- 1 A resolution to recognize the first anniversary of the Oxford

1 High School Shooting.

2 Whereas, The November 30, 2021, shooting at Oxford High School
3 ended with the loss of Hana St. Juliana, Tate Myre, Madisyn
4 Baldwin, and Justin Shilling, as well as the injury of many others.
5 This shocking tragedy shattered our State, and we continue to
6 grieve with their families, friends, and the Oxford community; and

7 Whereas, Taking a life is the darkest, most complete rejection
8 of the inherent dignity of every human person. These murders not
9 only cut short the lives of four young people, they tore the social
10 fabric – altering the community and our state in ways that will
11 never allow us to be the same, opening wounds that will never
12 completely close, and tearing apart hearts that will never fully
13 heal; and

14 Whereas, Through this gut-wrenching pain and suffering, we see
15 that the heroic actions taken by men and women both inside and
16 outside Oxford High School to protect and care for the children, as
17 well as the measures taken to provide immediate first aid and
18 comfort to them, reflect the best of Michiganders' character; and

19 Whereas, The Oxford community has responded to this senseless
20 tragedy with astounding resilience, persevering through this
21 heartbreaking loss with strength, and heart; and

22 Whereas, These jarring deaths and injuries should remind us of
23 how much we have in common and push us to recommit ourselves to
24 honor the victims of the Oxford High School shootings by working
25 toward both a world in which these senseless acts do not happen and
26 the more perfect union to which we are all dedicated; now,
27 therefore, be it

28 Resolved by the House of Representatives, That the members of
29 this legislative body recognize the first anniversary of the Oxford

- 1 High School shooting. We reflect and honor the memory of those we
- 2 lost.
