Act 372 of 1927

28.428 Suspension, revocation, or reinstatement of license; notice; surrender of license; order or amended order; entry into law enforcement information network; effect of suspension or revocation order; failure to receive notice.

Sec. 8. (1) The county clerk in the county in which a license was issued to an individual to carry a concealed pistol shall suspend, revoke, or reinstate a license as required under this act if ordered by a court or if the county clerk is notified by a law enforcement agency, prosecuting official, or court of a change in the licensee's eligibility to carry a concealed pistol under this act.

(2) If a county clerk is notified by a law enforcement agency, prosecuting official, or court that an individual licensed to carry a concealed pistol is charged with a felony or charged with a misdemeanor listed in section 5b(7)(h) or (i), the county clerk shall immediately suspend the individual's license until there is a final disposition of the charge for that offense. The county clerk shall send notice by first-class mail in a sealed envelope of that suspension to the individual's last known address as indicated in the records of the county clerk. The notice must include the statutory reason for the suspension, the source of the record supporting that suspension, the length of the suspension, and whom to contact for reinstating the license on expiration of the suspension, correcting errors in the record, or appealing the suspension. If a county clerk suspended a license under this subsection and the individual is acquitted of the charge or the charge is dismissed, the individual shall notify the county clerk who shall automatically reinstate the license if the license is not expired and the individual is otherwise qualified to receive a license to carry a concealed pistol, as verified by the department of state police. A county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(3) The department of state police shall notify the county clerk in the county in which a license was issued to an individual to carry a concealed pistol if the department of state police determines that there has been a change in the individual's eligibility under this act to receive a license to carry a concealed pistol. The county clerk shall suspend, revoke, or reinstate the license as required under this act and immediately send notice of the suspension, revocation, or reinstatement under this subsection by first-class mail in a sealed envelope to the individual's last known address as indicated on the records of the county clerk. The notice must include the statutory reason for the suspension, revocation, or reinstatement, the source of the record supporting the suspension, revocation, or reinstatement, the length of the suspension or revocation, and whom to contact for correcting errors in the record, appealing the suspension or revocation, and reapplying for that individual's license. The department of state police shall immediately enter that suspension, revocation, or reinstatement into the law enforcement information network.

(4) If a suspension is imposed under this section, the suspension must be for a period stated in years, months, or days, or until the final disposition of the charge, and state the date the suspension will end, if applicable. The licensee shall promptly surrender the individual's license to the county clerk after being notified that the individual's license has been revoked or suspended. An individual who fails to surrender a license as required under this subsection after the individual was notified that the individual's license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(5) Except as otherwise provided in subsections (2) and (6), if a license is suspended under this section and that license was surrendered by the licensee, upon expiration of the suspension period, the applicant may apply for a renewal license in the same manner as provided under section 5l. The county clerk or department of state police, as applicable, shall issue the applicant a receipt for the individual's application at the time the application is submitted. The receipt must contain all of the following:

- (a) The name of the applicant.
- (b) The date and time the receipt is issued.
- (c) The amount paid.
- (d) The applicant's state-issued driver license or personal identification card number.
- (e) The statement, "This receipt was issued for the purpose of applying for a renewal of a concealed pistol license following a period of suspension or revocation. This receipt does not authorize an individual to carry a concealed pistol in this state."
- (f) The name of the county in which the receipt is issued, if applicable.
- (g) An impression of the county seal, if applicable.

(6) If a license is suspended because of an order under section 5b(7)(d)(iii) or 5b(7)(d)(vi) and that license was surrendered by the licensee, upon expiration of the order and notification to the county clerk, the county clerk shall automatically reinstate the license if the license is not expired and the department of state police

has completed the verification required under section 5b(6). The county clerk shall not charge a fee for the reinstatement of a license under this subsection.

(7) If the court orders a county clerk to suspend, revoke, or reinstate a license under this section or amends a suspension, revocation, or reinstatement order, the county clerk shall immediately notify the department of state police in a manner prescribed by the department of state police. The department of state police shall enter the order or amended order into the law enforcement information network.

(8) A suspension or revocation order or amended order issued under this section is immediately effective. However, an individual is not criminally liable for violating the order or amended order unless the individual has received notice of the order or amended order.

(9) If an individual is carrying a pistol in violation of a suspension or revocation order or amended order issued under this section but has not previously received notice of the order or amended order, the individual must be informed of the order or amended order and be given an opportunity to properly store the pistol or otherwise comply with the order or amended order before an arrest is made for carrying the pistol in violation of this act.

(10) If a law enforcement agency or officer notifies an individual of a suspension or revocation order or amended order issued under this section who has not previously received notice of the order or amended order, the law enforcement agency or officer shall enter a statement into the law enforcement information network that the individual has received notice of the order or amended order under this section.
