

MENTAL HEALTH CODE (EXCERPT)
Act 258 of 1974

330.1712 Individualized written plan of services.

Sec. 712. (1) The responsible mental health agency for each recipient shall ensure that a person-centered planning process is used to develop a written individual plan of services in partnership with the recipient. A preliminary plan shall be developed within 7 days of the commencement of services or, if an individual is hospitalized for less than 7 days, before discharge or release. The individual plan of services shall consist of a treatment plan, a support plan, or both. A treatment plan shall establish meaningful and measurable goals with the recipient. The individual plan of services shall address, as either desired or required by the recipient, the recipient's need for food, shelter, clothing, health care, employment opportunities, educational opportunities, legal services, transportation, and recreation. The plan shall be kept current and shall be modified when indicated. The individual in charge of implementing the plan of services shall be designated in the plan.

(2) If a recipient is not satisfied with his or her individual plan of services, the recipient, the person authorized by the recipient to make decisions regarding the individual plan of services, the guardian of the recipient, or the parent of a minor recipient may make a request for review to the designated individual in charge of implementing the plan. The review shall be completed within 30 days and shall be carried out in a manner approved by the appropriate governing body.

(3) An individual chosen or required by the recipient may be excluded from participation in the planning process only if inclusion of that individual would constitute a substantial risk of physical or emotional harm to the recipient or substantial disruption of the planning process. Justification for an individual's exclusion shall be documented in the case record.
