**Act 451 of 1994**

**324.36108 Special assessments.**

Sec. 36108. (1) A city, village, township, county, or other governmental agency shall not impose special assessments for sanitary sewers, water, lights, or nonfarm drainage on land for which a development rights agreement or easement has been recorded, except for years before 1995 as to a dwelling or a nonfarm structure located on the land, unless the assessments were imposed before the recording of the development rights agreement or easement.

(2) Land covered by this exemption shall be denied use of an improvement created by the special assessment until it has paid that portion of the special assessment directly attributable to the actual use of the improvement created by the special assessment.

(3) Upon termination of a development rights agreement or easement that has been exempt from a special assessment under this section, a city, village, township, county, or other governmental agency may impose the previously exempted special assessment. However, the amount of that special assessment shall not exceed the amount the special assessment would have been at the initial time of exemption, and shall not be subject to interest or penalty.

(4) If a dwelling or a nonfarm structure located on land covered by a development rights agreement or easement is required under the public health code, Act No. 368 of the Public Acts of 1978, being sections 333.1101 to 333.25211 of the Michigan Compiled Laws, to connect to an improvement created by a special assessment, the owner of that dwelling or nonfarm structure shall pay only that portion of the special assessment directly attributable to the actual use of the improvement created by the special assessment.
