

ACCESS TO DISPOSAL FACILITIES (EXCERPT)
Act 152 of 1976

123.321 Tank disposal facilities maintained by gas station; installation of lock; use of facilities.

Sec. 1. A person, firm, or corporation operating a gas station which maintains tank disposal facilities for trailers, campers, or other recreation or travel vehicles, which facilities are connected directly with sewer systems, shall install a lock on the facilities and permit the use of the facilities only upon the permission of the manager or attendant in charge of the premises.

History: 1976, Act 152, Imd. Eff. June 17, 1976.
