- (o) "Resident" means either of the following:
 - (i) A person who resides in a settled or permanent home or domicile with the intention of remaining in this

state.

(ii) A student who is enrolled in a full-time course at a college or university within this state.

(p) "Trout lake" means a lake designated by the department in which brook trout, brown trout, or rainbow trout are the predominating species of game fish. The department may designate certain trout lakes in which certain species of fish are not desired and in which it is unlawful to use live fish of any kind for bait.

(q) "Trout stream" means any stream or portion of a stream that contains a significant population of any species of trout or salmon as determined by the department. The department shall designate not more than 212 miles of trout streams in which only lures or baits as the department prescribes may be used in fishing, and the department may prescribe the size and number of fish that may be taken from those trout streams. The department shall not restrict children under 12 years old from taking a minimum of 1 fish, except for lake sturgeon (*Acipenser fulvescens*), in any trout stream. Any trout stream in a county that includes a city with a population of 750,000 or more shall be so designated. In addition, the department shall issue an order adopting criteria for determining which trout streams should be so designated. Before the department issues the order, the department shall submit the proposed order to the commission. The commission shall receive public comment on the proposed order. The department shall consider any guidance provided by the commission on the proposed order and may make changes to the proposed order based on that guidance.
