

MICHIGAN CIVILIAN CONSERVATION CORPS ACT (EXCERPT)
Act 22 of 1984

409.305 Work training programs; work experience.

Sec. 5. (1) Work training programs conducted under this act shall provide corpsmembers with work experience related to the conservation, improvement, or development of natural, cultural, and recreational resources and the enhancement, preservation, and maintenance of public lands, waters, and historic and archaeological resources. Work experience may include, but is not limited to, all of the following:

- (a) Planting, pruning, and cutting of trees.
- (b) Restoration or development of lakes, ponds, and waterways to be used as hunting and fishing sites and for other recreational purposes.
- (c) Wildlife habitat development or enhancement.
- (d) Parks and recreation site development or restoration.
- (e) Trail development or restoration.
- (f) Flood and drainage control programs, such as the cleaning and repair of waterways.
- (g) Prevention of shore and soil erosion.
- (h) Litter removal.
- (i) Assistance in fire prevention and suppression.
- (j) Assistance with conducting prescribed ecological fire treatments.
- (k) Assistance in times and places of natural disasters.
- (l) Reclamation of strip-mined land.
- (m) Insect and pest control.
- (n) Survey, protection, maintenance, and restoration of historic structures and archaeological sites.
- (o) Survey and analysis of usage of parks, recreation sites, and trails.
- (p) Outreach and educational programs.
- (q) Activities that lead to improved public access, recreation opportunities, and natural resource-based economic activities on state-owned land under control of the department.

(2) Work training programs shall be undertaken on state-owned lands under control of the department and shall be selected on the basis of the natural, cultural, or recreational resource benefits each offers, the opportunities for public use each offers, and the on the job training value of each.

(3) Work experience shall not include work on any project for removal or cleaning up of any toxic waste or other hazardous substance.
