

THE FOURTH CLASS CITY ACT (EXCERPT)
Act 215 of 1895

105.24 Verdict confirmed; sums awarded; procedure for collection; assessment; evidence; city purchaser at sale.

Sec. 24. When the verdict of the jury shall have been finally confirmed by the probate court and the time in which to take an appeal has expired, or, if an appeal is taken and the judgment has been confirmed, thereupon the proper and necessary proceedings, in due course, shall be taken for the collection of the sum or sums awarded by the jury. If the council believe that a portion of the city in the vicinity of the proposed improvement will be benefited by such improvement, they may by an entry in their minutes determine that the whole or any just proportion of the compensation awarded by the jury shall be assessed upon the owners or occupants of real estate deemed to be thus benefited, and thereupon they shall, by resolution, fix and determine the district or portion of the city benefited, and specify the amount to be assessed upon the owners or occupants of the taxable real estate therein. The amount of the benefit thus ascertained shall be assessed upon the owners or occupants of such taxable real estate, in proportion, as nearly as may be, to the advantage which such lot, parcel or subdivision is deemed to acquire by the improvement. The assessment shall be made and the amount levied and collected in the same manner and by the same officers and proceedings, as near as may be, as is provided in this act for assessing, levying and collecting the expense of a public improvement when a street is graded. The assessment roll containing said assessments, when ratified and confirmed by the council, shall be final and conclusive and prima facie evidence of the regularity and legality of all proceedings prior thereto, and the assessment therein contained shall be a lien on the premises on which the same is made until payment thereof. Whatever amount or portion of such awarded compensation shall not be raised in the manner herein provided shall be assessed, levied and collected upon the taxable real estate of the municipality, the same as other general taxes are assessed and collected therein. At any sale which takes place of the assessed premises or any portion thereof delinquent for non-payment of the amount assessed and levied thereon, the city may become a purchaser.
