

THE MANAGEMENT AND BUDGET ACT (EXCERPT)
Act 431 of 1984

18.1341 Executive state budget; evaluations; review.

Sec. 341. The state budget director shall plan and prepare a comprehensive executive state budget and execute, manage, and control the state budget which is enacted into law. The state budget director shall provide for the evaluation of state programs, planning and evaluation of allocation of state financial resources to programs and activities, and concurrently evaluate administrative management and performance in accordance with approved public policy. The state budget director shall review for cost, program impact, and departmental organization.
