Sec. 41. (1) When it receives a complaint under section 40, the department shall immediately begin an investigation of the allegations of the complaint and shall open a correspondence file. The department shall make a written acknowledgment of the complaint within 15 days after it receives a complaint to the person that made the complaint. If a complaint is made by the department, the director shall designate 1 or more employees of the department to act as the person that made the complaint.

(2) The department shall conduct an investigation required under subsection (1). As part of that investigation, the department may request that the attorney general petition a court of competent jurisdiction to issue a subpoena requiring a person to appear before the department and be examined with reference to a matter within the scope of the investigation and to produce books, papers, or documents pertaining to the investigation.

(3) After conducting an investigation under subsection (1), if the department does not find that a violation of this act or a rule promulgated or an order issued under this act occurred, the department shall close the complaint. The department shall notify the complainant and respondent of its reasons for closing the complaint, and the complainant or respondent may then provide additional information to reopen the complaint.

(a) A formal complaint.

(b) A cease and desist order.

(c) A notice of summary suspension, subject to sections 42 and 48(5).

(5) At any time during its investigation or after a formal complaint is issued, the department may bring together the complainant and the respondent for an informal conference.
