

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.32706 Development of internet-based online registration process; registration; required statement and supporting documentation.

Sec. 32706. (1) Not later than 1 year after the effective date of the amendatory act that amended this section, the department shall develop and implement an internet-based online registration process that may be used for registrations under section 32705. The online registration process shall be designed to work in conjunction with the assessment tool.

(2) Each registration under this part shall include both of the following:

(a) A statement and supporting documentation that includes all of the following:

(i) The place and source of the proposed withdrawal.

(ii) The location of any discharge or return flow associated with the proposed withdrawal.

(iii) The location and nature of the proposed water use.

(iv) The capacity of the equipment used for making the proposed withdrawal.

(v) The estimated average annual and monthly volumes and rate of the proposed withdrawal.

(vi) The estimated average annual and monthly volumes and rates of consumptive use from the proposed withdrawal.

(b) Beginning 1 year after the effective date of the amendatory act that added this subdivision, for a new or increased large quantity withdrawal from a stream or river or groundwater, the determination from the use of the assessment tool under section 32706b or the determination from a site-specific review, as appropriate.
