

MICHIGAN PLANNING ENABLING ACT (EXCERPT)
Act 33 of 2008

125.3867 Programs for public structures and improvements; recommendations.

Sec. 67. A planning commission may recommend to the appropriate public officials programs for public structures and improvements and for the financing thereof, regardless of whether the planning commission is exempted from the requirement to prepare a capital improvements program under section 65.

History: 2008, Act 33, Eff. Sept. 1, 2008.
