

THE REVISED SCHOOL CODE (EXCERPT)
Act 451 of 1976

380.629 Borrowing by intermediate school board; purposes; limitations on borrowing money or issuing bonds; resolution by constituent school district not to participate in cooperative program or conduct election.

Sec. 629. (1) An intermediate school board may borrow, subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, sums of money on terms the intermediate school board considers necessary for 1 or more of the following purposes:

(a) For temporary purposes for which the intermediate school board may give notes of the intermediate school district. The intermediate school board shall not borrow a sum that exceeds the amount that has been voted by the intermediate school board or the school electors of the intermediate school district.

(b) To purchase sites for buildings; to purchase, erect, complete, remodel, improve, furnish, refurbish, equip, or reequip buildings and facilities the board is authorized to acquire, including, but not limited to, general administrative, vocational, or special education buildings or facilities, or parts of those buildings or facilities, or additions to those buildings or facilities, and prepare, develop, or improve sites for those buildings or facilities; to purchase and install information technology systems, together with the equipment and software, as are necessary for programs conducted by the intermediate school district under section 627(2); and to issue and sell bonds of the intermediate school district in the form and on the terms the board considers advisable.

(2) An intermediate school board shall not borrow money or issue bonds for a sum that, together with the total outstanding bonded indebtedness of the intermediate school district, exceeds 1/9 of 1% of the state equalized valuation of the taxable property within the district, unless the question of borrowing the money or issuing bonds is submitted first to a vote of the school electors of the intermediate school district held under section 661 and approved by the majority of the registered school electors voting on the question. Regardless of the amount of outstanding bonded indebtedness of the intermediate school district, a vote of the school electors is not necessary in order to issue bonds for a purpose described in section 1274a or to issue bonds under section 11i of the state school aid act of 1979, 1979 PA 94, MCL 388.1611i. Money may be borrowed and bonds may be issued for the purposes stated in this section in an amount equal to that provided by part 17. For the purposes of this subsection, bonds authorized by vote of the school electors for special education facilities under part 30 and for area vocational-technical education facilities under sections 681 to 690 and bonds issued under section 11i of the state school aid act of 1979, MCL 388.1611i, shall not be included in computing the total outstanding bonded indebtedness of an intermediate school district.

(3) Not later than 30 days after receipt of notice that the question of issuing bonds under this section to purchase and install information technology systems as are necessary for a cooperative program under section 627(2) will be submitted to the school electors of the intermediate school district, the board of a constituent school district by resolution may elect not to participate in the cooperative program and not to conduct an election on the question within the constituent school district.
