324.79504 Grant application.

Sec. 79504. A local unit of government that wishes to be considered for a grant shall submit a written grant application to the department in a manner prescribed by the department and containing the information required by the department. The grant application shall also include all of the following:

- (a) A detailed description of the project and how the grant would be used, including any private sector participation.
- (b) A copy of the waterfront redevelopment plan for the area in which the project is to be located.
- (c) An explanation of how the project will contribute significantly to the local unit of government's economic and community redevelopment or the revitalization of adjacent neighborhoods.
- (d) An explanation of how the project will provide for public access to the waterfront or will provide recreational opportunities for the public.
- (e) If the project includes the purchase of property, an identification of the intended use of the property, and a timeline for redevelopment of the property.
- (f) The total cost of the project and the source of the local unit of government's contribution to the project.
- (g) A detailed description of the practices the local unit of government will implement and maintain to control nonpoint source pollution from the project site both during construction activities and throughout the period of time in which the state is paying off the bonds that were issued pursuant to the clean Michigan initiative act.
- (h) Other information that the department and the commission consider relevant.

324.79505 Grant application; review by department and commission.

Sec. 79505. Upon receipt of a grant application under section 79504, the department shall forward a copy of the application to the commission. The department and the commission shall jointly review the grant applications. In reviewing grant applications, the department and the commission shall consider all of the following:

- (a) Whether the project proposed to be funded is authorized by this part.
- (b) Whether the grant application submitted complies with this part.
- (c) Whether the project is consistent with the waterfront redevelopment plan for the area in which the project is located.
- (d) Whether the project provides significant public access to the waterfront or provides recreational opportunities for the public.
- (e) Whether the project will significantly contribute to the local unit of government's economic and community redevelopment or the revitalization of adjacent neighborhoods.
- (f) Whether there is evidence of adverse economic and socioeconomic conditions within the waterfront planning area.
- (g) The viability of the waterfront redevelopment plan.
- (h) Whether the project is innovative in comparison to other grant applications.
- (i) The level of public and private commitment and other resources available for the project.
- (j) The level of public and private commitment to other aspects of the waterfront redevelopment plan.
- (k) How the project relates to a broader economic and community development plan for the local unit of government as a whole.
- (l) The level of demonstrated commitment from other governmental agencies.
- (m) The level of public and private commitment to improving abandoned real property within the waterfront planning area in which the project is located.
- (n) Other criteria that the department and the commission consider relevant.
