10 the values that shaped his upbringing, embodying the spirit of what

25 during this time he founded the Carter Center which remains in
26 operation with the goal of alleviating human suffering worldwide.

29 and improve the general health and welfare of humanity worldwide.

1 These efforts, collectively, led President Carter to win a Nobel
2 Peace Prize in 2002. Where others viewed the world with cynicism
3 and despair, President Carter inspired hope and envisioned a
4 brighter future for humanity. For all of his efforts during the
5 century he shared with us, we are forever thankful; now, therefore,
