

PUBLIC HEALTH CODE (EXCERPT)
Act 368 of 1978

333.5885 Infant safe sleep practices; information and materials to be provided by hospital; parent acknowledgment statement; form; birth occurring in setting other than hospital; use of materials consistent with or provided by department.

Sec. 5885. (1) A hospital shall provide to parents readily understandable information and educational and instructional materials regarding infant safe sleep practices. The materials described in this subsection must explain the risk factors associated with infant death due to unsafe sleep practices and emphasize infant safe sleep practices.

(2) A hospital shall prescribe the form of a parent acknowledgment statement. The form must include a place for a parent to sign, acknowledging that the parent has received the educational and instructional materials provided on the risk factors associated with infant death due to unsafe sleep practices and infant safe sleep practices.

(3) For a birth that occurs in a setting other than a hospital, the health professional in charge at the birth of an infant, or if none the health professional in charge of the care of an infant, shall provide the materials described in subsection (1) to a parent after the birth of an infant.

(4) To comply with this section, a hospital or health professional subject to this section may use educational and instructional materials provided by the department under subsection (5) or may use educational and instructional materials of its choice that are consistent with the materials provided by the department under subsection (5).

(5) Upon the request of a hospital or health professional subject to this section, the department shall provide, at no cost, to the hospital or health professional, educational and instructional materials described in section 5887(c).
