

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.11584 Flow of solid waste or managed material; control requirements; departmental duties; database.

Sec. 11584. (1) A county, municipality, authority, or regional planning agency that owns or operates a materials management facility may adopt requirements controlling the flow of solid waste or managed material to the materials management facility, to the extent allowed by the interstate commerce clause, clause 3 of section 8 of article I of the Constitution of the United States.

(2) The county board of commissioners may ensure that the necessary materials management authorizations or fees or any other regulatory ordinances or agreements needed to achieve the materials management goals are in effect.

(3) The department shall do all of the following:

(a) Maintain a database for materials management facilities to report to the department information, as determined by the department, required under part 115.

(b) Provide materials management facilities with instructions necessary to add information to the database.

(c) Provide CAAs access to information in the database.
