

THE REVISED SCHOOL CODE (EXCERPT)
Act 451 of 1976

380.621 Compensation and expenses of board members.

Sec. 621. (1) An intermediate school board member shall receive a per diem allowance for attendance at meetings convened in accordance with the bylaws of the intermediate school board or held pursuant to law. Except as provided in subsection (4), the intermediate school board, by resolution, may authorize compensation which shall not exceed \$30.00 per meeting, subcommittee meeting, or authorized duty if the duty is related directly to the member's responsibility as a board member and if the duty is authorized in advance by resolution of the board. Compensation shall be provided to a board member for an authorized duty only if that duty and the authority of the board member to perform that duty is specifically enumerated in the resolution authorizing compensation. A board member shall not receive compensation for more than a total of 52 meetings, subcommittee meetings, and authorized duties per year unless the majority of the board votes to remove this limitation.

(2) An intermediate school board member who wishes to increase the compensation per meeting of the intermediate school board pursuant to subsection (1) shall introduce a resolution to that effect at a regularly scheduled meeting of the intermediate school board. A public hearing on the merit of the resolution shall be held at the next regularly scheduled meeting of the intermediate school board, and the intermediate school board shall not vote on the resolution until after allowing for public testimony.

(3) Additional compensation shall be subject to the approval of a majority of the representatives of constituent district boards at the annual budget meeting required by section 624. The per diem allowances and expenses shall be approved and paid from funds of the intermediate school district. Reimbursement of board members for actual and necessary expenses incurred in the performance of official functions shall be by action of the board.

(4) The per diem compensation for members of an intermediate school board that exceeds the amount permitted in subsection (1) and that was in effect on January 12, 1977 shall continue unless the compensation is reduced in compliance with subsection (1).
