

**FOOD LAW (EXCERPT)**  
**Act 92 of 2000**

**289.6129 Consideration of risk-based evaluation methodology; evaluation report; priority items or priority foundation items; correction.**

Sec. 6129. (1) The director shall consider the risk-based evaluation methodology as described in food code annex 5, section 4 A-H for conducting evaluations of food establishments.

(2) The completed evaluation report shall specify a period of time for correction of noted violations. The license holder shall correct the violations within the time specified in the report.

(3) All violations which are marked as priority items or priority foundation items on the evaluation report form shall be corrected immediately unless otherwise specified. The director shall confirm corrections within 30 days after the report is issued. However, if not more than 2 priority foundation item violations are noted and the director determines that the violations are not a risk to food safety, the director may confirm correction of the priority foundation item violations at the next routine evaluation.
