(2) Proceeds that are commingled with other property are identifiable proceeds to 1 of the following extents:

(a) If the proceeds are goods, to the extent provided by section 9336.

(b) If the proceeds are not goods, to the extent that the secured party identifies the proceeds by a method of tracing, including application of equitable principles, that is permitted under law other than this article with respect to commingled property of the type involved.

(3) A security interest in proceeds is a perfected security interest if the security interest in the original collateral was perfected.

(4) A perfected security interest in proceeds becomes unperfected on the twenty-first day after the security interest attaches to the proceeds unless 1 of the following is met:

(a) All of the following conditions are satisfied:

(i) A filed financing statement covers the original collateral.

(ii) The proceeds are collateral in which a security interest may be perfected by filing in the office in which the financing statement has been filed.

(iii) The proceeds are not acquired with cash proceeds.

(b) The proceeds are identifiable cash proceeds.

(c) The security interest in the proceeds is perfected other than under subsection (3) when the security interest attaches to the proceeds or within 20 days thereafter.

(5) If a filed financing statement covers the original collateral, a security interest in proceeds which remains perfected under subsection (4)(a) becomes unperfected at the later of when the effectiveness of the filed financing statement lapses under section 9515 or is terminated under section 9513, or the twenty-first day after the security interest attaches to the proceeds.

440.9316 Continued perfection of security interest following change in governing law.

Sec. 9316. (1) A security interest perfected pursuant to the law of the jurisdiction designated in section 9301(a) or 9305(3) remains perfected until the earliest of the following:

(a) The time perfection would have ceased under the law of that jurisdiction.

(b) The expiration of 4 months after a change of the debtor's location to another jurisdiction.

(c) The expiration of 1 year after a transfer of collateral to a person that thereby becomes a debtor and is located in another jurisdiction.

(2) If a security interest described in subsection (1) becomes perfected under the law of the other jurisdiction before the earliest time or event described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earliest time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(3) A possessory security interest in collateral, other than goods covered by a certificate of title and as-extracted collateral consisting of goods, remains continuously perfected if all of the following are met:

(a) The collateral is located in 1 jurisdiction and subject to a security interest perfected under the law of that jurisdiction.

(b) Thereafter, the collateral is brought into another jurisdiction.

(c) Upon entry of the collateral into the other jurisdiction, the security interest is perfected under the law of the other jurisdiction.

(4) Except as otherwise provided in subsection (5), a security interest in goods covered by a certificate of title that is perfected by any method under the law of another jurisdiction when the goods become covered by a certificate of title from this state remains perfected until the security interest would have become unperfected under the law of the other jurisdiction had the goods not become so covered.

(5) A security interest described in subsection (4) becomes unperfected as against a purchaser of the goods for value and is deemed never to have been perfected as against a purchaser of the goods for value if the applicable requirements for perfection under section 9311(2) or 9313 are not satisfied before the earlier of the following:

(a) The time the security interest would have become unperfected under the law of the other jurisdiction had the goods not become covered by a certificate of title from this state.

(b) The expiration of 4 months after the goods had become so covered.

(6) A security interest in deposit accounts, letter-of-credit rights, or investment property that is perfected under the law of the bank's jurisdiction, the issuer's jurisdiction, a nominated person's jurisdiction, the securities intermediary's jurisdiction, or the commodity intermediary's jurisdiction, as applicable, remains perfected until the earlier of the following:

(a) The time the security interest would have become unperfected under the law of that jurisdiction.

(b) The expiration of 4 months after a change of the applicable jurisdiction to another jurisdiction.

(7) If a security interest described in subsection (6) becomes perfected under the law of the other jurisdiction before the earlier of the time or the end of the period described in that subsection, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier of that time or the end of that period, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(8) The following rules apply to collateral to which a security interest attaches within 4 months after the debtor changes its location to another jurisdiction:

(a) A financing statement filed before the change pursuant to the law of the jurisdiction designated in section 9301(a) or 9305(3) is effective to perfect a security interest in the collateral if the financing statement would have been effective to perfect a security interest in the collateral had the debtor not changed its location.

(b) If a security interest perfected by a financing statement that is effective under subdivision (a) becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in section 9301(a) or 9305(3) or the expiration of the 4-month period, it remains perfected thereafter. If the security interest does not become perfected under the law of the other jurisdiction before the earlier time or event, it becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

(9) If a financing statement naming an original debtor is filed pursuant to the law of the jurisdiction designated in section 9301(a) or 9305(3) and the new debtor is located in another jurisdiction, the following rules apply:

(a) The financing statement is effective to perfect a security interest in collateral acquired by the new debtor before, and within 4 months after, the new debtor becomes bound under section 9203(4), if the financing statement would have been effective to perfect a security interest in the collateral had the collateral been acquired by the original debtor.

(b) A security interest perfected by the financing statement and which becomes perfected under the law of the other jurisdiction before the earlier of the time the financing statement would have become ineffective under the law of the jurisdiction designated in section 9301(a) or 9305(3) or the expiration of the 4-month period remains perfected thereafter. A security interest that is perfected by the financing statement but which does not become perfected under the law of the other jurisdiction before the earlier time or event becomes unperfected and is deemed never to have been perfected as against a purchaser of the collateral for value.

440.9317 Interests that take priority over or take free of unperfected security interest or agricultural lien.

Sec. 9317. (1) A security interest or agricultural lien is subordinate to the rights of 1 or more of the following:

- (a) A person entitled to priority under section 9322.
- (b) Except as otherwise provided in subsection (5), a person that becomes a lien creditor before the earlier of the following:
 - (i) The time the security interest or agricultural lien is perfected.
 - (ii) The time 1 of the conditions specified in section 9203(2)(c) is met and a financing statement covering the collateral is filed.
- (2) Except as otherwise provided in subsection (5), a buyer, other than a secured party, of tangible chattel paper, tangible documents, goods, instruments, or a certificated security takes free of a security interest or agricultural lien if the buyer gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.
- (3) Except as otherwise provided in subsection (5), a lessee of goods takes free of a security interest or agricultural lien if the lessee gives value and receives delivery of the collateral without knowledge of the security interest or agricultural lien and before it is perfected.
- (4) A licensee of a general intangible or a buyer, other than a secured party, of collateral other than tangible chattel paper, tangible documents, goods, instruments, or a certificated security takes free of a security interest if the licensee or buyer gives value without knowledge of the security interest and before it is perfected.
- (5) Except as otherwise provided in sections 9320 and 9321, if a person files a financing statement with respect to a purchase-money security interest before or within 20 days after the debtor receives delivery of the collateral, the security interest takes priority over the rights of a buyer, lessee, or lien creditor that arise between the time the security interest attaches and the time of filing.

History: 1962, Act 174, Eff. Jan. 1, 1964;—Am. 2000, Act 348, Eff. July 1, 2001;—Am. 2012, Act 87, Eff. July 1, 2013.

Sec. 9318. (1) A debtor that has sold an account, chattel paper, payment intangibles, or promissory note does not retain a legal or equitable interest in the collateral sold.

(2) For purposes of determining the rights of creditors of, and purchasers for value of an account or chattel paper from, a debtor that has sold an account or chattel paper, while the buyer's security interest is unperfected, the debtor is deemed to have rights and title to the account or chattel paper identical to those the debtor sold.

History: 1962, Act 174, Eff. Jan. 1, 1964;—Am. 1978, Act 369, Eff. Jan. 1, 1979;—Am. 2000, Act 348, Eff. July 1, 2001.

440.9319 Rights and title of consignee with respect to creditors and purchasers.

Sec. 9319. (1) Except as otherwise provided in subsection (2), for purposes of determining the rights of creditors of, and purchasers for value of goods from, a consignee, while the goods are in the possession of the consignee, the consignee is deemed to have rights and title to the goods identical to those the consignor had or had power to transfer.

(2) For purposes of determining the rights of a creditor of a consignee, law other than this article determines the rights and title of a consignee while goods are in the consignee's possession if, under this part, a perfected security interest held by the consignor would have priority over the rights of the creditor.

History: Add. 2000, Act 348, Eff. July 1, 2001.

440.9320 Buyer of goods.

Sec. 9320. (1) Except as otherwise provided in subsection (5), a buyer in ordinary course of business, other than a person buying farm products from a person engaged in farming operations, takes free of a security interest created by the buyer's seller, even if the security interest is perfected and the buyer knows of its existence.

(2) Except as otherwise provided in subsection (5), a buyer of goods from a person who used or bought the goods for use primarily for personal, family, or household purposes takes free of a security interest, even if perfected, if the buyer buys without knowledge of the security interest, for value, primarily for the buyer's personal, family, or household purposes, and before the filing of a financing statement covering the goods.

(3) To the extent that it affects the priority of a security interest over a buyer of goods under subsection (2), the period of effectiveness of a filing made in the jurisdiction in which the seller is located is governed by section 9316(1) and (2).

(4) A buyer in ordinary course of business buying oil, gas, or other minerals at the wellhead or minehead or after extraction takes free of an interest arising out of an encumbrance.

(5) Subsections (1) and (2) do not affect a security interest in goods in the possession of the secured party

under section 9313.

(6) Subsections (7) to (14) shall apply in the case of a person buying farm products from a person engaged in farming operations.

(7) If requested by the secured party, a debtor engaged in farming operations who gives a security interest in farm products shall provide to the secured party a written list identifying potential buyers and points of delivery of the farm products. Except as otherwise provided by subsection (8), the number of potential buyers for each commodity shall not exceed 5. If a potential buyer has more than 1 point of delivery, each additional point of delivery shall be counted as a potential buyer.

(8) A debtor engaged in farming operations who provides a written list of potential buyers to a secured party pursuant to subsection (7) shall not sell farm products that secure the debt to a buyer who is not identified on the list without the prior written consent of the secured party. A person who knowingly or intentionally violates this subsection is guilty of a felony, punishable by imprisonment for not more than 3 years or a fine of not more than \$10,000.00, or both. If appropriate given the facts and circumstances of the case, the court shall place the person on probation upon the condition that restitution be made to the secured party. Payment of, or application of the proceeds to, the debt upon which the security interest is based is an absolute defense to a prosecution under this subsection if the payment or application is made prior to commencement of prosecution.

(9) A secured party who is provided with a written list of potential buyers pursuant to subsection (7) may notify buyers identified on the list of the security interest as provided in this subsection. A secured party shall not notify a person not identified on the list, except that the secured party may notify a buyer concerning whom the secured party has given prior written consent pursuant to subsection (8) or to whom the secured party has reasonable cause to believe the debtor is about to sell the farm products. A notice provided pursuant to this subsection shall be in writing and shall be mailed by certified mail or delivered by another method by which receipt can be verified. The notice may be in a form agreed upon in writing by the buyer and the secured party, but in absence of such an agreement the notice shall be an original financing statement or a carbon, photographic, or other reproduction of an original or a statement that contains all of the following:

- (a) The full name and address of the debtor.
- (b) The full name and address of the secured party.
- (c) A description of the collateral.
- (d) The date and location of the filing of the security interest.
- (e) The date and signature of the secured party.

(10) If the debt that is the basis of the security interest is satisfied, the secured party shall notify in writing each potential buyer to whom the secured party sent notice under subsection (9). The notice may be given within a time period agreed upon in writing by the buyer and the secured party, but in absence of such an agreement the notice shall be given within 11 days after the debt is satisfied.

(11) A secured party who does any of the following is guilty of a misdemeanor, punishable by imprisonment for not more than 90 days or a fine of not more than \$1,000.00, or both:

- (a) Knowingly or intentionally gives false or misleading information in a notice provided pursuant to subsection (9).
- (b) Sends notice to a potential buyer other than as permitted in subsection (9).
- (c) Fails to notify a potential buyer of the satisfaction of a debt within the time period prescribed by subsection (10).

(12) A buyer of farm products who receives notice pursuant to subsection (9) of a security interest in the farm products shall make payment for the farm products by check or other instrument made payable to the seller and the secured party jointly, except that payment may be made directly to the secured party if authorized in writing by the seller. This subsection does not apply to any payment or partial payment made before notice under subsection (9) has been received by the buyer. A buyer of farm products who violates this subsection is guilty of a misdemeanor, punishable by imprisonment for not more than 90 days or a fine of not more than \$1,000.00, or both. Payment of the debt upon which the security interest is based is an absolute defense to a prosecution under this subsection if payment is made prior to commencement of prosecution.

(13) As used in subsections (6) to (12), "person buying farm products" or "buyer" includes a commission merchant or selling agent who sells farm products in the ordinary course of business for a person engaged in farming operations.

(14) A buyer in ordinary course of business who receives notice pursuant to subsection (9), who buys farm products from a person engaged in farming operations, and who withholds all or part of the proceeds of the sale from the seller in order to satisfy a debt owed by the seller to the buyer, takes subject to a security interest in those farm products created by the seller, unless the debt owed by the seller to the buyer was secured by a prior perfected security interest. For purposes of this subsection, "debt" does not include the cost of

harvesting; processing, including packaging, freezing, canning, and drying; storing; marketing; or transporting farm products to market.

(15) Except as otherwise provided by subsection (16), a commission merchant or selling agent who sells farm products, in the ordinary course of business, for a person engaged in farming operations is not liable to the holder of a security interest in those farm products even though the security interest is perfected and even though the commission merchant or selling agent knows of its existence.

(16) A commission merchant or selling agent who sells farm products, in the ordinary course of business, for a person engaged in farming operations, and who receives notice pursuant to subsection (9), shall not be protected from liability under subsection (15) if the commission merchant or selling agent withholds from the seller all or part of the proceeds of a sale of the farm products in order to satisfy a debt owed by the seller to the commission merchant or selling agent, unless the debt was secured by a prior perfected security interest. For purposes of this subsection, "debt" does not include the cost of harvesting; processing, including packaging, freezing, canning, and drying; storing; marketing; or transporting farm products to market.

(17) A prosecution under subsections (12) to (14) shall not be commenced after the expiration of 2 years following the date the violation occurred.

Sec. 9321. (1) As used in this section, "licensee in ordinary course of business" means a person that becomes a licensee of a general intangible in good faith, without knowledge that the license violates the rights of another person in the general intangible, and in the ordinary course from a person in the business of licensing general intangibles of that kind. A person becomes a licensee in the ordinary course if the license to the person comports with the usual or customary practices in the kind of business in which the licensor is engaged or with the licensor's own usual or customary practices.

(2) A licensee in ordinary course of business takes its rights under a nonexclusive license free of a security interest in the general intangible created by the licensor, even if the security interest is perfected and the licensee knows of its existence.

(3) A lessee in ordinary course of business takes its leasehold interest free of a security interest in the goods created by the lessor, even if the security interest is perfected and the lessee knows of its existence.

440.9322 Priorities among conflicting security interests in and agricultural liens on same collateral.

Sec. 9322. (1) Except as otherwise provided in this section, priority among conflicting security interests and agricultural liens in the same collateral is determined according to the following rules:

(a) Conflicting perfected security interests and agricultural liens rank according to priority in time of filing or perfection. Priority dates from the earlier of the time a filing covering the collateral is first made or the security interest or agricultural lien is first perfected, if there is no period thereafter when there is neither filing nor perfection.

(b) A perfected security interest or agricultural lien has priority over a conflicting unperfected security interest or agricultural lien.

(c) The first security interest or agricultural lien to attach or become effective has priority if conflicting security interests and agricultural liens are unperfected.

(2) For the purposes of subsection (1)(a), both of the following apply:

(a) The time of filing or perfection as to a security interest in collateral is also the time of filing or perfection as to a security interest in proceeds.

(b) The time of filing or perfection as to a security interest in collateral supported by a supporting obligation is also the time of filing or perfection as to a security interest in the supporting obligation.

(3) Except as otherwise provided in subsection (6), a security interest in collateral that qualifies for priority over a conflicting security interest under section 9327, 9328, 9329, 9330, or 9331 also has priority over a conflicting security interest in 1 or more of the following:

(a) Any supporting obligation for the collateral.

(b) Proceeds of the collateral if all of the following are met:

(i) The security interest in proceeds is perfected.

(ii) The proceeds are cash proceeds or of the same type as the collateral.

(iii) In the case of proceeds that are proceeds of proceeds, all intervening proceeds are cash proceeds, proceeds of the same type as the collateral, or an account relating to the collateral.

(4) Subject to subsection (5) and except as otherwise provided in subsection (6), if a security interest in

chattel paper, deposit accounts, negotiable documents, instruments, investment property, or letter-of-credit rights is perfected by a method other than filing, conflicting perfected security interests in proceeds of the collateral rank according to priority in time of filing.

(5) Subsection (4) applies only if the proceeds of the collateral are not cash proceeds, chattel paper, negotiable documents, instruments, investment property, or letter-of-credit rights.

(6) Subsections (1) through (5) are subject to all of the following:

(a) Subsection (7) and the other provisions of this part.

(b) Section 4210 with respect to a security interest of a collecting bank.

(c) Section 5118 with respect to a security interest of an issuer or nominated person.

(d) Section 9110 with respect to a security interest arising under article 2 or 2A.

(7) A perfected agricultural lien on collateral has priority over a conflicting security interest in or agricultural lien on the same collateral if the statute creating the agricultural lien so provides.

History: Add. 2000, Act 348, Eff. July 1, 2001.

440.9323 Future advances.

Sec. 9323. (1) Except as otherwise provided in subsection (3), for purposes of determining the priority of a perfected security interest under section 9322(1)(a), perfection of the security interest dates from the time an advance is made to the extent that the security interest secures an advance that meets both of the following:

(a) Is made while the security interest is perfected only under 1 of the following:

(i) Under section 9309 when it attaches.

(ii) Temporarily under section 9312(5), (6), or (7).

(b) Is not made pursuant to a commitment entered into before or while the security interest is perfected by a method other than under section 9309 or 9312(5), (6), or (7).

(2) Except as otherwise provided in subsection (3), a security interest is subordinate to the rights of a person that becomes a lien creditor to the extent that the security interest secures an advance made more than 45 days after the person becomes a lien creditor unless the advance is made without knowledge of the lien, or pursuant to a commitment entered into without knowledge of the lien.

(3) Subsections (1) and (2) do not apply to a security interest held by a secured party that is a buyer of accounts, chattel paper, payment intangibles, or promissory notes or a consignor.

(4) Except as otherwise provided in subsection (5), a buyer of goods other than a buyer in ordinary course of business takes free of a security interest to the extent that it secures advances made after the earlier of the following:

(a) The time the secured party acquires knowledge of the buyer's purchase.

(b) Forty-five days after the purchase.

(5) Subsection (4) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the buyer's purchase and before the expiration of the 45-day period.

(6) Except as otherwise provided in subsection (7), a lessee of goods, other than a lessee in ordinary course of business, takes the leasehold interest free of a security interest to the extent that it secures advances made after the earlier of the following:

(a) The time the secured party acquires knowledge of the lease.

(b) Forty-five days after the lease contract becomes enforceable.

(7) Subsection (6) does not apply if the advance is made pursuant to a commitment entered into without knowledge of the lease and before the expiration of the 45-day period.

- (b) The security interest created by the other person was perfected when the debtor acquired the collateral.

History: Add. 2000, Act 348, Eff. July 1, 2001.

440.9326 Priority of security interests created by new debtor.

Sec. 9326. (1) Subject to subsection (2), a security interest that is created by a new debtor in collateral in which the new debtor has or acquires rights and is perfected solely by a filed financing statement that would be ineffective to perfect the security interest but for the application of section 9316(9)(a) or 9508 is subordinate to a security interest in the same collateral that is perfected other than by such a filed financing

statement.

(2) The other provisions of this part determine the priority among conflicting security interests in the same collateral perfected by filed financing statements described in subsection (1). However, if the security agreements to which a new debtor became bound as debtor were not entered into by the same original debtor, the conflicting security interests rank according to priority in time of the new debtor's having become bound.

440.9334 Priority of security interests in fixtures and crops.

Sec. 9334. (1) A security interest under this article may be created in goods that are fixtures or may continue in goods that become fixtures. A security interest does not exist under this article in ordinary building materials incorporated into an improvement on land.

(2) This article does not prevent creation of an encumbrance upon fixtures under real property law.

(3) In cases not governed by subsections (4) through (8), a security interest in fixtures is subordinate to a conflicting interest of an encumbrancer or owner of the related real property other than the debtor.

(4) Except as otherwise provided in subsection (8), a perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest of record in or is in possession of the real property and all of the following are met:

(a) The security interest is a purchase-money security interest.

(b) The interest of the encumbrancer or owner arises before the goods become fixtures.

(c) The security interest is perfected by a fixture filing before the goods become fixtures or within 20 days thereafter.

(5) A perfected security interest in fixtures has priority over a conflicting interest of an encumbrancer or owner of the real property in each of the following circumstances:

(a) If the debtor has an interest of record in the real property or is in possession of the real property, and the security interest is perfected by a fixture filing before the interest of the encumbrancer or owner is of record and has priority over any conflicting interest of a predecessor in title of the encumbrancer or owner.

(b) If before the goods become fixtures, the security interest is perfected by any method permitted by this article and the fixtures are readily removable factory or office machines, readily removable equipment that is not primarily used or leased for use in the operation of the real property, or readily removable replacements of domestic appliances that are consumer goods.

(c) If the conflicting interest is a lien on the real property obtained by legal or equitable proceedings after the security interest was perfected by any method permitted by this article.

(d) If the security interest is created in a manufactured home in a manufactured-home transaction and perfected pursuant to a statute described in section 9311(1)(b).

(6) A security interest in fixtures, whether or not perfected, has priority over a conflicting interest of an encumbrancer or owner of the real property if either of the following is met:

(a) The encumbrancer or owner has, in an authenticated record, consented to the security interest or disclaimed an interest in the goods as fixtures.

(b) The debtor has a right to remove the goods as against the encumbrancer or owner.

(8) A mortgage is a construction mortgage to the extent that it secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land, if a recorded record of the mortgage so indicates. Except as otherwise provided in subsections (5) and (6), a security interest in fixtures is subordinate to a construction mortgage if a record of the mortgage is recorded before the goods become fixtures and the goods become fixtures before the completion of the construction. A mortgage has this priority to the same extent as a construction mortgage to the extent that it is given to refinance a construction mortgage.

(9) A perfected security interest in crops growing on real property has priority over a conflicting interest of an encumbrancer or owner of the real property if the debtor has an interest or record in or is in possession of the real property.

(2) If a security interest is perfected when the collateral becomes an accession, the security interest remains perfected in the collateral.

(3) Except as otherwise provided in subsection (4), the other provisions of this part determine the priority of a security interest in an accession.

(4) A security interest in an accession is subordinate to a security interest in the whole which is perfected by compliance with the requirements of a certificate-of-title statute under section 9311(2).

(5) After default, subject to part 6 of this article, a secured party may remove an accession from other goods if the security interest in the accession has priority over the claims of every person having an interest in the whole.

(6) A secured party that removes an accession from other goods under subsection (5) shall promptly reimburse any holder of a security interest or other lien on, or owner of, the whole or of the other goods, other than the debtor, for the cost of repair of any physical injury to the whole or the other goods. The secured party need not reimburse the holder or owner for any diminution in value of the whole or the other goods caused by the absence of the accession removed or by any necessity for replacing it. A person entitled to reimbursement may refuse permission to remove until the secured party gives adequate assurance for the performance of the obligation to reimburse.

(2) A security interest does not exist in commingled goods as such. However, a security interest may attach to a product or mass that results when goods become commingled goods.

(3) If collateral becomes commingled goods, a security interest attaches to the product or mass.

(4) If a security interest in collateral is perfected before the collateral becomes commingled goods, the security interest that attaches to the product or mass under subsection (3) is perfected.

(5) Except as otherwise provided in subsection (6), the other provisions of this part determine the priority of a security interest that attaches to the product or mass under subsection (3).

(6) If more than 1 security interest attaches to the product or mass under subsection (3), the following rules determine priority:

(a) A security interest that is perfected under subsection (4) has priority over a security interest that is unperfected at the time the collateral becomes commingled goods.

(b) If more than 1 security interest is perfected under subsection (4), the security interests rank equally in proportion to the value of the collateral at the time it became commingled goods.

History: Add. 2000, Act 348, Eff. July 1, 2001.

440.9337 Priority of security interests in goods covered by certificate of title.

If, while a security interest in goods is perfected by any method under the law of another jurisdiction, this state issues a certificate of title that does not show that the goods are subject to the security interest or contain a statement that they may be subject to security interests not shown on the certificate, both of the following apply:

(a) A buyer of the goods, other than a person in the business of selling goods of that kind, takes free of the security interest if the buyer gives value and receives delivery of the goods after issuance of the certificate and without knowledge of the security interest.

(b) The security interest is subordinate to a conflicting security interest in the goods that attaches, and is perfected under section 9311(2), after issuance of the certificate and without the conflicting secured party's knowledge of the security interests.

History: Add. 2000, Act 348, Eff. July 1, 2001.

(a) The security interest or agricultural lien is subordinate to a conflicting perfected security interest in the collateral to the extent that the holder of the conflicting security interest gives value in reasonable reliance upon the incorrect information.

(b) A purchaser, other than a secured party, of the collateral takes free of the security interest or agricultural lien to the extent that, in reasonable reliance upon the incorrect information, the purchaser gives value and, in the case of tangible chattel paper, tangible documents, goods, instruments, or a security

certificate, receives delivery of the collateral.
