(1) A municipal security authorized by law to be issued by a municipality may, notwithstanding the provisions of a charter, bear no interest as provided in this section or a rate of interest not to exceed a maximum rate established by the governing body of the issuing municipality as set forth in its resolution or ordinance authorizing the issuance of the municipal security, which rate shall not exceed 18% per annum or a per annum rate determined by the department at the request of the municipality, whichever is higher. In making its determination, the department shall establish a rate that shall bear a reasonable relationship to 80% of the adjusted prime rate determined by the department under section 23 of 1941 PA 122, MCL 205.23. Except as otherwise provided in this section, the rate determined by the department shall be conclusive as to the maximum rate of interest permitted for a municipal security issued under this act.

The amortization of the discount shall be considered interest and shall be within the interest rate limitation set forth in subsection (1).

(3) A municipal security may be sold at a discount exceeding 10% of the principal amount of the municipal security only if 1 or more of the following conditions apply, as determined by the department:

(a) The sale will result in the more even distribution for the municipality of total debt service on proposed and outstanding municipal securities.

(b) The sale will result in an interest cost savings when compared to the best available alternative that does not include a municipal security being sold at a discount exceeding 10% of the principal amount.

(c) The issuance is based on the availability of specific revenues previously pledged for another purpose and lawfully available for this purpose.

(d) The municipal security is issued to this state or the federal government to secure a loan or agreement.

(e) The municipal security is issued pursuant to section 518.

(4) A municipal security issued in accordance with subsection (3)(a), (b), or (c) shall be rated investment grade by a nationally recognized rating agency or have insurance for payment of the principal and interest on the municipal security to the holders of the municipal security.

(5) Notwithstanding any other provision of this section, a municipal security meeting the requirements of subsection (3) that is a refunding security shall not have a maturity that exceeds the maturity of the existing municipal security.

(6) Not more than 25% of the total principal amount of any authorized issue of a municipal security shall meet the qualifications under subsection (3)(a), (b), and (c).

(7) A municipal security may bear no interest if sold in accordance with a federal program by which the holder of the municipal security, as a result of holding the municipal security, may declare a credit against a federal tax.

(8) A municipal security may bear no interest and appreciate as to principal amount if it meets the requirements of subsections (3), (4), and (6). The accreted principal amount of a municipal security shall be considered interest and shall be within the interest rate limitations provided in subsection (1).
