

MICHIGAN VEHICLE CODE (EXCERPT)
Act 300 of 1949

257.323c Restricted license; issuance by circuit court; limitations; exceptions; condition.

Sec. 323c. (1) A person denied a license to operate a motor vehicle or whose license for that purpose has been suspended by the secretary of state under section 625f has a right to a review of the matter in circuit court as provided in sections 323 and 323a. Except as provided in this section, the court may order the secretary of state to issue to the person a restricted license permitting the person to drive only to and from the person's residence and work location; in the course of the person's employment or occupation; to and from an alcohol or drug education program or treatment program as ordered by a court; to and from the person's residence and the court probation department, or a court-ordered community service program, or both; to and from the person's residence and an educational institution at which the person is enrolled as a student; or pursuant to a combination of these restrictions. The restricted license shall permit the driver to take any driving skills test required by the secretary of state. If the denial, suspension, or revocation of a person's license or vehicle group designation under section 625f occurred in connection with the operation of a commercial motor vehicle, the court shall not order the secretary of state to issue a restricted license that would permit the person to operate a commercial motor vehicle. The court shall not order the secretary of state to issue a restricted operator's or chauffeur's license that would permit a person to operate a commercial motor vehicle hauling hazardous material. The court shall not order the secretary of state to issue a restricted license unless the person states under oath and the court finds that the person is unable to take public transportation to and from his or her work location, place of alcohol or drug education or treatment, or educational institution, and does not have a family member or other person able to provide transportation. The court order and license shall indicate the person's work location and the approved route or routes and permitted times of travel. For purposes of this section, "work location" includes, as applicable, either or both of the following:

- (a) The specific place or places of employment.
- (b) The territory or territories regularly visited by the person in pursuance of the person's occupation.

(2) If the person's license has been suspended pursuant to section 625f within the immediately preceding 7-year period, a restricted license shall not be issued.

(3) Notwithstanding any other provision of this section, the court shall not issue a restricted license to a person who has accumulated over 24 points, as provided in section 320a, within the 2-year period preceding the date of the suspension of his or her license.

(4) Notwithstanding any other provision of this act, the court shall not issue a restricted license to a person to operate a commercial motor vehicle when a vehicle group designation is required to operate that vehicle.
