Act 451 of 1994

324.30929 Lake board for inland lake; dissolution.

Sec. 30929. A lake board for an inland lake is dissolved if all of the following requirements are met:

(a) The governing body of each local unit of government in which all or part of the lake is located holds a public hearing on the proposed dissolution, determines that the lake board is no longer necessary for the improvement of the lake because the reasons for the establishment of the lake board no longer exist, and approves the dissolution of the lake board. For a public inland lake, the governing body of each local unit of government in which all or part of the lake is located may hold the public hearing on the dissolution of the lake board on its own initiative. For a public or private inland lake, the governing body of each local unit of government in which all or part of the lake is located shall hold a public hearing on the dissolution of the lake board upon petition of at least 2/3 of the property owners owning land abutting the lake or upon petition of the property owners who have been assessed at least 2/3 of the cost of the most recent improvements, excluding the amount assessed to local units at large. Notice of the public hearing shall be published twice in a newspaper of general circulation in each local unit of government in which all or part of the lake is located. The first notice shall be published not less than 10 days before the date of the hearing.

(b) All outstanding indebtedness and expenses of the lake board are paid in full.

(c) Any excess funds of the lake board are refunded based on the last approved special assessment roll. However, if the amount of excess funds is de minimis, the excess funds shall be distributed to the local units of government in which all or part of the lake is located, apportioned based on the amounts assessed against each local unit of government and lands in that local unit on the last approved special assessment roll.

(d) The lake board determines that it is no longer necessary for the improvement of the lake, because the reasons for its establishment no longer exist, and adopts an order approving its dissolution.
