## THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1	TITLE
2	An act to designate the third Saturday in June as Juneteenth
3	National Freedom Day; and to designate November 26 of each year as
4	Sojourner Truth Day. in the state of Michigan.
5	Sec. 1. (1) The legislature recognizes that slavery existed in

this country for more than 200 years. Millions of African-Americans 1 2 were brought to this country as slaves stacked in the bottom of slave ships in a 5- to 12-week journey across the Atlantic Ocean 3 4 known as the "middle passage". Although approximately 11-1/2 million African-Americans survived the voyage across the ocean, the 5 6 number of those who died in the inhuman conditions of the passage is probably even higher. Once in this country, the captives were 7 8 subjected to whipping, castration, branding, and rape. The 9 legislature further observes that congress passed the thirteenth 10 amendment to the United States constitution on January 31, 1865, 11 abolishing slavery throughout the United States and its 12 territories. In the following months, spontaneous celebrations erupted throughout the country whenever African-Americans learned 13 14 of their freedom. News of the amendment reached the states at 15 different times, and it was not until June 19, 1865 that the 16 message of freedom reached the slaves in the western states. In 17 honor of this great moment in the history of our nation, the legislature declares that the third Saturday in June of each year 18 19 shall be known as "Juneteenth National Freedom Day". The 20 legislature encourages individuals, educational institutions, and 21 social, community, religious, labor, and business organizations to 22 pause on Juneteenth National Freedom Day and reflect upon the 23 strong survival instinct of the African-American slaves and the 24 excitement and great joy with which African-Americans first 25 celebrated the abolition of slavery. It is a reminder to all 26 Americans of the status and importance of Americans of African 27 descent as American citizens. (2) The legislature recognizes the fundamental contribution 28 29 Sojourner Truth made to the cause of abolition of slavery, and to
