However, the thumbprint or fingerprint is only required on the record of transaction form retained by the dealer. The dealer or agent shall make a thumbprint or fingerprint available to the local police agency or the department of state police only during the course of a police investigation involving a used motor vehicle part described on the record of transaction. (3) The record of transaction forms of a dealer and each used motor vehicle part received by a dealer as the result of a transaction are open to an inspection by the local police agency and the Michigan state police at all times during the ordinary business hours of the dealer. As a condition of doing business, a dealer is considered to have given consent to the inspection described in this subsection. The record of transaction forms of a dealer are not open to inspection by the general public.
