

GRADE A MILK LAW OF 2001 (EXCERPT)
Act 266 of 2001

288.472 Definitions; A.

Sec. 2. As used in this act:

(a) "Adulterated" means food or milk to which any of the following apply:

(i) It bears or contains any poisonous or deleterious substance that may render it injurious to health except that, if the substance is not an added substance, the food or milk is not considered adulterated if the quantity of that substance in the food or milk does not ordinarily render it injurious to health.

(ii) It bears or contains any added poisonous or added deleterious substance, other than a substance that is a pesticide chemical in or on a raw agricultural commodity; a food additive; or a color additive considered unsafe within the meaning of subparagraph (v).

(iii) It is a raw agricultural commodity that bears or contains a pesticide chemical considered unsafe within the meaning of subparagraph (v).

(iv) It bears or contains any food additive considered unsafe within the meaning of subparagraph (v) provided that where a pesticide chemical has been used in or on a raw agricultural commodity in conformity with an exemption granted or tolerance prescribed under subparagraph (v) and the raw agricultural commodity has been subjected to processing the residue of that pesticide chemical remaining in or on that processed food is, notwithstanding the provisions of subparagraph (v) and this subdivision, not be considered unsafe if that residue in or on the raw agricultural commodity has been removed to the extent possible in good manufacturing practice and if the concentration of that residue in the processed food when ready to eat is not greater than the tolerance prescribed for the raw agricultural commodity.

(v) Any added poisonous or deleterious substance, any food additive, and pesticide chemical in or on a raw agricultural commodity, or any color additive is considered unsafe for the purpose of application of this definition, unless there is in effect a federal regulation or exemption from regulation under the federal act, meat inspection act, poultry product inspection act, or other federal acts, or a rule adopted under this act limiting the quantity of the substance, and the use or intended use of the substance, and the use or intended use of the substance conforms to the terms prescribed by the rule.

(vi) It is or contains a new animal drug or conversion product of a new animal drug that is unsafe within the meaning of section 512 of the federal act, 21 USC 360b.

(vii) It consists in whole or in part of a diseased, contaminated, filthy, putrid, or decomposed substance or it is otherwise unfit for food.

(viii) It has been produced, prepared, packed, or held under insanitary conditions in which it may have become contaminated with filth or in which it may have been rendered diseased, unwholesome, or injurious to health.

(ix) It is the product of a diseased animal or an animal that has died other than by slaughter or that has been fed uncooked garbage or uncooked offal from a slaughterhouse.

(x) Its container is composed, in whole or in part, of any poisonous or deleterious substance that may render the contents injurious to health.

(xi) A valuable constituent has been in whole or in part omitted or abstracted from the food; a substance has been substituted wholly or in part for the food; damage or inferiority has been concealed in any manner; or a substance has been added to the food or mixed or packed with the food so as to increase its bulk or weight, reduce its quality or strength, or make it appear better or of greater value than it is.

(xii) It is confectionery and has partially or completely imbedded in it any nonnutritive object except in the case of any nonnutritive object if, as provided by rules, the object is of practical functional value to the confectionery product and would not render the product injurious or hazardous to health; it bears or contains any alcohol other than alcohol not in excess of 1/2 of 1% by volume derived solely from the use of flavoring extracts; or it bears or contains any nonnutritive substance except a nonnutritive substance such as harmless coloring, harmless flavoring, harmless resinous glaze not in excess of 4/10 of 1%, harmless natural wax not in excess of 4/10 of 1%, harmless natural gum and pectin or to any chewing gum by reason of its containing harmless nonnutritive masticatory substances which is in or on confectionery by reason of its use for some practical functional purpose in the manufacture, packaging, or storage of such confectionery if the use of the substance does not promote deception of the consumer or otherwise result in adulteration or misbranding in violation of the provisions of this act. For the purpose of avoiding or resolving uncertainty as to the application of this subdivision, the director may issue rules allowing or prohibiting the use of particular nonnutritive substances.

(xiii) It is or bears or contains any color additive that is unsafe within the meaning of subparagraph (v).

(xiv) It has been intentionally subjected to radiation, unless the use of the radiation was in conformity with

a rule or exemption under this act or a regulation or exemption under the federal act.

(xv) It is bottled water that contains a substance at a level higher than allowed under this act.

(b) "Advertise" or "advertisement" means a representation disseminated in any manner or by any means, other than by labeling, for the purpose of inducing, or is likely to induce, directly or indirectly, the purchase of milk or milk products.

(c) "Approved laboratory" means a laboratory that is listed in the national conference of interstate milk shipments list of sanitation compliance and enforcement ratings distributed by the United States food and drug administration and as approved by the director.

(d) "Approved sample container" means a presterilized, suitable nontoxic single service container of adequate size that complies with the requirements of standard methods.

(e) "Audited financial statement" means a fiscal year end financial statement prepared by a certified public accountant according to generally accepted accounting principles.
