324.50118 Approved reserve fund; establishment; purpose; payments into fund; resolution as to use of money; limitations.

Sec. 50118. (1) The western Upper Peninsula forest improvement district shall establish 1 or more special debt service reserve funds to secure its bonds, referred to in this part as approved reserve funds. The district shall pay into an approved reserve fund the money appropriated and made available by the state for the purpose of the fund. The money held in an approved reserve fund and the income on that money shall be used as required by the resolution authorizing the issuance of bonds and creating the fund for their repayment.

(2) An approved reserve fund requirement in the resolution of the board authorizing the bonds with respect to which the fund is established shall not exceed the maximum amount of principal and interest maturing and becoming due in any succeeding calendar year on the bonds secured in whole or in part by the fund. The district shall not issue bonds secured in whole or in part by an approved reserve fund if, upon the issuance of the bonds, the amount in the fund would be less than the requirement for the fund, unless the district at the time of issuance of the bonds deposits in the fund from the proceeds of the bonds to be issued, or from other sources, an amount which, together with the amount then in the fund, is not less than the approved reserve fund requirement for the fund.
