

THE REVISED SCHOOL CODE (EXCERPT)
Act 451 of 1976

380.1236a Person or entity furnishing substitute teachers; contract; "entity" defined.

Sec. 1236a. (1) The board of a school district or intermediate school district may enter into a contract with a person or entity to furnish substitute teachers to the school district or intermediate school district as necessary to carry out the operations of the school district or intermediate school district.

(2) A contract entered into under this section shall include the following provisions:

(a) Assurance that the person or entity will furnish the school district or intermediate school district with qualified teachers in accordance with this act and rules promulgated under this act.

(b) Assurance that the person or entity will not furnish to the school district or intermediate school district any teacher who, if employed directly by the school district or intermediate school district, would be ineligible for employment by the school district or intermediate school district as a substitute teacher under this act.

(c) A description of the level of compensation and fringe benefits to be provided to employees of the person or entity who are assigned to the school district or intermediate school district as substitute teachers.

(d) A description of the type and amounts of insurance coverage to be secured and maintained by the person or entity and the school district or intermediate school district under the contract.

(e) Assurance that the person or entity, before assigning an individual to serve as a substitute teacher in the school district or intermediate school district, will comply with sections 1230 and 1230a with respect to that individual to the same extent as if the person or entity were a school district employing the individual as a substitute teacher and will provide the board of the school district or intermediate school district with the criminal history record information obtained under section 1230 and with the results of the criminal records check under section 1230a. The department of state police shall provide information to a person or entity requesting information under this subdivision to the same extent as if the person or entity were a school district making the request under section 1230 or 1230a.

(3) A school district or intermediate school district that contracts with a person or entity to furnish substitute teachers under this section may purchase liability insurance to indemnify and protect the school district or intermediate school district and the person or entity against losses or liabilities incurred by the school district or intermediate school district and person or entity arising out of any claim for personal injury or property damage caused by the school district or intermediate school district, its officers, employees, or agents. A school district or intermediate school district may pay premiums for the insurance out of its operating funds. The existence of any policy of insurance indemnifying the school district or intermediate school district and person or entity against liability for damages is not a waiver of any defense otherwise available to the school district or intermediate school district in the defense of the claim.

(4) As used in this section, "entity" means a partnership, nonprofit or business corporation, labor organization, limited liability company, or any other association, corporation, trust, or other legal entity.
