11 that provide alternatives to prison for offenders being sentenced
12 to prison as a result of technical probation violations and
13 technical parole violations. To the extent the department has
14 insufficient policies or resources to affect the continued increase
15 in prison commitments among these offender populations, from the
16 funds appropriated in part 1, the department shall explore other
17 policy options to allow for program alternatives, including

16 recognizes the needs of prisoners less than 18 years of age for
17 supervised offender success.
