

LOW-LEVEL RADIOACTIVE WASTE AUTHORITY ACT (EXCERPT)
Act 204 of 1987

333.26218 Report and recommendations; preparation and submission.

Sec. 18. (1) The authority shall each month prepare and submit to the department a report that sets forth all of the following information:

- (a) The character, volume, class, and curie count of waste received by the authority.
- (b) The number of manifests and shipments of waste received by the authority during the reporting period.
- (c) The number of manifests received by the authority that properly and improperly reflected the waste received.
- (d) The response of the authority to any discrepancies in the manifest.
- (e) The recommendation of the authority to the department for follow-up action regarding a discrepancy in a manifest or other impropriety.

(2) The authority shall prepare and submit to the department and the attorney general recommendations regarding sanctions against a generator, carrier, collector, or processor who the authority suspects has violated part 137 or a rule promulgated under that part or a permit issued under part 137.
