500.2108 Filing of manual or plan; statement of character and extent of coverage; maintaining rates in effect for eligible persons; insurer as member of or subscriber to rating organization; deviations; certification, contents, and public inspection of filing; trade secret; contract or policy to be in accordance with filings; automobile insurance compliance with chapter 24; redlining practices prohibited.

Sec. 2108. (1) On the effective date of a manual of classification, manual of rules and rates, rating plan, or modification of a manual of classification, manual of rules and rates, or rating plan that an insurer proposes to use for home insurance, the insurer shall file the manual or plan with the director. For automobile insurance, an insurer shall file a manual or plan described in this subsection in accordance with subsection (6). Each filing under this subsection must state the character and extent of the coverage contemplated. An insurer that is subject to this chapter and that maintains rates in any part of this state shall at all times maintain rates in effect for all eligible persons meeting the underwriting criteria of the insurer.

(2) An insurer may satisfy its obligation to make filings under subsection (1) by becoming a member of, or a subscriber to, a rating organization licensed under chapter 24 or chapter 26 that makes the filings, and by filing with the director a copy of its authorization of the rating organization to make the filings on its behalf. This chapter does not require an insurer to become a member of or a subscriber to a rating organization. An insurer may file and use deviations from filings made on its behalf. The deviations are subject to this chapter.

(3) A filing under this section must be accompanied by a certification by or on behalf of the insurer that, to the best of the insurer's information and belief, the filing conforms to the requirements of this chapter.

(4) A filing under this section must include information that supports the filing with respect to the requirements of section 2109. The information may include 1 or more of the following:

- (a) The experience or judgment of the insurer or rating organization making the filing.
- (b) The interpretation of the insurer or rating organization of any statistical data it relies on.
- (c) The experience of other insurers or rating organizations.
- (d) Any other relevant information.

(5) Except as otherwise provided in this subsection, the department shall make a filing under this section and any accompanying information open to public inspection on filing. An insurer or a rating organization filing on the insurer's behalf may designate information included in the filing or any accompanying information as a trade secret. The insurer or the rating organization filing on behalf of the insurer shall demonstrate to the director that the designated information is a trade secret. If the director determines that the information is a trade secret, the information is not subject to public inspection and is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246. As used in this subsection, "trade secret" means that term as defined in section 2 of the uniform trade secrets act, 1998 PA 448, MCL 445.1902. However, trade secret does not include filings and information accompanying filings under this section that were subject to public inspection before January 11, 2016.

(6) For automobile insurance, an insurer shall file a manual or plan in accordance with chapter 24, except that the manual or plan must remain on file for a waiting period of 90 days before it becomes effective, which period may not be extended by the director, and the waiting period applies regardless of whether supporting

information is required by the director under section 2406(1). Upon written application by the insurer, the director may authorize a filing that he or she has reviewed to become effective before expiration of the waiting period.

(7) An insurer shall not make, issue, or renew a contract or policy except in accordance with filings that are in effect for the insurer under this chapter.

(8) A filing under this chapter must specify that the insurer will not refuse to insure, refuse to continue to insure, or limit the amount of coverage available because of the location of the risk, and that the insurer recognizes those practices to constitute redlining. An insurer shall not engage in redlining as described in this subsection.

500.2109 Rates for automobile insurance and home insurance; requirements; determining existence of reasonable degree of competition.

Sec. 2109. (1) All rates for automobile insurance and home insurance shall be made in accordance with the following provisions:

(a) Rates shall not be excessive, inadequate, or unfairly discriminatory. A rate shall not be held to be excessive unless the rate is unreasonably high for the insurance coverage provided and a reasonable degree of competition does not exist for the insurance to which the rate is applicable.

(b) A rate shall not be held to be inadequate unless the rate is unreasonably low for the insurance coverage provided and the continued use of the rate endangers the solvency of the insurer; or unless the rate is unreasonably low for the insurance provided and the use of the rate has or will have the effect of destroying competition among insurers, creating a monopoly, or causing a kind of insurance to be unavailable to a significant number of applicants who are in good faith entitled to procure that insurance through ordinary methods.

(c) A rate for a coverage is unfairly discriminatory in relation to another rate for the same coverage if the differential between the rates is not reasonably justified by differences in losses, expenses, or both, or by differences in the uncertainty of loss, for the individuals or risks to which the rates apply. A reasonable justification shall be supported by a reasonable classification system; by sound actuarial principles when applicable; and by actual and credible loss and expense statistics or, in the case of new coverages and classifications, by reasonably anticipated loss and expense experience. A rate is not unfairly discriminatory because it reflects differences in expenses for individuals or risks with similar anticipated losses, or because it reflects differences in losses for individuals or risks with similar expenses.

(2) A determination concerning the existence of a reasonable degree of competition with respect to subsection (1)(a) shall take into account a reasonable spectrum of relevant economic tests, including the number of insurers actively engaged in writing the insurance in question, the present availability of such insurance compared to its availability in comparable past periods, the underwriting return of that insurance over a period of time sufficient to assure reliability in relation to the risk associated with that insurance, and the difficulty encountered by new insurers in entering the market in order to compete for the writing of that insurance.

Sec. 2110. (1) In developing and evaluating rates pursuant to the standards prescribed in section 2109, due consideration shall be given to past and prospective loss experience within and outside this state, to catastrophe hazards, if any; to a reasonable margin for underwriting profit and contingencies; to dividends, savings, or unabsorbed premium deposits allowed or returned by insurers to their policyholders, members, or subscribers; to past and prospective expenses, both countrywide and those specially applicable to this state exclusive of assessments under this code; to assessments under this code; to underwriting practice and judgment; and to all other relevant factors within and outside this state.

(2) The systems of expense provisions included in the rates for use by any insurer or group of insurers may differ from those of other insurers or groups of insurers to reflect the requirements of the operating methods of the insurer or group with respect to any kind of insurance, or with respect to any subdivision or combination thereof for which subdivision or combination separate expense provisions are applicable.

(3) Risks may be grouped by classifications for the establishment of rates and minimum premiums. The classifications may measure differences in losses, expenses, or both.

(iv) Use of a safety belt.

(c) In addition to the factors prescribed in subdivision (a), with respect to collision and comprehensive coverages:

(i) The anticipated cost of vehicle repairs or replacement, which may be measured by age, price, cost new, or value of the insured automobile, and other factors directly relating to that anticipated cost.

(ii) Vehicle make and model.

(iii) Vehicle design characteristics related to vehicle damageability.

(iv) Vehicle characteristics relating to automobile theft prevention devices.

(d) With respect to all automobile insurance coverage other than comprehensive, successful completion by the individual driver or drivers insured under the policy of an accident prevention education course that meets the following criteria:

(i) The course must include a minimum of 8 hours of classroom instruction.

(ii) The course must include, but not be limited to, a review of all of the following:

(A) The effects of aging on driving behavior.

(B) The shapes, colors, and types of road signs.

(C) The effects of alcohol and medication on driving.

(D) The laws relating to the proper use of a motor vehicle.

(E) Accident prevention measures.

(F) The benefits of safety belts and child restraints.

(G) Major driving hazards.

(H) Interaction with other highway users, such as motorcyclists, bicyclists, and pedestrians.

(3) Each insurer shall establish a secondary or merit rating plan for automobile insurance, other than comprehensive coverage. A secondary or merit rating plan required under this subsection must provide for premium surcharges for all coverages for automobile insurance, other than comprehensive coverage, based on any of the following, when that information becomes available to the insurer:

(a) Substantially at-fault accidents.

(b) Convictions for, determinations of responsibility for civil infractions for, or findings of responsibility in probate court for civil infractions for violations under chapter VI of the Michigan vehicle code, 1949 PA 300, MCL 257.601 to 257.750. However, an insured must not be merit rated for a civil infraction under chapter VI of the Michigan vehicle code, 1949 PA 300, MCL 257.601 to 257.750, for a period of time longer than that which the secretary of state's office carries points for that infraction on the insured's motor vehicle record.

(4) An insurer shall not establish or maintain rates or rating classifications for automobile insurance based on any of the following:

(a) Sex.

(b) Marital status.

(c) Home ownership.

(d) Educational level attained.

(e) Occupation.

(f) The postal zone in which the insured resides.

(g) Credit score as provided in section 2162.

(5) Notwithstanding other provisions of this chapter, automobile insurance risks may be grouped by

territory.

(6) This section does not limit insurers or rating organizations from establishing and maintaining statistical reporting territories. This section does not prohibit an insurer from establishing or maintaining, for automobile insurance, a premium discount plan for senior citizens in this state who are 65 years of age or older, if the plan is uniformly applied by the insurer throughout this state. If an insurer has not established and maintained a premium discount plan for senior citizens, the insurer shall offer reduced premium rates to senior citizens in this state who are 65 years of age or older and who drive less than 3,000 miles per year, regardless of statistical data.

(7) Classifications established under this section for home insurance other than inland marine insurance provided by policy floaters or endorsements must be based only on 1 or more of the following factors:

(a) Amount and types of coverage.

(b) Security and safety devices, including locks, smoke detectors, and similar, related devices.

(c) Repairable structural defects reasonably related to risk.

(d) Fire protection class.

(e) Construction of structure, based on structure size, building material components, and number of units.

(f) Loss experience of the insured, based on prior claims attributable to factors under the control of the insured that have been paid by an insurer. An insured's failure, after written notice from the insurer, to correct a physical condition that presents a risk of repeated loss is a factor under the control of the insured for purposes of this subdivision.

(g) Use of smoking materials within the structure.

(h) Distance of the structure from a fire hydrant.

(i) Availability of law enforcement or crime prevention services.

(8) Notwithstanding other provisions of this chapter, home insurance risks may be grouped by territory.

(9) An insurer may use factors in addition to those permitted by this section for insurance if the plan is consistent with the purposes of this act and reflects reasonably anticipated reductions or increases in losses or expenses.

500.2111f Automobile insurance; premium rate reduction requirements for personal protection insurance coverage; approval by director; use of savings; applicability to certain increases; inclusion of catastrophic claims assessment; severability; definitions.

Sec. 2111f. (1) Before July 1, 2020, an insurer that offers automobile insurance in this state shall file premium rates for personal protection insurance coverage for automobile insurance policies effective after July 1, 2020.

(2) Subject to subsections (6) and (7), the premium rates filed as required by subsection (1), and any subsequent premium rates filed by the insurer for personal protection insurance coverage under automobile insurance policies effective before July 2, 2028, must result, as nearly as practicable, in an average reduction per vehicle from the premium rates for personal protection insurance coverage that were in effect for the insurer on May 1, 2019 as follows:

(a) For policies subject to the coverage limits under section 3107c(1)(a), an average 45% or greater reduction per vehicle.

(b) For policies subject to the coverage limits under section 3107c(1)(b), an average 35% or greater reduction per vehicle.

(c) For policies subject to the coverage limits under section 3107c(1)(c), an average 20% or greater reduction per vehicle.

(d) For policies not subject to any coverage limit under section 3107c(1)(d), an average 10% or greater reduction per vehicle.

(3) For a policy under which an election under section 3107d has been made to not maintain coverage for personal protection insurance benefits payable under section 3107(1)(a), or for a policy to which an exclusion under section 3109a(2) applies, the premium rates filed under subsection (1), and any subsequent premium rates filed by the insurer for personal protection insurance coverage, must result in no premium charge for coverage for personal protection insurance benefits payable under section 3107(1)(a).

(4) The director shall review a filing submitted by an insurer under subsections (1) to (3) for compliance with this section. Subject to subsection (7), the director shall disapprove a filing if after review the director determines that the filing does not result in the premium reductions required by subsections (2) and (3).

(5) If the director disapproves a premium rate filing under subsection (4), the insurer shall submit a revised premium rate filing to the director within 15 days after the disapproval. The premium rate filing is subject to review in the same manner as an original premium rate filing under subsection (4).

(6) For policies issued or renewed in the year beginning July 1, 2024 and in the year beginning July 1, 2026, an automobile insurer that offers automobile insurance in this state shall make filings demonstrating its compliance with this section.

(7) At any time, an insurer may apply to the director for approval to file rates that result in a lower premium reduction level or an exemption from the requirements of subsection (2) and the director shall approve the application if the rates otherwise comply with this act and compliance with the premium reductions required by subsection (2) will result in any of the following:

(a) The insurer reaching the company action level risk-based capital.

(b) A violation of the Fourteenth Amendment of the United States Constitution as to the insurer. This subdivision does not apply after July 1, 2023.

(c) A violation of section 17 of article I of the state constitution of 1963, as to deprivation of property without due process. This subdivision does not apply after July 1, 2023.

(8) An insurer shall pass on, in filings to which this section applies, savings realized from the application of section 3157(2) to (12) to treatment, products, services, accommodations, or training rendered to individuals who suffered accidental bodily injury from motor vehicle accidents that occurred before July 2, 2021. An insurer shall provide the director with all documents and information requested by the director that the director determines are necessary to allow the director to evaluate the insurer's compliance with this subsection. After July 1, 2022, the director shall review all rate filings to which this section applies for compliance with this subsection.

(9) This section does not prohibit an increase for any individual insurance policy premium if the increase results from applying rating factors as approved under this chapter, including the requirements of this section.

(10) After July 1, 2020 and before July 2, 2028, an insurer shall not issue or renew an automobile insurance policy in this state unless the premium rates filed by the insurer for personal protection insurance coverage are approved under this section.

(11) For purposes of calculating a personal protection insurance premium or premium rate under this section, the premium must include the catastrophic claims assessment imposed under section 3104.

(12) If subsection (2) or the application of subsection (2) to any insurer is found to be invalid by a court, the remaining portions of the amendatory act that added this section are not severable and shall be deemed invalid and inoperable.

(13) As used in this section:

(a) "Authorized control level RBC" means the number determined under the risk-based capital formula in accordance with the RBC report, including risk-based capital instructions adopted by the National Association of Insurance Commissioners and the director.

(2) In a written notice provided under subsection (1), the insurer shall provide the policyholder with a telephone number and an Internet address, by either of which the policyholder may contact the insurer to request the information listed in subsection (1). On request of the policyholder, the insurer shall provide the policyholder with the requested information in either a written or electronic format, as requested by the policyholder.

(1) A person who has reason to believe that an insurer has improperly denied him or her automobile insurance or home insurance or has charged an incorrect premium for that insurance shall be entitled to a private informal managerial-level conference with the insurer and to a review before the commissioner, if the conference fails to resolve the dispute.

(2) An insurer shall establish reasonable internal procedures to provide a person with a private informal managerial-level conference regarding the matters described in subsection (1). These procedures shall include all of the following:

(a) A method of providing the person, upon request and payment of a reasonable copying charge, with information pertinent to the denial of insurance or to the premium charged.

(b) A method for resolving the dispute promptly and informally, while protecting the interests of both the person and the insurer.

(5) If either the insurer or the person disagrees with a determination of the commissioner under this section, the commissioner, if requested to do so by either party, shall proceed to hear the matter as a contested case under Act No. 306 of the Public Acts of 1969, as amended.

(1) A person or organization aggrieved with respect to any filing which is in effect and which affects the person or organization may make written application to the commissioner for a hearing on the filing. However, the insurer or rating organization which made the filing shall not be authorized to proceed under this subsection. The application shall specify the grounds to be relied upon by the applicant. If the commissioner finds that the application is made in good faith, that the applicant would be so aggrieved if the grounds specified are established, or that the grounds specified otherwise justify holding a hearing, the commissioner, not more than 30 days after receipt of the application, shall hold a hearing in accordance with Act No. 306 of the Public Acts of 1969, as amended, upon not less than 10 days' written notice to the applicant, the insurer, and the rating organization which made the filing.

(2) If after hearing initiated under subsection (1) or upon the commissioner's own motion pursuant to Act No. 306 of the Public Acts of 1969, as amended, the commissioner finds that a filing does not meet the requirements of sections 2109 and 2111, the commissioner shall issue an order stating the specific reasons for that finding. The order shall state when, within a reasonable time after issuance of the order, the filing shall be considered no longer effective. A copy of the order shall be sent to the applicant, if any, and to each insurer and rating organization subject to the order. The order shall not affect a contract or policy made or issued before the date the filing becomes ineffective, as indicated in the commissioner's order.

500.2115 Finding by commissioner that reasonable degree of competition does not exist on statewide basis; order requiring compliance with chapter 24 or 26; hearing; notice; new order.

Sec. 2115. (1) If as part of a decision in a proceeding under section 2114, or in a separate proceeding on the commissioner's own motion, held pursuant to Act No. 306 of the Public Acts of 1969, as amended, the commissioner finds that a reasonable degree of competition does not exist on a statewide basis with respect to automobile insurance or home insurance, the commissioner shall by order require each insurer which transacts that type of insurance in this state to comply with the provisions of chapter 24 or 26, as the case may be, with respect to that insurance which was the subject of the commissioner's finding. The order shall take effect not less than 90 nor more than 150 days after the order is issued. On or after the effective date of an order issued under this subsection, none of the provisions of this chapter shall be applicable to the insurance which was the subject of the order.

(2) After an order issued pursuant to subsection (1) has been in effect for 1 year, if the commissioner has reason to believe that there would be a reasonable degree of price competition for the type of insurance affected by the order, or if, upon the petition of an insurer or a resident of this state, there is a showing that there is reason to believe that there would be a reasonable degree of price competition for that type of insurance, the commissioner shall hold a hearing pursuant to Act No. 306 of the Public Acts of 1969, as amended, to determine if a reasonable degree of price competition would exist if the order were no longer in effect. The hearing shall be held upon not less than 20 days' written notice to each insurer subject to the order and upon not less than 20 days' notice in not less than 3 newspapers of general circulation within this state.

(3) If the commissioner finds after the hearing that a reasonable degree of price competition would exist, the commissioner shall by order state when, not less than 90 nor more than 150 days after issuance of a new order, the preceding order will no longer be effective. On and after the effective date of an order issued under this subsection, the provisions of this chapter shall be applicable to the type of insurance which was the subject of the order.

the forms or types of insurance coverages that are offered by the insurers represented by the agent and that are sought by the eligible person.

(d) On request, submit an application of the eligible person for automobile insurance or home insurance to the insurer selected by the eligible person.

(e) For automobile insurance only, at least annually, supply, with the renewal of a policy, to each insured, unless the information is available from the insurer, all of the following:

500.2117 Home insurance; condition of maintaining insurer's certificate of authority; basis of underwriting rules; provisions applicable to repair cost policy; rates; aggregation of

claims; adjustment of minimum dollar amounts.

Sec. 2117. (1) As a condition of maintaining its certificate of authority, an insurer shall not refuse to insure, refuse to continue to insure, or limit the coverage available to an eligible person for home insurance, except in accordance with underwriting rules established under this section and section 2119.

(2) The underwriting rules that an insurer may establish for home insurance shall be based only on the following:

(a) Criteria identical to the standards set forth in section 2103(2).

(b) The physical condition of the property insured or to be insured, if the underwriting rules are objective, are directly related to the perils insured against, and, without regard to the age of the structure, are based on the specific provisions of a national, state, or local housing and safety code, a manufacturer's specification, or standards of similar specificity. If an applicant or insured obtains a certificate of compliance or habitation issued by an appropriate governmental unit or agency, certifying that a building is in substantial compliance with local housing and safety codes, the certificate creates a rebuttable presumption that the dwelling meets the insurer's underwriting rules relating to physical condition.

(c) For the renewal of a home insurance policy, the claim history of the person insured or to be insured during the 3-year period immediately preceding renewal of the policy, if that history is based on 1 or both of the following:

(i) Claim experience arising out of the insured's negligence.

(ii) Failure by the insured, after written notice from the insurer, to correct a physical condition that is directly related to a paid claim or that presents a clear risk of a significant loss under the property or liability portions of a homeowners policy.

(d) The relationship between market value and replacement cost of a dwelling insured or to be insured for a replacement cost policy, if a repair cost policy is offered by the insurer under subsection (3).

(e) For nonrenewal of a home insurance policy, the claim history under the policy, excluding liability claims, as follows:

(i) If there has been 1 or more of the following:

(A) Three paid claims within the immediately preceding 3-year period totaling \$3,000.00 or more, exclusive of weather-related claims.

(B) Three paid claims within the immediately preceding 3-year period totaling \$4,000.00 or more, including weather-related claims.

(ii) A history of 3 or more paid claims within an immediately preceding 3-year period if the insurer meets all of the following:

(A) Has an underwriting rule under subparagraph (i) in effect.

(B) The underwriting rule under this subparagraph is for a paid claim history that totals not less than the amount in subparagraph (i)(A) exclusive of weather-related claims and totals not less than the amount in subparagraph (i)(B) including weather-related claims.

(C) The underwriting rule under this subparagraph applies to an insured who has had a home insurance policy with the insurer for a continuous minimum period of time as determined by the insurer that may be any period of time between 5 and 10 years.

(f) Whether the number of residences within the dwelling are inconsistent with the policy forms approved by the commissioner for the insurer.

(g) Whether a dwelling has been unoccupied for more than 60 days, if there is evidence of an intent to vacate or keep the premises vacant or unoccupied, as to the applicant or insured.

(h) The existence of an adjacent physical hazard, if the hazard presents a significant risk of loss directly related to the perils insured or to be insured against for which a rate surcharge is not applicable. For purposes of this subdivision only, residential property or traffic patterns shall not be considered to cause a significant risk of loss. Nonrenewals based upon an adjacent physical hazard shall be due to a change in the hazard from that which existed at the original date of issuance of the policy.

(i) The failure of the insured or applicant to purchase an amount of insurance in excess of 80% of the replacement cost of the property to be insured under a replacement cost policy, if both of the following conditions are met:

(i) The purchase of an amount of insurance in excess of 80% of the replacement cost is a condition for sale of the policy.

(ii) The insurer offers in this state at least 1 form of a replacement cost policy for which the insurer requires only a minimum amount of insurance equal to 80% of the replacement cost of the dwelling as a condition of purchase.

(j) One or more incidents involving a threat, harassment, or physical assault by the insured or applicant for

insurance on an insurer employee, agent, or agent employee while acting within the scope of his or her employment, if a report of the incident was filed with an appropriate law enforcement agency.

(3) If an insurer establishes an underwriting rule based on the relationship between the market value and replacement cost under subsection (2)(d), both of the following apply to the repair cost policy:

(a) The insurer shall offer the repair cost policy with deductibles, terms and conditions, perils insured against, and types and amounts of coverage, which are substantially equivalent to the deductibles, terms and conditions, perils insured against, and types and amounts of coverage provided by the replacement cost policy of the insurer, at least equivalent to the HO-2 form replacement cost policy filed and in effect in this state for the principal rating organization as of October 1, 1979.

(b) The insurer shall not use an underwriting rule based on the relationship between the market value and replacement cost for the repair cost policy.

(4) The rates of an insurer for a repair cost policy shall be established so that the premium for a repair cost policy shall not exceed 105% of the premium for an amount of insurance equal to 80% of the replacement cost of the dwelling under the equivalent replacement cost policy described in subsection (3)(a). Premiums for dwellings with identical replacement costs shall vary on a schedule determined by the insurer in accordance with the market value of the dwellings.

(5) Off-premises claims may be aggregated for the purposes of subsection (2)(e), irrespective of the location of the insured dwelling. All claims other than off-premises losses used in a determination for purposes of subsection (2)(e) shall be aggregated only as to an insured dwelling. The minimum dollar amounts prescribed in subsection (2)(e)(i) shall be adjusted on January 1, 2006, and on January 1 of every sixth year thereafter to reflect the aggregate annual average percentage change in the consumer price index since the previous adjustment, rounded to the nearest hundred dollars. As used in this subsection, "consumer price index" means the consumer price index for all urban consumers in the U.S. city average, as most recently reported by the United States department of labor, bureau of labor statistics, and after certification by the commissioner in an administrative bulletin.

500.2118 Automobile insurance; condition of maintaining insurer's certificate of authority; basis of underwriting rules.

Sec. 2118. (1) As a condition of maintaining its certificate of authority, an insurer shall not refuse to insure, refuse to continue to insure, or limit coverage available to an eligible person for automobile insurance, except in accordance with underwriting rules established as provided in this section and sections 2119 and 2120.

(2) The underwriting rules that an insurer may establish for automobile insurance must be based only on the following:

(a) Criteria identical to the standards set forth in section 2103(1).

(b) The insurance eligibility point accumulation in excess of the amounts established by section 2103(1) of a member of the household of the eligible person insured or to be insured, if the member of the household usually accounts for 10% or more of the use of a vehicle insured or to be insured. For purposes of this subdivision, a person who is the principal driver for 1 automobile insurance policy is rebuttably presumed not to usually account for more than 10% of the use of other vehicles of the household not insured under the policy of that person.

(c) With respect to a vehicle insured or to be insured, substantial modifications from the vehicle's original manufactured state for purposes of increasing the speed or acceleration capabilities of the vehicle.

(d) Except as otherwise provided in section 2116a or 2116b, failure by the person to provide proof that insurance required by section 3101 was maintained in force with respect to any vehicle that was both owned by the person and driven or moved by the person or by a member of the household of the person during the 6-month period immediately preceding application. The proof must take the form of a certification by the person on a form provided by the insurer that the vehicle was not driven or moved without maintaining the insurance required by section 3101 during the 6-month period immediately preceding application.

(e) Type of vehicle insured or to be insured, based on 1 of the following, without regard to the age of the vehicle:

(i) The vehicle is of limited production or of custom manufacture.

(ii) The insurer does not have a rate lawfully in effect for the type of vehicle.

(iii) The vehicle represents exposure to extraordinary expense for repair or replacement under comprehensive or collision coverage.

(f) Use of a vehicle insured or to be insured for transportation of passengers for hire, for rental purposes, or for commercial purposes. Rules under this subdivision must not be based on the use of a vehicle for volunteer or charitable purposes or for which reimbursement for normal operating expenses is received.

(g) Payment of a minimum deposit at the time of application or renewal, not to exceed the smallest deposit required under an extended payment or premium finance plan customarily used by the insurer.

(h) For purposes of requiring comprehensive deductibles of not more than \$150.00, or of refusing to insure if the person refuses to accept a required deductible, the claim experience of the person with respect to comprehensive coverage.

(i) Total abstinence from the consumption of alcoholic beverages except if such beverages are consumed as part of a religious ceremony. However, an insurer shall not use an underwriting rule based on this subdivision unless the insurer was authorized to transact automobile insurance in this state before January 1, 1981, and has consistently used such an underwriting rule as part of the insurer's automobile insurance underwriting since being authorized to transact automobile insurance in this state.

(j) One or more incidents involving a threat, harassment, or physical assault by the insured or applicant for insurance on an insurer employee, agent, or agent employee while acting within the scope of his or her employment, if a report of the incident was filed with an appropriate law enforcement agency.

500.2119 Underwriting rules to be in writing; inconsistent transactions prohibited; uniform application of underwriting rules required; adoption of underwriting rules by insurer with more than 1 rating plan; underwriting rules for new applicants and for renewals; filing and public inspection of underwriting rules; order prohibiting use of inconsistent underwriting rule.

Sec. 2119. (1) Each insurer subject to this chapter shall put in writing all underwriting rules used by the insurer. An insurer shall not transact automobile or home insurance inconsistently with its underwriting rules.

(2) An insurer shall apply its underwriting rules uniformly and without exception throughout this state, so that every applicant or insured conforming with the underwriting rules will be insured or renewed, and so that every applicant or insured not conforming with the underwriting rules will be refused insurance or nonrenewed, when the information becomes available to the insurer.

(3) An insurer with more than 1 rating plan for automobile insurance contracts providing identical coverages shall not adopt underwriting rules that would permit a person to be insured, for automobile insurance, under more than 1 of the rating plans.

(4) An insurer may establish underwriting rules for new applicants that are different than rules for renewals of existing insureds only if the applicants or existing insureds are not eligible persons. Underwriting rules pertaining to renewals of existing insureds who are not eligible persons may be based on a contractual obligation of the insurer not to cancel or nonrenew.

(5) For informational purposes, an insurer shall file with the commissioner its underwriting rules before their use in this state. All filed underwriting rules shall be available for public inspection. If the commissioner finds that an underwriting rule is inconsistent with this chapter, the commissioner, after a hearing held under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328, shall by order prohibit further use of the underwriting rule.

(6) This section does not prohibit an insurer from insuring persons who are not eligible persons under underwriting rules established under this section and sections 2117, 2118, and 2120.

Sec. 2120. (1) Affiliated insurers may establish underwriting rules so that each affiliate will provide automobile insurance only to certain eligible persons. This subsection applies only if an eligible person can obtain automobile insurance from 1 of the affiliates. The underwriting rules must be in compliance with this section and sections 2118 and 2119.

(2) An insurer may establish separate rating plans so that certain eligible persons are provided automobile insurance under 1 rating plan and other eligible persons are provided automobile insurance under another rating plan. This subsection applies only if all eligible persons can obtain automobile insurance under a rating plan of the insurer. Underwriting rules consistent with this section and sections 2118 and 2119 must be established to define the rating plan applicable to each eligible person.

(3) Underwriting rules under this section must be based only on the following:

(a) With respect to a vehicle insured or to be insured, substantial modifications from the vehicle's original manufactured state for purposes of increasing the speed or acceleration capabilities of the vehicle.

(b) Except as otherwise provided in section 2116a or 2116b, failure of the person to provide proof that insurance required by section 3101 was maintained in force with respect to any vehicle owned and operated by the person or by a member of the household of the person during the 6-month period immediately preceding application or renewal of the policy. The proof must take the form of a certification by the person that the required insurance was maintained in force for the 6-month period with respect to the vehicle.

(c) For purposes of insuring persons who have refused a deductible lawfully required under section 2118(2)(h), the claim experience of the person with respect to comprehensive coverage.

(d) Refusal of the person to pay a minimum deposit required under section 2118(2)(g).

(e) A person's insurance eligibility point accumulation under section 2103(1)(h), or the total insurance eligibility point accumulation of all persons who account for 10% or more of the use of 1 or more vehicles insured or to be insured under the policy.

(f) The type of vehicle insured or to be insured as provided in section 2118(2)(e).

(a) A condition exists for which the commissioner may suspend, revoke, or limit the authority of the insurer pursuant to section 436, and the commissioner determines that suspension of all or a part of the insurer's obligations would be in the best interests of the public, the insurer, and the policyholders of the insurer.

(b) The insurer requests suspension and the commissioner finds that requiring the insurer to comply with section 2117, 2118, or both would cause the insurer undue financial or administrative hardship.

(2) If an insurer requests suspension and avers that there is an immediate need to cease its compliance with section 2117, 2118, or both, because of undue financial or administrative hardship under subsection (1)(b), the insurer's obligation to comply with section 2117, 2118, or both shall be suspended 10 business days after the insurer has filed the request and supporting documentation with the commissioner, unless within that time, the commissioner holds a hearing and finds that undue hardship under subsection (1)(b) will not be caused by continued compliance.

(2) The exemption granted under this section shall continue indefinitely with respect to an insurer initially qualifying, so long as that insurer experiences no disproportionate growth in premium volume in automobile insurance or home insurance, or changes in the insurer's pattern, location, or contours of that insurance business which indicate that the insurer is utilizing its exemption to take unfair competitive advantage of competing insurers who do not enjoy the benefits of the exemption.
