

METHAMPHETAMINE REPORTING ACT (EXCERPT)
Act 262 of 2006

28.193 Report to legislature; availability to public.

Sec. 3. (1) The department shall file a written report not later than April 1 of each year with the secretary of the senate and the clerk of the house of representatives using the information obtained under section 2 identifying trends in methamphetamine manufacture, use, and distribution in this state and making recommendations to the legislature regarding possible solutions to those problems.

(2) The department shall make a copy of the report filed under subsection (1) available to the public on the department's website.

History: 2006, Act 262, Eff. Oct. 1, 2006.
