

MICHIGAN VEHICLE CODE (EXCERPT)
Act 300 of 1949

257.43b "Preliminary oral fluid analysis" defined.

Sec. 43b. "Preliminary oral fluid analysis" means the on-site taking of a preliminary oral fluid test, performed by a certified drug recognition expert, as that term is defined in section 625t, from the oral fluid of a person for the purpose of detecting the presence of a controlled substance, as that term is defined in section 7104 of the public health code, 1978 PA 368, MCL 333.7104.

History: Add. 2016, Act 243, Eff. Sept. 22, 2016.

Compiler's note: Enacting section 1 of Act 243 of 2016 provides:

"Enacting section 1. This amendatory act shall be known and may be cited as the "Barbara J. and Thomas J. Swift Law"."
