257.2a "Automotive recycler" defined.

Sec. 2a. "Automotive recycler" means a person who engages in business primarily for the purpose of selling at retail salvage vehicle parts and secondarily for the purpose of selling at retail salvage motor vehicles or manufacturing or selling a product of gradable scrap metal.

History: Add. 1993, Act 300, Eff. Jan. 1, 1994.

257.2b Additional definitions.

Sec. 2b. (1) "Automated driving system" means hardware and software that are collectively capable of performing all aspects of the dynamic driving task for a vehicle on a part-time or full-time basis without any supervision by a human operator.

(2) "Automated motor vehicle" means a motor vehicle on which an automated driving system has been installed, either by a manufacturer of automated driving systems or an upfitter that enables the motor vehicle to be operated without any control or monitoring by a human operator. Automated motor vehicle does not include a motor vehicle enabled with 1 or more active safety systems or operator assistance systems, including, but not limited to, a system to provide electronic blind spot assistance, crash avoidance, emergency braking, parking assistance, adaptive cruise control, lane-keeping assistance, lane departure warning, or traffic jam and queuing assistance, unless 1 or more of these technologies alone or in combination with other systems enable the vehicle on which any active safety systems or operator assistance systems are installed to operate without any control or monitoring by an operator.

(3) "Automated technology" means technology installed on a motor vehicle that has the capability to assist, make decisions for, or replace a human operator.

(4) "Automated vehicle roadway" means a segment of a roadway that has been designated by the state transportation department for an automated vehicle roadway system.

(5) "Automated vehicle roadway lane" means any lane or ramp on an automated vehicle roadway designated for the exclusive use of motor vehicles by the state transportation department as described under section 665c.

(6) "Automated vehicle roadway system" means a hardware and software system that is capable of facilitating the deployment and operation of an automated motor vehicle or a vehicle equipped with varying levels of automated technology while traveling through a segment of roadway that has been designated for such a system by the state transportation department.

(7) "Automated vehicle roadway system provider" means an entity that designs, installs, constructs, operates, or maintains an automated vehicle roadway system.

(8) "Automatic crash notification technology" means a vehicle service that integrates wireless communications and vehicle location technology to determine the need for or to facilitate emergency medical response in the event of a vehicle crash.

(9) "Dynamic driving task" means all of the following, but does not include strategic aspects of a driving task, including, but not limited to, determining destinations or waypoints:

(a) Operational aspects, including, but not limited to, steering, braking, accelerating, and monitoring the vehicle and the roadway.

(b) Tactical aspects, including, but not limited to, responding to events, determining when to change lanes, turning, using signals, and other related actions.

(10) "Manufacturer of automated driving systems" means a manufacturer or subcomponent system producer recognized by the secretary of state that develops or produces automated driving systems or

automated vehicles.

(11) "Mobility research center" means a nonprofit entity that has the ability to receive and accept from any federal, state, or municipal agency, foundation, public or private agency, entity, or individual a grant, contribution, or loan for or in aid of the planning, construction, operation, upgrade, or financing of a facility for testing advanced transportation systems, including, but not limited to, connected or automated technology or automated motor vehicles to increase mobility options.

(12) "Motor vehicle manufacturer" means a person that has manufactured and distributed motor vehicles in the United States that are certified to comply with all applicable federal motor vehicle safety standards and that has submitted appropriate manufacturer identification information to the National Highway Traffic Safety Administration as provided in 49 CFR part 566. As used in this section, section 665a, and section 665b only, motor vehicle manufacturer also includes a person that satisfies all of the following:

(a) Has manufactured automated motor vehicles in the United States that are certified to comply with all applicable federal motor vehicle safety standards.

(b) Has operated automated motor vehicles using a test driver and with an automated driving system engaged on public roads in the United States for at least 1,000,000 miles.

(c) Has obtained an instrument of insurance, surety bond, or proof of self-insurance in the amount of at least \$10,000,000.00, and has provided evidence of that insurance, surety bond, or self-insurance to the department in a form and manner required by the department.

(13) "On-demand automated motor vehicle network" means a digital network or software application used to connect passengers to automated motor vehicles, not including commercial motor vehicles, in participating fleets for transportation between points chosen by passengers, for transportation between locations chosen by the passenger when the automated motor vehicle is operated by the automated driving system.

(14) "Participating fleet" means any of the following:

(a) Vehicles that are equipped with automated driving systems that are operating on the public roads and highways of this state in a SAVE project as provided in section 665b.

(b) Vehicles that are supplied or controlled by a motor vehicle manufacturer, and that are equipped with automated driving systems that are operating on the public roads and highways of this state in an on-demand automated motor vehicle network.

(15) "SAVE project" means an initiative that authorizes eligible motor vehicle manufacturers to make available to the public on-demand automated motor vehicle networks as provided in section 665b.

(16) "Upfitter" means a person that modifies a motor vehicle after it was manufactured by installing an automated driving system in that motor vehicle to convert it to an automated motor vehicle. Upfitter includes a subcomponent system producer recognized by the secretary of state that develops or produces automated driving systems.

Sec. 14. (1) Except as provided in subsections (2), (3), and (4), "established place of business" means premises actually occupied either continuously or at regular periods by a dealer or manufacturer at which the dealer or manufacturer keeps its books and records and at which the dealer or manufacturer transacts a large share of its business.

(2) For a class (a) or class (b) dealer, "established place of business" means premises that meet all of the following requirements:

(a) The premises contain, except as otherwise provided in this act, a permanently enclosed building or structure that is either owned, leased, or rented by the dealer; the building or structure is not a residence, tent,

temporary stand, or any temporary quarters; the building or structure is continuously occupied in good faith for the purpose of selling, buying, trading, leasing, or otherwise dealing in motor vehicles; all books, records, and files necessary to conduct the business of a class (a) or class (b) dealer are maintained in the building or structure; and the building or structure houses an office of at least 150 square feet in size, equipped with standard office furniture, working utilities, a working restroom, and a working telephone listed in the name of the business on the dealer's license.

(b) The premises have land space of not less than 1,300 square feet to accommodate the display of a minimum of 10 vehicles of the kind and type that the dealer is licensed to sell and an additional 650 square feet for customer parking.

(c) The display and customer parking areas described in subdivision (b) are adequately surfaced and well-lit during business hours.

(d) The premises are identified by an exterior sign displaying the name of the dealership that is permanently affixed to the building or land with letters clearly visible from the roadway.

(e) The premises contain a conspicuous posting of the dealer's regular hours of operation. The posted hours must not be less than 30 hours per week for not less than 48 weeks per year. Fifteen of the 30 hours per week must be between the hours of 8 a.m. and 5 p.m., Monday through Friday. The dealer may change its posted hours of operation to be less than 30 hours per week for not more than 4 weeks per year if the dealer notifies the department not less than 7 days prior to the change. The department shall waive the 7-day notification requirement under this subdivision for good cause, including, but not limited to, a medical emergency or other extenuating circumstances.

(f) The premises contain a registered repair facility on site for the repair and servicing of motor vehicles of a type sold at the established place of business, unless the dealer has entered into a written servicing agreement with a registered repair facility at a location that is located within a 10-mile radius of the established place of business. If repairs are conducted under a servicing agreement, the dealer shall conspicuously post the servicing agreement in the dealer's office.

(g) The premises meet all applicable zoning requirements and any other applicable municipal requirements.

(3) For a wholesaler, "established place of business" means premises that meet all of the following requirements:

(a) The premises contain a permanently enclosed building or structure that is either owned, leased, or rented and is not a commercial mailbox, tent, temporary stand, or other temporary quarters. Beginning January 1, 2024, the permanently enclosed building or structure must be heated and electrified.

(b) Until December 31, 2023, all books, records, and files necessary to conduct the business of the wholesaler are maintained in the building or structure described in subdivision (a). Beginning January 1, 2024, all books, records, and files necessary to conduct the business of the wholesaler are maintained in an office that meets all of the following requirements:

(i) Is not less than 8 feet by 8 feet with a door.

(ii) Has no fewer than 4 rigid walls.

(iii) Has working utilities including, but not limited to, lighting and telephone that are listed in the name of the business on the wholesaler's license.

(iv) Has a working restroom.

(v) Has standard office furniture including, but not limited to, a desk and a locking filing cabinet.

(c) The premises are not used for the display of vehicles. However, the premises may be used for the storage of vehicles purchased by the wholesaler before sale to a licensed vehicle dealer.

(d) The premises are identified by an exterior sign displaying the name of the wholesaler that is permanently affixed to the building or land with letters clearly visible from the roadway.

(e) The premises meet all applicable zoning requirements and any other applicable municipal requirements.

(f) The premises contain a conspicuous posting of the wholesaler's regular hours of operation that include at least 15 regular business hours each week between the hours of 8 a.m. and 5 p.m., Monday through Friday.

(g) If a wholesaler receives its initial license on or after January 1, 2023, the premises are not located within 200 feet of an established place of business for another licensed wholesaler.

(4) For a used or secondhand vehicle parts dealer, vehicle scrap metal processor, vehicle salvage pool operator, distressed vehicle transporter, broker, and automotive recycler, "established place of business" means premises that meet all of the following requirements:

(a) Beginning January 1, 2024, the premises contain a permanently enclosed building or structure that is heated and electrified and that is either owned, leased, or rented by the business and that is not a commercial mailbox, tent, temporary stand, or other temporary quarters.

(b) Beginning January 1, 2024, all books, records, and files necessary to conduct the business of the dealer,

processor, operator, transporter, broker, or recycler are maintained in an office that meets all of the following requirements:

- (i) Is not less than 8 feet by 8 feet with a door.
- (ii) Has no fewer than 4 rigid walls.
- (iii) Has working utilities including, but not limited to, lighting and telephone that are listed in the name of the business on the dealer's, processor's, operator's, transporter's, broker's, or recycler's license.
- (iv) Has a working restroom.
- (v) Has standard office furniture including, but not limited to, a desk and a locking filing cabinet.
- (c) The premises are identified by an exterior sign displaying the name of the dealer, processor, operator, transporter, broker, or recycler that is permanently affixed to the building or land with letters clearly visible from the roadway.
- (d) The premises meet all applicable zoning requirements and any other applicable municipal requirements.
- (e) The premises contain a conspicuous posting of the business's regular hours of operation. The posted hours must not be less than 15 hours per week for not less than 48 weeks per year. Five of the 15 hours per week must be between the hours of 8 a.m. and 5 p.m., Monday through Friday.
