

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.11526 Inspection of managed materials transporting unit; determination; administration; inspections.

Sec. 11526. (1) The department, a local health officer, or a law enforcement officer of competent jurisdiction may inspect a managed materials transporting unit that is being used to transport managed materials along a public road to determine any of the following:

(a) If the managed materials transporting unit is designed, maintained, and operated in a manner to prevent littering.

(b) If the owner or operator of the managed materials transporting unit is performing in compliance with part 115.

(2) To protect the environment, natural resources, and the public health, safety, and welfare from items and substances being illegally disposed of in landfills in this state, the department shall do all of the following:

(a) Ensure that each materials management facility is in full compliance with part 115.

(b) Provide for the inspection, for compliance with part 115, of each licensed disposal area at least 4 times annually and each materials utilization facility that is approved under a general permit or registered under part 115 at least once annually. Each inspection shall be conducted by the department or a health officer. The department or the health officer shall do both of the following:

(i) Prepare a written inspection report.

(ii) Submit a copy of the inspection report to the municipality in which the licensed disposal area is located if the municipality arranges with the department or the health officer to pay the cost of duplicating and mailing the reports.

(c) Ensure that all persons disposing of solid waste are doing so in compliance with part 115.

(3) The department and the department of state police may conduct random inspections of waste being transported to a materials management facility in this state. Inspections under this subsection may be conducted during transportation or at the materials management facility.

(4) An inspection described in this section may also be conducted upon receipt of a complaint or as the department determines to be necessary to ensure compliance with part 115.
