If an applicant is a corporation, partnership, or other business entity, the applicant shall identify any other corporation, partnership, or other business entity that is directly or indirectly involved in the growing, processing, testing, transporting, or sale of marihuana in which it has any equity interest, including, if applicable, the state of incorporation or registration. An applicant may comply with this subdivision by filing a copy of the applicant's registration with the Securities and Exchange Commission if the registration contains the information required by this subdivision.

(d) Whether an applicant has been indicted for, charged with, arrested for, or convicted of, pled guilty or nolo contendere to, forfeited bail concerning any criminal offense under the laws of any jurisdiction, either felony or controlled-substance-related misdemeanor, not including traffic violations, regardless of whether the offense has been reversed on appeal or otherwise, including the date, the name and location of the court, arresting agency, and prosecuting agency, the case caption, the docket number, the offense, the disposition, and the location and length of incarceration.

(1) Any other information the department requires by rule.

(2) The marijuana regulatory agency shall use information provided on the application as a basis to conduct a thorough background investigation on the applicant. A false application is cause for the marijuana regulatory agency to deny a license. The marijuana regulatory agency shall not consider an incomplete application but shall, within a reasonable time, return the application to the applicant with notification of the deficiency and instructions for submitting a corrected application. Information the marijuana regulatory agency obtains from the background investigation is exempt from disclosure under the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(3) An applicant must provide written consent to the inspections, examinations, searches, and seizures provided for in section 303(1)(c)(i) to (iv) and to disclosure to the marijuana regulatory agency and its agents of otherwise confidential records, including tax records held by any federal, state, or local agency, or credit bureau or financial institution, while applying for or holding a license. (4) An applicant must certify that the applicant does not have an interest in any other state operating license that is prohibited under this act.

(5) A nonrefundable application fee must be paid at the time of filing to defray the costs associated with the background investigation conducted by the marijuana regulatory agency. The marijuana regulatory agency shall set the amount of the application fee for each category and class of license by rule. If the costs of the investigation and processing the application exceed the application fee, the applicant shall pay the additional amount to the marijuana regulatory agency. All information, records, interviews, reports, statements, memoranda, or other data supplied to or used by the marijuana regulatory agency in the course of its review or investigation of an application for a license under this act shall be disclosed only in accordance with this act. The information, records, interviews, reports, statements, memoranda, or other data are not admissible as evidence or discoverable in any action of any kind in any court or before any tribunal, board, agency, or person, except for any action considered necessary by the marijuana regulatory agency.

(6) By 10 days after the date the applicant submits an application to the marijuana regulatory agency, the applicant shall notify the municipality by registered mail that it has applied for a license under this act.
