

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.16206 Electronic continuing education tracking system; agreement with nongovernmental entity; rules.

Sec. 16206. (1) The department may enter into an agreement with an entity that is not an agency of a state or the federal government to provide an electronic continuing education tracking system that provides an electronic record of the continuing education courses, classes, or programs completed by all of the individuals who are licensed or registered under this article. All of the following apply to an electronic system provided by an agreement under this subsection:

(a) All continuing education tracking provided by the system must accurately reflect the continuing education requirements under this article and rules promulgated under this article.

(b) A confirmation of completion of continuing education requirements generated by the system is considered verification of completion of those requirements for renewal of a license or registration and for purposes of any audit of licensees or registrants conducted by the department.

(c) The system must provide access to continuing education information about an individual who is licensed or registered under this article to the individual, to the appropriate board for the individual's health profession, and to the department.

(2) The department shall promulgate any rules it considers appropriate to implement and administer this section.
