1) Except as otherwise provided in this section, an operator's license and chauffeur's license expire on the birthday of the individual to whom the license is issued in the fourth year following the date of the issuance of the license or on the date the individual is no longer considered to be legally present in the United States under section 307, whichever is earlier, unless suspended or revoked before that date. A license must not be issued for a period longer than 4 years.
