The People of the State of Michigan enact:

423.201 Definitions; rights of public employees.

Sec. 1. (1) As used in this act:

(a) "Bargaining representative" means a labor organization recognized by an employer or certified by the commission as the sole and exclusive bargaining representative of certain employees of the employer.

(b) "Commission" means the employment relations commission created in section 3 of 1939 PA 176, MCL 423.3.

(c) "Intermediate school district" means that term as defined in section 4 of the revised school code, 1976 PA 451, MCL 380.4.

(d) "Lockout" means the temporary withholding of work from a group of employees by shutting down the operation of the employer to bring pressure upon the affected employees or the bargaining representative, or both, to accept the employer's terms of settlement of a labor dispute.

(e) "Public employee" means an individual holding a position by appointment or employment in the government of this state, in the government of 1 or more of the political subdivisions of this state, in the public school service, in a public or special district, in the service of an authority, commission, or board, or in any other branch of the public service, subject to the following exceptions:

(i) An individual employed by a private organization or entity who provides services under a time-limited contract with this state or a political subdivision of this state or who receives a direct or indirect government subsidy in his or her private employment is not an employee of this state or that political subdivision, and is not a public employee. This provision shall not be superseded by any interlocal agreement, memorandum of understanding, memorandum of commitment, or other document similar to these.

(ii) If, by April 9, 2000, a public school employer that is the chief executive officer serving in a school district of the first class under part 5A of the revised school code, 1976 PA 451, MCL 380.371 to 380.376, issues an order determining that it is in the best interests of the school district, then a public school administrator employed by that school district is not a public employee for purposes of this act. The exception under this subparagraph applies to public school administrators employed by that school district after the date of the order described in this subparagraph whether or not the chief executive officer remains in place in the school district. This exception does not prohibit the chief executive officer or board of a school district of the first class or its designee from having informal meetings with public school administrators to discuss wages and working conditions.

(iii) An individual serving as a graduate student research assistant or in an equivalent position, a student participating in intercollegiate athletics on behalf of a public university in this state, or any individual whose position does not have sufficient indicia of an employer-employee relationship using the 20-factor test announced by the internal revenue service of the United States department of treasury in revenue ruling 87-41, 1987-1 C.B. 296 is not a public employee entitled to representation or collective bargaining rights under this act.

(f) "Public school academy" means a public school academy or strict discipline academy organized under the revised school code, 1976 PA 451, MCL 380.1 to 380.1852.

(g) "Public school administrator" means a superintendent, assistant superintendent, chief business official, principal, or assistant principal employed by a school district, intermediate school district, or public school academy.

(h) "Public school employer" means a public employer that is the board of a school district, intermediate school district, or public school academy; is the chief executive officer of a school district in which a school reform board is in place under part 5A of the revised school code, 1976 PA 451, MCL 380.371 to 380.376; or is the governing board of a joint endeavor or consortium consisting of any combination of school districts,

intermediate school districts, or public school academies.

(i) "School district" means that term as defined in section 6 of the revised school code, 1976 PA 451, MCL 380.6, or a local act school district as defined in section 5 of the revised school code, 1976 PA 451, MCL 380.5.

(j) "Strike" means the concerted failure to report for duty, the willful absence from one's position, the stoppage of work, or the abstinence in whole or in part from the full, faithful, and proper performance of the duties of employment for the purpose of inducing, influencing, or coercing a change in employment conditions, compensation, or the rights, privileges, or obligations of employment. For employees of a public school employer, strike also includes an action described in this subdivision that is taken for the purpose of protesting or responding to an act alleged or determined to be an unfair labor practice committed by the public school employer.

(2) This act does not limit, impair, or affect the right of a public employee to the expression or communication of a view, grievance, complaint, or opinion on any matter related to the conditions or compensation of public employment or their betterment as long as the expression or communication does not interfere with the full, faithful, and proper performance of the duties of employment.

Sec. 2. A public employee shall not strike and a public school employer shall not institute a lockout. History: 1947, Act 336, Eff. Oct. 11, 1947;—CL 1948, 423.202;—Am. 1994, Act 112, Eff. Mar. 30, 1995.

423.202a Allegation of strike by public school employees or lockout by public school employer; notice to commission; hearing; notification of name and home address of each public school employee participating in strike; serving or mailing notice; presumption; challenge; filing of affidavit and supporting proof by employee; hearing to determine if employee engaged in strike; determination; order; deduction from annual salary; determination that public school employer instituted lockout; fines; deduction and disposition of fines; collection proceedings; fines additional to other penalties; injunction; duties of court; reimbursement prohibited; "public school employee" defined.

Sec. 2a. (1) Upon belief that conditions constituting a strike by 1 or more public employees in violation of section 2 exist, the public school employer or the superintendent of public instruction, after consultation with the public school employer, shall notify the commission of the full or partial days that the alleged strike has

occurred and the name and address of the bargaining representative. The notice shall be accompanied by a sworn affidavit, supported by any available documentary proof, containing a clear and concise statement of the facts upon which the public school employer or the superintendent of public instruction relies to establish a violation of section 2. The public school employer or the superintendent of public instruction shall concurrently serve the bargaining representative with a copy of the notice. If the public school employer or the superintendent of public instruction has not notified the commission of an allegation of a strike under this subsection, a parent or legal guardian of a child who is enrolled in the school district may notify the commission of the full or partial days that 1 or more public school employees were engaged in an alleged strike.

(2) If a bargaining representative alleges that there is a lockout by a public school employer in violation of section 2, the bargaining representative shall notify the commission of the full or partial days of the alleged lockout.

(3) Within 15 days after receipt of a notice under subsection (1) or (2), the commission shall conduct a hearing to determine if conditions constituting a strike by 1 or more public school employees in violation of section 2 or a lockout exist. The person giving notice under subsection (1) or (2) bears the burden of proof at the hearing on the allegations. The commission shall issue its decision within 3 business days after the close of the hearing. A hearing conducted under this subsection is separate and distinct from, and is not subject to the procedures and timelines of, a proceeding conducted under section 6.

(4) If the commission determines that conditions constituting a strike in violation of section 2 exist, the superintendent of public instruction or the public school employer shall, within 5 business days after notification of the decision, notify the commission of the name and home address of each public school employee alleged to have participated in the strike. The superintendent of public instruction or the public school employer shall, within the same period, serve with or mail to each named public school employee a copy of the notice.

(5) A public school employee named in the notice under subsection (4) and alleged to have been either absent from work without permission of the public school employer or to have abstained wholly or in part from the full performance of his or her normal duties without permission on a date when a strike occurred is presumed to have engaged in the strike on that date.

(6) A public school employee presumed to have engaged in a strike in violation of section 2 may challenge that presumption within 10 days after the date the notice was served or mailed to the employee under subsection (4), by filing with the commission and causing to be served on the superintendent of public instruction or the public school employer, a sworn affidavit, supported by available documentary proof, containing a clear and concise statement of the facts upon which he or she relies to show that the determination was incorrect.

(7) The public school employer shall deduct from the annual salary of a public school employee named in a notice under subsection (4) who fails to file an affidavit and supporting proof under subsection (6) an amount equal to 1 day of pay for that public school employee for each full or partial day that he or she engaged in the strike. The public school employee's annual salary is the annual salary that is established in the applicable contract in effect at the time of the strike or, if no applicable contract is in effect at the time of the strike, in the applicable contract in effect at the time of the deduction. However, if no applicable contract is in effect at either of those times, the public school employee's annual salary shall be considered to be the annual salary that applied or would have applied to the public school employee in the most recent applicable contract in effect before the strike. A public school employer shall comply promptly with this subsection. A deduction under this subsection is not a demotion for purposes of 1937 (Ex Sess) PA 4, MCL 38.71 to 38.191.

(8) If a public school employee named in a notice under subsection (4) files a timely affidavit and supporting proof, a commissioner, the commission, or an agent of the commission shall, within 15 days after receipt of the affidavit and supporting proof, commence a hearing to determine whether the public school employee engaged in a strike in violation of section 2. The public school employee bears the burden of proof at the hearing. A hearing conducted under this subsection is separate and distinct from, and is not subject to the procedures and timelines of, a proceeding under section 6.

(9) After a hearing under subsection (8), if a commissioner, the commission, or an agent of the commission determines by the preponderance of the evidence that the public school employee engaged in a strike in violation of section 2, the individual or commission shall state its findings of fact and shall issue and cause to be served on the public school employee an order requiring the employee to cease and desist from the unlawful conduct and the public school employer to deduct from the annual salary, as described in subsection (7), of the public school employee an amount equal to 1 day of pay for that public school employee for each full or partial day that he or she engaged in the strike. If the evidence is presented before a commissioner or agent of the commission, the commissioner or agent shall issue and cause to be served on the parties to the

proceeding a proposed decision, together with a recommended order, which shall be filed with the commission. If a party does not file an exception within 20 days after service of the proposed decision, the recommended order becomes the order of the commission and is effective as stated in the order.

(10) If, after a hearing under subsection (3), a majority of the commission finds that a public school employer instituted a lockout in violation of section 2, the commission shall fine the public school employer \$5,000.00 for each full or partial day of the lockout and shall fine each member of the public school employer's governing board \$250.00 for each full or partial day of the lockout. The fine shall be paid to the commission and transmitted as provided in subsection (11).

(11) If a public school employer does not deduct money from a public school employee's pay pursuant to an order under this section or if the commission does not receive payment of a fine it imposed under this section within 30 days, the superintendent of public instruction shall institute collection proceedings and the money received shall be transmitted to the state treasurer for deposit in the state school aid fund established under section 11 of article IX of the state constitution of 1963.

(12) Deductions imposed under this section are in addition to any loss of pay attributable to the full or partial day that the public school employee was absent from work as a result of the strike under section 2 and any other penalty prescribed by this act and by other law.

(13) Fines imposed under this section are in addition to all other penalties prescribed by this act and by law.

(14) A public school employer, the superintendent of public instruction, or the attorney general may bring an action to enjoin a strike by public school employees in violation of section 2, and a bargaining representative may bring an action to enjoin a lockout by a public school employer in violation of section 2, in the circuit court for the county in which the affected public school is located. If the commission has made a determination after a hearing under subsection (3) that a strike or lockout exists, that finding shall not be overturned except by clear and convincing evidence. If the court having jurisdiction of an action brought under this subsection finds that conditions constituting a strike or lockout in violation of section 2 exist and unless clear and convincing evidence has shown that the sanction would not be equitable or the sanction would duplicate a sanction imposed by the commission for the same activity under subsection (9) or (10), the court shall do all of the following:

(a) For a strike in violation of section 2, order each public school employee to pay a fine in an amount equal to 1 day of pay for that public school employee for each full or partial day the public school employee engaged in the strike. For a lockout in violation of section 2, order the public school employer to pay a fine of \$5,000.00 for each full or partial day of the lockout and order each member of the public school employer's governing board to pay a fine of \$250.00 for each full or partial day of the lockout. A fine imposed under this subsection shall be transmitted to the state treasurer for deposit into the state school aid fund established under section 11 of article IX of the state constitution of 1963.

(b) Order the public school employees or public school employer acting in violation of section 2 to end the strike or lockout.

(c) Award costs and attorney fees to a plaintiff who prevails in an action under this subsection.

(d) Grant additional equitable relief that the court finds appropriate.

(15) An order issued under subsection (14) is enforceable through the court's contempt power.

(16) A public school employer shall not provide to a public school employee or to a board member any compensation or additional work assignment that is intended to reimburse the public school employee or board member for a monetary penalty imposed under this section or that is intended to allow the public school employee or board member to recover a monetary penalty imposed under this section.

(17) As used in this section, "public school employee" means a person employed by a public school employer.

History: Add. 1994, Act 112, Eff. Mar. 30, 1995;—Am. 2016, Act 194, Eff. Sept. 19, 2016.

Constitutionality: That portion of MCL 423.202a(4) imposing automatic mandatory fines on bargaining representatives for strikes by their membership was struck down by the Wayne County Circuit Court in Michigan State AFL-CIO, et al v Michigan Employment Relations Commission (Docket Nos. 94-420652-CL & 94-423581-CL) on March 2, 1995. The Court found that this proviso violated due process under U.S. Const. Am XIV or Const. 1963, art 1, § 17. The Court also struck down that portion of MCL 423.202a(10) which required circuit courts, upon application by a party, to issue injunctions against strikes or lockouts without considering traditional equity factors. The Court concluded that this provision violated the separation of powers under Const 1963, art 3, § 2. No appeal was taken from these findings. Michigan State AFL-CIO v. MERC, 212 Mich. (a) Interfere with, restrain, or coerce public employees in the exercise of their rights guaranteed in section 9.

(b) Initiate, create, dominate, contribute to, or interfere with the formation or administration of any labor organization. A public school employer's use of public school resources to assist a labor organization in collecting dues or service fees from wages of public school employees is a prohibited contribution to the administration of a labor organization. However, a public school employer's collection of dues or service fees pursuant to a collective bargaining agreement that is in effect on March 16, 2012 is not prohibited until the agreement expires or is terminated, extended, or renewed. A public employer may permit employees to confer with a labor organization during working hours without loss of time or pay.

(c) Discriminate in regard to hire, terms, or other conditions of employment to encourage or discourage membership in a labor organization.

(d) Discriminate against a public employee because he or she has given testimony or instituted proceedings under this act.

(e) Refuse to bargain collectively with the representatives of its public employees, subject to section 11.

(2) A labor organization or its agents shall not do any of the following:

(a) Restrain or coerce public employees in the exercise of the rights guaranteed in section 9. This subdivision does not impair the right of a labor organization to prescribe its own rules with respect to the acquisition or retention of membership.

(b) Restrain or coerce a public employer in the selection of its representatives for the purposes of collective bargaining or the adjustment of grievances.

(c) Cause or attempt to cause a public employer to discriminate against a public employee in violation of subsection (1)(c).

(3) Except as provided in subsection (4), an individual shall not be required as a condition of obtaining or continuing public employment to do any of the following:

(a) Refrain or resign from membership in, voluntary affiliation with, or voluntary financial support of a labor organization or bargaining representative.

(b) Become or remain a member of a labor organization or bargaining representative.

(c) Pay any dues, fees, assessments, or other charges or expenses of any kind or amount, or provide anything of value to a labor organization or bargaining representative.

(d) Pay to any charitable organization or third party any amount that is in lieu of, equivalent to, or any portion of dues, fees, assessments, or other charges or expenses required of members of or public employees represented by a labor organization or bargaining representative.

(4) The application of subsection (3) is subject to the following:

(a) Subsection (3) does not apply to any of the following:

(ii) A state police trooper or sergeant who is granted rights under section 5 of article XI of the state constitution of 1963 or any individual who seeks to become employed as a state police trooper or sergeant.

(b) Any person described in subdivision (a), or a labor organization or bargaining representative representing persons described in subdivision (a) and a public employer or this state may agree that all employees in the bargaining unit shall share fairly in the financial support of the labor organization or their exclusive bargaining representative by paying a fee to the labor organization or exclusive bargaining representative that may be equivalent to the amount of dues uniformly required of members of the labor organization or exclusive bargaining representative. Section 9(2) shall not be construed to interfere with the right of a public employer or this state and a labor organization or bargaining representative to enter into or lawfully administer such an agreement as it relates to the employees or persons described in subdivision (a).

(c) If any of the exclusions in subdivision (a)(i) or (ii) are found to be invalid by a court, the following apply:

(i) The individuals described in the exclusion found to be invalid shall no longer be excepted from the application of subsection (3).

(ii) Subdivision (b) does not apply to individuals described in the invalid exclusion.

(5) An agreement, contract, understanding, or practice between or involving a public employer, labor organization, or bargaining representative that violates subsection (3) is unlawful and unenforceable. This subsection applies only to an agreement, contract, understanding, or practice that takes effect or is extended or renewed after March 28, 2013.

(6) The court of appeals has exclusive original jurisdiction over any action challenging the validity of subsection (3), (4), or (5). The court of appeals shall hear the action in an expedited manner.

(7) For fiscal year 2012-2013, \$1,000,000.00 is appropriated to the department of licensing and regulatory affairs to be expended to do all of the following regarding 2012 PA 349:

during the prior calendar year and shall file that verification with the commission. The commission shall make the exclusive bargaining representative's calculations available to the public on the commission's website. The exclusive bargaining representative shall also file a declaration identifying the local bargaining units that are represented. Local bargaining units identified in the declaration filed by the exclusive bargaining representative are not required to file a separate calculation of all expenditures attributed to the costs of collective bargaining, contract administration, and grievance adjustment. For fiscal year 2011-2012, \$100,000.00 is appropriated to the commission for the costs of implementing this subsection. For fiscal year 2014-2015, \$100,000.00 is appropriated to the commission for the costs of implementing this subsection.

(10) Except for actions required to be brought under subsection (6), a person who suffers an injury as a result of a violation or threatened violation of subsection (3) may bring a civil action for damages, injunctive relief, or both. In addition, a court shall award court costs and reasonable attorney fees to a plaintiff who prevails in an action brought under this subsection. Remedies provided in this subsection are independent of and in addition to other penalties and remedies prescribed by this act.

History: Add. 1965, Act 379, Imd. Eff. July 23, 1965;—Am. 1973, Act 25, Imd. Eff. June 14, 1973;—Am. 2012, Act 53, Imd. Eff. Mar. 16, 2012;—Am. 2012, Act 349, Eff. Mar. 28, 2013;—Am. 2014, Act 414, Imd. Eff. Dec. 30, 2014.

Constitutionality: In *Lehnert v Ferris Faculty Association*, 500 US 507; 111 S Ct 1950; 114 L Ed 2d 572 (1991), the United States Supreme Court held that a collective-bargaining unit constitutionally may compel its employees to subsidize only certain union activities. "[I]n determining which activities a union constitutionally may charge to dissenting employees ... chargeable activities must (1) be 'germane' to collective-bargaining activity; (2) be justified by the government's vital policy interest in labor peace and avoiding 'free riders'; and (3) not significantly add to the burdening of free speech that is inherent in the allowance of an agency or union shop."

Ruling on the respondent union's disputed activities, the Court held:

(1) The respondent may not charge the funds of objecting employees for a program designed to secure funds for Michigan public education or for that portion of a union publication that reports on those activities. The Court found none of the activities "to be oriented toward the ratification or implementation of petitioner's collective-bargaining agreement."

(2) The respondent may bill dissenting employees for their share of general collective-bargaining costs of the state or national parent union. The district court had found these costs to be germane to collective bargaining and similar support services; the court agreed with the finding.

(3) The respondent may not charge for the expenses of litigation that does not concern the dissenting employees' bargaining unit or, by extension, union literature reporting on such activities. The Court found extra-unit litigation to be proscribed by the First Amendment of the United States Constitution because it is "more akin to lobbying in both kind and effect" and not germane to a union's activities as an exclusive bargaining agent.

(4) The respondent may not bill for certain public relations activities. The Court states: "[T]he ... activities ... entailed speech of a political nature in a public forum. More important, public speech in support of the teaching profession generally is not sufficiently related to the union's collective-bargaining functions to justify compelling dissenting employees to support it. Expression of this kind extends beyond the negotiation and grievance-resolution contexts and imposes a substantially greater burden upon First Amendment rights ..."

(5) The respondent may charge for those portions of a union publication that concern teaching and education generally, professional development, unemployment, job opportunities, union award programs, and miscellaneous matters. The Court noted that such informational support services are neither political nor public in nature and that expenditures for them benefit all, without additional infringements upon the First Amendment.

(6) The respondent may bill for fees to send delegates to state and national affiliated conventions. The Court found that participation by local members in the formal activities of the parent is an important benefit of affiliation and an essential part of a union's discharge of its duties as a bargaining agent.

(7) The respondent may charge expenses incidental to preparation for a strike which, had it occurred, would have been illegal under Michigan law. The Court, noting that the Michigan Legislature had imposed no restriction, stated there was no First Amendment limitation on such charges. The Court added that such expenses are "substantively indistinguishable from those appurtenant to collective-bargaining negotiations ... enure to the direct benefit of members of the dissenters' unit ... and impose no additional burden upon First Amendment rights."

Compiler's note: Enacting section 1 of Act 349 of 2012 provides:

"Enacting section 1. If any part or parts of this act are found to be in conflict with the state constitution of 1963, the United States constitution, or federal law, this act shall be implemented to the maximum extent that the state constitution of 1963, the United States constitution, and federal law permit. Any provision held invalid or inoperative shall be severable from the remaining portions of this act."

Enacting section 1 of Act 414 of 2014 provides:

"Enacting section 1. 423.210.amended Prohibited conduct by public employer or officer or agent; prohibited conduct by labor organization; verification by independent examiner; declaration identifying local bargaining units; sharing of financial support of bargaining representative; effectiveness; appropriation.

Sec. 10. (1) A public employer or an officer or agent of a public employer shall not do any of the

following:

(a) Interfere with, restrain, or coerce public employees in the exercise of their rights guaranteed in section 9.

(b) Initiate, create, dominate, contribute to, or interfere with the formation or administration of a labor organization. A public employer may allow employees to confer with a labor organization during working hours without loss of time or pay.

(c) Discriminate in regard to hiring, terms, or other conditions of employment to encourage or discourage membership in a labor organization. However, this act or any other law of this state does not preclude a public employer from making an agreement with an exclusive bargaining representative as described in section 11 to require as a condition of employment that all other employees in the bargaining unit pay to the exclusive bargaining representative a service fee equivalent to the amount of dues uniformly required of members of the exclusive bargaining representative.

(d) Discriminate against a public employee because the public employee has given testimony or instituted proceedings under this act.

(e) Refuse to bargain collectively with the representatives of its public employees, subject to section 11.

(2) It is the purpose of 1973 PA 25 to reaffirm the continuing public policy of this state that the stability and effectiveness of labor relations in the public sector require, if the requirement is negotiated with the public employer, that all other employees in the bargaining unit share fairly in the financial support of their exclusive bargaining representative by paying to the exclusive bargaining representative a service fee that may be equivalent to the amount of dues uniformly required of members of the exclusive bargaining representative.

(3) A labor organization or its agents shall not do any of the following:

(a) Restrain or coerce public employees in the exercise of the rights guaranteed in section 9. This subdivision does not impair the right of a labor organization to prescribe its own rules with respect to the acquisition or retention of membership.

(b) Restrain or coerce a public employer in the selection of its representatives for the purposes of collective bargaining or the adjustment of grievances.

(c) Cause or attempt to cause a public employer to discriminate against a public employee in violation of subsection (1)(c).

(d) Refuse to bargain collectively with a public employer, if it is the representative of the public employer's employees, subject to section 11.

(4) By July 1 of each year, each exclusive bargaining representative that represents public employees in this state shall have an independent examiner verify the exclusive bargaining representative's calculation of all expenditures attributed to the costs of collective bargaining, contract administration, and grievance adjustment during the prior calendar year and shall file that verification with the commission. The commission shall make the exclusive bargaining representative's calculations available to the public on the commission's website. The exclusive bargaining representative shall also file a declaration identifying the local bargaining units that are represented. Local bargaining units identified in the declaration filed by the exclusive bargaining representative are not required to file a separate calculation of all expenditures attributed to the costs of collective bargaining, contract administration, and grievance adjustment.

(5) A public employer and a bargaining representative may enter into a collective bargaining agreement that requires all public employees in the bargaining unit to share equally in the financial support of the bargaining representative. This act does not, and a law or policy of a local government must not, prohibit or limit an agreement that requires public employees in the bargaining unit, as a condition of continued employment, to pay to the bargaining representative membership dues or service fees. This subsection becomes effective immediately upon, and applies to the extent permitted by, either of the following:

(a) A decision or ruling by the United States Supreme Court that reverses or limits, in whole or in part, *Janus v AFSCME, Council 31*, ___US___; 138 S Ct 2448 (2018).

(b) The ratification of an amendment to the United States Constitution that restores the ability to require, as a condition of employment, a public employee who is not a member of a bargaining representative to pay, under any circumstances, fees, including agency fees, to the bargaining representative.

(6) For fiscal year 2022-2023, \$1,000,000.00 is appropriated to the department of labor and economic opportunity to be expended to do all of the following regarding the 2023 amendatory act that added this sentence:

(a) Respond to public inquiries regarding the amendatory act.

(b) Provide the commission with sufficient staff and other resources to implement the amendatory act.

(c) Inform public employers, public employees, and bargaining representatives about changes to their rights and responsibilities under the amendatory act.

(d) Any other purposes that the director of the department of labor and economic opportunity determines in the director's sole discretion are necessary to implement the amendatory act.

(3) Collective bargaining between a public school employer and a bargaining representative of its employees shall not include any of the following subjects:

(6) A public school employer's collective bargaining duty under this act and a collective bargaining agreement entered into by a public school employer under this act are subject to all of the following:

(13) An agreement with a collective bargaining unit shall not require a public employer to pay the costs of an independent examiner verification described in section 10(9).

(4) The matters described in subsection (3) are prohibited subjects of bargaining between a public school employer and a bargaining representative of its employees, and, for the purposes of this act, are within the sole authority of the public school employer to decide.

***** 423.215b THIS SECTION IS REPEALED BY ACT 113 OF 2023 EFFECTIVE 91 DAYS AFTER ADJOURNMENT OF THE 2023 REGULAR SESSION SINE DIE *****

423.215b Expiration date of collective bargaining agreement; wages and benefits; levels and amounts; retroactive levels and amounts prohibited; provisions applicable to labor disputes submitted to compulsory arbitration; definitions.

Sec. 15b. (1) Except as otherwise provided in this section, after the expiration date of a collective bargaining agreement and until a successor collective bargaining agreement is in place, a public employer shall pay and provide wages and benefits at levels and amounts that are no greater than those in effect on the expiration date of the collective bargaining agreement. The prohibition in this subsection includes increases that would result from wage step increases. Employees who receive health, dental, vision, prescription, or other insurance benefits under a collective bargaining agreement shall bear any increased costs of maintaining those benefits that occur after the expiration date. The public employer may make payroll deductions necessary to pay the increased costs of maintaining those benefits.

(2) Except as provided in subsection (3) or (4), the parties to a collective bargaining agreement shall not agree to, and an arbitration panel shall not order, any retroactive wage or benefit levels or amounts that are greater than those in effect on the expiration date of the collective bargaining agreement.

(3) For a collective bargaining agreement that expired before June 8, 2011, the requirements of this section apply to limit wages and benefits to the levels and amounts in effect on June 8, 2011.

(4) All of the following apply to a public employee eligible to submit labor disputes to compulsory arbitration under 1969 PA 312, MCL 423.231 to 423.247:

(a) Subsection (1) does not prohibit wage or benefit increases, including step increases, expressly authorized under the expired collective bargaining agreement.

(b) The increase in employee costs for maintaining health, dental, vision, prescription, or other insurance benefits after the collective bargaining contract expiration date that the employee is required to bear under subsection (1) shall not cause the total employee costs for those benefits to exceed the amount of the employee's share under the publicly funded health insurance contribution act, 2011 PA 152, MCL 15.561 to 15.269. If the public employer is exempt from the limitations of that act, the total employee costs for those benefits shall not exceed the higher of the minimum required employee share under section 3 or 4 of the publicly funded health insurance contribution act, 2011 PA 152, MCL 15.563 and 15.264, calculated as if the public employer were subject to that act.

(c) Subsection (2) does not prohibit retroactive application of a wage or benefit increase if the increase is awarded in the decision of the arbitration panel under 1969 PA 312, MCL 423.231 to 423.247, or included in a negotiated bargaining agreement.

(5) As used in this section:

(a) "Expiration date" means the expiration date set forth in a collective bargaining agreement without regard to any agreement of the parties to extend or honor the collective bargaining agreement during pending negotiations for a successor collective bargaining agreement.

(b) "Increased costs" in regard to insurance benefits means the difference in premiums or illustrated rates between the prior year and the current coverage year. The difference shall be calculated based on changes in costs by category of coverage and not on changes in individual employee marital or dependent status.

423.216 Violations of MCL 423.210 as unfair labor practices; remedies; procedures.

Sec. 16. Violations of the provisions of section 10 shall be deemed to be unfair labor practices remediable by the commission in the following manner:

(a) Whenever it is charged that any person has engaged in or is engaging in any such unfair labor practice, the commission, or any agent designated by the commission for such purposes, may issue and cause to be served upon the person a complaint stating the charges in that respect, and containing a notice of hearing before the commission or a commissioner thereof, or before a designated agent, at a place therein fixed, not less than 5 days after the serving of the complaint. No complaint shall issue based upon any unfair labor practice occurring more than 6 months prior to the filing of the charge with the commission and the service of a copy thereof upon the person against whom the charge is made, unless the person aggrieved thereby was prevented from filing the charge by reason of service in the armed forces, in which event the 6-month period shall be computed from the day of his discharge. Any complaint may be amended by the commissioner or agent conducting the hearing or the commission, at any time prior to the issuance of an order based thereon. The person upon whom the complaint is served may file an answer to the original or amended complaint and appear in person or otherwise and give testimony at the place and time fixed in the complaint. In the discretion of the commissioner or agent conducting the hearing or the commission, any other person may be allowed to intervene in the proceeding and to present testimony. Any proceeding shall be conducted pursuant to chapter 4 of Act No. 306 of the Public Acts of 1969, as amended, being sections 24.271 to 24.287 of the Michigan Compiled Laws.

(b) The testimony taken by the commissioner, agent, or the commission shall be reduced to writing and filed with the commission. Thereafter the commission upon notice may take further testimony or hear argument. If upon the preponderance of the testimony taken the commission is of the opinion that any person named in the complaint has engaged in or is engaging in the unfair labor practice, then it shall state its findings of fact and shall issue and cause to be served on the person an order requiring him to cease and desist from the unfair labor practice, and to take such affirmative action including reinstatement of employees with or without back pay, as will effectuate the policies of this act. The order may further require the person to make reports from time to time showing the extent to which he has complied with the order. If upon the preponderance of the testimony taken the commission is not of the opinion that the person named in the complaint has engaged in or is engaging in the unfair labor practice, then the commission shall state its findings of fact and shall issue an order dismissing the complaint. No order of the commission shall require the reinstatement of any individual as an employee who has been suspended or discharged, or the payment to him of any back pay, if the individual was suspended or discharged for cause. If the evidence is presented before a commissioner of the commission, or before examiners thereof, the commissioner, or examiners shall issue and cause to be served on the parties to the proceeding a proposed report, together with a recommended order, which shall be filed with the commission, and if an exception is not filed within 20 days after service thereof upon the parties, or within such further period as the commission may authorize, the recommended order shall become the order of the commission and become effective as prescribed in the order.

(c) Until the record in a case has been filed in a court, the commission at any time, upon reasonable notice and in such manner as it deems proper, may modify or set aside, in whole or in part, any finding or order made or issued by it.

(d) The commission or any prevailing party may petition the court of appeals for the enforcement of the order and for appropriate temporary relief or restraining order, and shall file in the court the record in the proceedings. Upon the filing of the petition, the court shall cause notice thereof to be served upon the person, and thereupon shall have jurisdiction of the proceeding and shall summarily grant such temporary or permanent relief or restraining order as it deems just and proper, enforcing, modifying, enforcing as so modified, or setting aside in whole or in part the order of the commission. No objection that has not been urged before the commission, its commissioner or agent, shall be considered by the court, unless the failure or neglect to urge the objection is excused because of extraordinary circumstances. The findings of the commission with respect to questions of fact if supported by competent, material, and substantial evidence on the record considered as a whole shall be conclusive. If either party applies to the court for leave to present additional evidence and shows to the satisfaction of the court that the additional evidence is material and that there were reasonable grounds for the failure to present it in the hearing before the commission, its commissioner or agent, the court may order the additional evidence to be taken before the commission, its

commissioner or agent, and to be made a part of the record. The commission may modify its findings as to the facts, or make new findings, by reason of additional evidence so taken and filed, and it shall file the modifying or new findings, which findings with respect to questions of fact if supported by competent, material, and substantial evidence on the record considered as a whole shall be conclusive, and shall file its recommendations, if any, for the modification or setting aside of its original order. Upon the filing of the record with it the jurisdiction of the court shall be exclusive and its judgment and decree shall be final, except that the same shall be subject to review by the supreme court in accordance with the general court rules.

(e) Any party aggrieved by a final order of the commission granting or denying in whole or in part the relief sought may within 20 days of such order as a matter of right obtain a review of the order in the court of appeals by filing in the court a petition praying that the order of the commission be modified or set aside, with copy of the petition filed on the commission, and thereupon the aggrieved party shall file in the court the record in the proceeding, certified by the commission. Upon the timely filing of the petition, the court shall proceed in the same manner as in the case of an application by the commission under subsection (d), and shall summarily grant to the commission or to any prevailing party such temporary relief or restraining order as it deems just and proper, enforcing, modifying, enforcing as so modified, or setting aside in whole or in part the order of the commission. The findings of the commission with respect to questions of fact if supported by competent, material, and substantial evidence on the record considered as a whole shall be conclusive. If a timely petition for review is not filed under this subdivision by an aggrieved party, it shall be conclusively presumed that the commission's order is supported by competent, material, and substantial evidence on the record considered as a whole, and the commission or any prevailing party shall be entitled, upon application therefor, to a summary order enforcing the commission's order.

(f) The commencement of proceedings under subdivisions (d) or (e) shall not, unless specifically ordered by the court, operate as a stay of the commission's order.

(g) Petitions filed under subdivisions (d) and (e) shall be heard expeditiously by the court to which presented, and for good cause shown shall take precedence over all other civil matters except earlier matters of the same character.

(h) The commission or any charging party shall have power, upon issuance of a complaint as provided in subdivision (a) charging that any person has engaged in or is engaging in an unfair labor practice, to petition any circuit court within any circuit where the unfair labor practice in question is alleged to have occurred or where such person resides or exercises or may exercise its governmental authority, for appropriate temporary relief or restraining order, in accordance with the general court rules, and the court shall have jurisdiction to grant to the commission or any charging party such temporary relief or restraining order as it deems just and proper.

(i) For the purpose of all hearings and investigations, which in the opinion of the commission are necessary and proper for the exercise of the powers vested in it under this section, the provisions of section 11 of Act No. 176 of the Public Acts of 1939, as amended, being section 423.11 of the Michigan Compiled Laws, shall be applicable, except that subpoenas may issue as provided in section 11 without regard to whether mediation shall have been undertaken.

(j) The labor relations and mediation functions of this act shall be separately administered by the commission.

423.217 Bargaining representative or education association; prohibited conduct; violation of section; "education association" defined.

Sec. 17. (1) A bargaining representative or an education association shall not veto a collective bargaining agreement reached between a public school employer and a bargaining unit consisting of employees of the public school employer; shall not require the bargaining unit to obtain the ratification of an education association before or as a condition of entering into a collective bargaining agreement; and shall not in any other way prohibit or prevent the bargaining unit from entering into, ratifying, or executing a collective bargaining agreement. The power to decide whether or not to enter into, ratify, or execute a collective bargaining agreement with a public school employer rests solely with the members of the bargaining unit who

are employees of the public school employer, and shall not be delegated to a bargaining representative or an education association or conditioned on approval by a bargaining representative or an education association.

(2) If an education association, a bargaining representative, or a bargaining unit violates this section, the board of a public school employer or any other person adversely affected by the violation of this section may bring an action to enjoin the violation of this section in the circuit court for the county in which the plaintiff resides or the circuit court for the county in which the affected public school employer is located. Failure to comply with an order of the court may be punished as contempt. In addition, the court shall award court costs and reasonable attorney fees to a plaintiff who prevails in an action brought under this section.

(3) As used in this section, "education association" means an organization, whether organized on a county, regional, area, or state basis, in which employees of 1 or more public school employers participate and that exists for the common purpose of protecting and advancing the wages, hours, and working conditions of the organization's members.
