Act 368 of 1978

333.8209 Inspections; delegation to local health department; consultation with ad hoc committee; reimbursement.

Sec. 8209. The department may delegate the duty of inspections for approval or renewal of pharmaceutical-grade cannabis licensed facility licenses to a local health department that has the technical and other capabilities to protect the public health, safety, and welfare in this field. The delegation shall not take place unless the department has first consulted with an ad hoc committee that shall be appointed by the department for the purpose of advising on that delegation. Membership on the ad hoc committee shall include representatives of the department, local public health agencies, and an association that represents the pharmaceutical-grade cannabis licensed facilities that would be subject to the inspections. If delegated under this section, the state shall reimburse each local health department the full amount of the fees collected, as reimbursement for the cost of inspection, on vouchers certified by the local health officer and approved by the department.
