Senator Stephanie Chang of the 3rd District offered the following invocation:

When we are overwhelmed with the world and cannot see our way clear, when life seems a struggle between tedium and apathy or frenzy and exhaustion; when today seems a punishment and tomorrow a torment, may we find the courage of patience.

May we recognize courage in ourselves and our companions; that is not dramatic, that elicits no fanfare; that commands little notice by the world, that is forgotten and taken for granted.

May we learn how to cope like those who live one day of pain at a time, and who see the long path of suffering and do not despair, who inspire us by their patient courage, when we are impatient and afraid.

May we know such courage and quietly celebrate its presence among us. Amen.

The President, Lieutenant Governor Gilchrist, led the members of the Senate in recital of the *Pledge of Allegiance*.

Whereas, There are 49,858 students attending 210 Catholic elementary and high schools throughout our great state; and

Whereas, The Constitution of Michigan states that, “Religion, morality and knowledge being necessary to good government and the happiness of mankind, schools and the means of education shall forever be encouraged”; and

Whereas, Catholic school parents pay tuition in addition to supporting their local public schools through their taxes; and

Whereas, Catholic schools comply with the same health, safety, and general welfare regulations required of public schools; and

Whereas, Catholic schools instill a broad, values-based education, emphasizing the lifelong development of moral, intellectual, and social values in young people, making them responsible citizens of our state and nation; and

Whereas, Catholic schools educate many students who are non-Catholic, many students who are economically disadvantaged, and exemplifies that a good education remains the single best way out of poverty; and

Whereas, With their traditionally high academic standards, high graduation rates, and commitment to community service, Catholic schools and their graduates make a positive contribution to society; and

Whereas, January 28-February 3, 2024, has been designated as Catholic Schools Week, with the theme, “Catholic Schools: United in Faith and Community” as denoted by the National Catholic Educational Association and the United States Conference of Catholic Bishops; and

Whereas, The common good of the state of Michigan is strengthened through the continued existence of Catholic schools; and

Whereas, Catholic schools are committed to community service, producing graduates who hold “helping others” among their core values; and

Resolved by the Senate, That the members of this legislative body recognize January 28-February 3, 2024, as Catholic Schools Week. Statements

Senator Johnson asked and was granted unanimous consent to make a statement and moved that the statement be printed in the Journal.

The motion prevailed.

Senator Johnson's statement is as follows:

Last week, the *Detroit News* published an editorial urging our Secretary of State to honor her commitment to help the 1,520 local clerks in Michigan who conduct our state's elections—so that they can do their jobs. The *News* points out that despite \$46 million allocated to her department for the implementation of Proposal 2, our local clerks are literally losing sleep trying to comply with the requirements of Proposal 2 and related legislation due to a lack of support from our Secretary of State. Ironically, it was the current Secretary of State who pushed for all these changes; many which I feel actually undermine the integrity of our elections. Yet, now that they are the law, the Secretary of State refuses to support clerks who are simply trying to keep up with and to comply with these changes.

In a letter signed by 74 city and township clerks in Michigan—from across the political spectrum—that was sent to the Secretary of State and the Director of Elections, these clerks complained that they have been delayed in performing their jobs, waiting on guidance from the Bureau of Elections. They also begged the Secretary of State for additional support in meeting the burdensome requirements required and created by Proposal 2 and related new laws. The Secretary of State simply has not followed through on her commitment to our local clerks.

I agree wholeheartedly with the *Detroit News* as they concluded, "It should not have taken pleas from desperate clerks to get [the Secretary of State's] attention. ... This failure belongs to [her] office. She needs to fix it immediately." We need accountability for the \$46 million appropriated to the Secretary of State, and our clerks need help now. Empty and broken promises are simply unacceptable. They hurt hard-working civil servants in each city and township in our districts, and they hurt the efficient and effective administration of our state's elections.

By unanimous consent the Senate returned to the order of
