

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.60902 Project design study; land resource and current use inventory; technical assistance program; recommendations.

Sec. 60902. (1) The department shall make or have made a project design study. The study shall determine the appropriate operational criteria, computer software and hardware, staffing, available information resources, data updating methodology, most economical inventory resources, location of data management operations, linkages with other data management systems in the state, data geographic base configuration, data delivery system, and other information necessary to complete the inventory and development of a data management system.

(2) The department shall make or have made a land resource and current use inventory, as provided in sections 60904 and 60905, of all land, public or private, in this state. The land resource and current use inventory shall, if appropriate, rely on any other information and surveys.

(3) The department shall create a technical assistance program for the purpose of providing services to municipalities and counties as provided in section 60903.

(4) The department shall prepare recommendations regarding means to address problems or issues indicated by the inventory.
