

THE MANAGEMENT AND BUDGET ACT (EXCERPT)
Act 431 of 1984

18.1381 New or expanded programs.

Sec. 381. A state agency shall not establish a new program or expand a current program, from any source of funds, above the level approved in the enacted budget. Proposals for new or expanded programs shall be documented as required and submitted by a state agency to the state budget director for recommendation to the legislature.

History: 1984, Act 431, Eff. Mar. 29, 1985.
