7 and post a report of the compiled information by the date required
8 under subsection (10) than for the individual departments to comply
9 with subsection (10), the state budget office may compile that
10 information and post that report.

11 (12) As applicable, the legislative sponsor of a grant
12 described in subsection (1) shall comply with all applicable laws
13 concerning conflicts of interest in seeking a direct grant. A
14 legislative sponsor shall not seek a grant for a recipient if a
15 conflict of interest exists.

16 (13) If the department reasonably determines that the funds
17 allocated for an executed grant agreement under this section were
18 misused or that use of the funds was misrepresented by the grant
19 recipient, the department shall not award any additional funds
20 under the executed grant agreement and shall refer the grant for
21 review following internal audit protocols.
