

**MICHIGAN ELECTION LAW (EXCERPT)**  
**Act 116 of 1954**

**168.37a Determination of electronic voting system by clerk; criteria.**

Sec. 37a. The secretary of state shall allow a county clerk, in consultation with the clerk of each city and township located in that county, to determine which electronic voting system will be used in the county as long as the electronic voting system selected meets both of the following criteria:

- (a) The electronic voting system is the same type of electronic voting system as the uniform voting system.
- (b) The electronic voting system is approved and certified as provided in section 795a.
