(a) A person capable of communicating to the vessel operator the condition and needs of the person being towed or assisted is on board the vessel and positioned to observe the person being towed or assisted.

(b) The person being towed is wearing the proper type I, type II, or type III personal flotation device, as applicable. The wearing of an inflatable personal flotation device does not satisfy this requirement.

(5) Subsections (1) and (3) do not apply to any of the following:

(a) A person who operates or who is towed by a vessel used by a ski school in the giving of instructions or a vessel used in sanctioned ski tournaments, competitions, expositions, or trials if the vessel is equipped with a 170-degree wide-angle rearview mirror affixed in a manner that will permit the operator to observe the progress of the person being towed.

(b) A person being towed by a motorboat less than 16 feet in length that is actually operated by the person being towed if the vessel is constructed to be incapable of carrying the operator in or on the motorboat.

(A) A center-mounted tow pylon.

(B) A large clear rearview mirror capable of allowing the vessel operator to distinguish hand signals at a distance of 75 feet.

(C) Markings that identify the vessel as a vessel that is being operated in conformance with this subdivision.

(6) The department shall adopt standards for water ski tournament boat operation established by U.S.A. water ski in "Trained Boat Driver Program", April 1997, and by the American water ski association in "Drivers' Policy Manual". However, the department may promulgate rules providing for alternative standards under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. The department shall certify each individual who satisfies the standards described in this subsection as a tournament water ski vessel operator and issue proof of that certification to the individual.

(7) The department shall adopt standards for tournament water skiers established by the Michigan water ski association in "Guidelines for Training Permit Eligibility", proposed revision 125 of 1996. However, the department may promulgate rules providing for alternative standards under the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. The department shall certify each individual who satisfies the standards described in this subsection as a tournament water skier and issue proof of that certification to the individual.

(8) The Michigan water ski association shall provide annually to the department and the Michigan sheriffs association both of the following:
