

NATURAL RESOURCES AND ENVIRONMENTAL PROTECTION ACT (EXCERPT)
Act 451 of 1994

324.60905 Current use portion of inventory; classification system; scope.

Sec. 60905. The current use portion of the inventory shall be completed using a consistent classification system that can be readily integrated into the data management system, and shall provide the base to analyze the existing use and cover in the state. The current use inventory may include any of the following:

(a) Substantially undeveloped land devoted to the production of plants and animals useful to humanity, including forages and sod crops; grain and feed crops; dairy and dairy products; livestock, including the breeding and grazing of those animals; fruits of all kinds; vegetables; and other similar uses and activities.

(b) Land used in the production of fiber and other woodland products or that supports trees that are protective of water resources, soils, recreation, or wildlife habitat.

(c) Land that is being mined, drilled, or excavated for metallic and nonmetallic mineral, rock, stone, gravel, clay, soil, or other earth, petroleum, or natural gas resources.

(d) A site, structure, district, or archaeological landmark that is officially included in the national register of historic places or designated as a historic site pursuant to state or federal law.

(e) Urban and developed land, including residential, commercial, industrial, transportation, communication, utilities, and open space uses and including recreational land.

(f) Land owned on behalf of the public, including land managed by federal, state, or local government or school districts.

(g) Land enrolled in part 361.

(h) Land enrolled in part 511.

(i) Land designated for tax abatements, restricted use, or specific use under a public act of this state.
