

PRIVATE SECURITY BUSINESS AND SECURITY ALARM ACT (EXCERPT)
Act 330 of 1968

338.1064 Identification card; issuance; form; contents; recall; custody; unauthorized use; suspension and reinstatement; duplicates.

Sec. 14. (1) Upon issuing a license, the department shall issue an identification card to the principal license holder, and if the licensee is a partner in a partnership to each partner, and if the license holder is a corporation to each resident officer or manager but only if requested by a resident officer or manager.

(2) The form and contents of the identification card shall be prescribed by the department, and the card shall be recalled by the department if the license is revoked.

(3) Only 1 identification card shall be issued for each person entitled to receive it. The licensee is responsible for the maintenance, custody, and control of the identification card and shall not let, loan, sell, or otherwise permit unauthorized persons or employees to use it. This section does not prevent an agency from issuing its own identification cards to its employees if they are approved as to form and content by the department. The individual card shall not bear the seal of the state, and the employee shall be designated as either security alarm system agent, private security police officer, private college security force officer, security guard, or security technician.

(4) The department may suspend a license issued under this act if the licensee fails to comply with any of the requirements of this act. Unless a license is required to be revoked for a violation of this act, the department shall reinstate a suspended license upon the licensee complying with this act and the licensee paying a \$100.00 reinstatement fee.

(5) Upon proper application and for sufficient reasons shown, the department may issue duplicates of the original certificate of license or identification card.
