Sec. 80117. (1) Each county of the state is entitled to receive state aid as provided in this part. A county board of commissioners desiring to conduct a marine safety program shall submit to the department by December 31 of each year an estimate of authorized expenditures for the following calendar year, in the form and containing the information the department requires. The department shall review the entire request and may approve the county request for state aid. The department shall annually survey the marine safety program of each county to assist in determining the amount of state aid to be allocated to a county for its marine safety program. In making its annual determination of the amount of state aid to be allocated to a county, the department shall develop and employ a formula which shall include such factors as:

(a) The number of students to be trained in boating safety in any United States coast guard auxiliary, United States power squadron, or department-sponsored marine safety classes.

(b) The number of boat user days.

(c) The number of livery boats.

(d) Program effectiveness measured by comparing the existing rate of compliance with current statutes to the acceptable rate of compliance determined by the department.

(3) State aid allocated to a county under this part shall be used exclusively for the conduct of the county marine safety program as provided by this part and rules promulgated under this part. Within 90 days after the close of each calendar year, a county board of commissioners shall submit to the department a statement of authorized expenditures actually incurred, in the form and containing the information that the department requires. Sec. 80118. The amount of state aid to be allocated to a county pursuant to this part shall be determined by the department in the manner the department determines is appropriate. The department shall review the county's statement of authorized expenditures actually incurred and if satisfied shall provide state aid in an amount not to exceed 3/4 of the county's estimated authorized expenditures for the past calendar year. If the county's authorized expenditures actually incurred for the past calendar year exceed the county's estimated authorized expenditures for that calendar year, the department, if it considers it to be in the best interests of the state and adequate funds have been appropriated by the legislature for state aid to counties, may provide state aid in excess of 3/4 of the county's estimated authorized expenditures for that calendar year, but not in excess of 3/4 of the county's authorized expenditures actually incurred. If the amount appropriated by the

legislature for state aid to counties is insufficient to pay the full amount to which the counties are entitled, the department shall reduce the allocations proportionate to the shortfall of revenue among all state and local programs for which waterways account money was appropriated.

Sec. 80124. (1) Except as otherwise provided in this section, the owner of a vessel required, pursuant to sections 80122 and 80123, to be numbered and to display a decal shall file an application for a certificate of number with the secretary of state. The secretary of state shall prescribe and furnish certificate of title application forms. If a vessel requiring a certificate of title under part 803 is sold by a dealer, that dealer shall combine the application for a certificate of number that is signed by the vessel owner with the application for a certificate of title. The dealer shall obtain the certificate of number in the name of the owner. The application for a certificate of number shall include a certification. The owner of the vessel shall sign the application or, if the application is filed electronically, provide information requested by the secretary of state to verify the owner's identity. A person shall not file an application for a certificate of number that contains false information. A dealer who fails to submit an application as required by this section is guilty of a misdemeanor, punishable by imprisonment for not more than 90 days, or a fine of not more than \$100.00, or both.

(2) A dealer who submits an application for a certificate of number as provided in subsection (1) may issue to the owner of the vessel a 15-day permit, on forms prescribed by the secretary of state, for the use of the vessel while the certificate of number is being issued.

(3) A dealer may issue a 15-day permit, on a form prescribed by the secretary of state, for the use of a vessel purchased in this state and delivered to the purchaser for removal to a place outside of this state, if the purchaser certifies by his or her signature that the vessel will be registered and primarily used and stored outside of this state and will not be returned to this state by the purchaser for use or storage. A certificate of number shall not be issued for a vessel holding a permit under this subsection.

(4) A 15-day permit issued under subsection (2) or (3) shall not be renewed or extended.

(5) A person shall operate or permit the operation of a vessel for which a 15-day permit has been issued under this section only if the permit is valid and displayed on the vessel as prescribed by rule promulgated by the department under this part.

(6) Except as otherwise provided in this section, an applicant shall pay the following fee at the time of application:

(a) A 15-day permit issued under subsection (3)	\$ 10.00
(b) Nonpowered vessels, other than nonmotorized canoes or kayaks	9.00
(c) Nonmotorized canoes or kayaks	5.00

(7) As used in this section, "the length of a vessel" means the distance from end to end over the deck, excluding the longitudinal upward or downward curve of the deck, fore and aft. For a pontoon boat, length of a vessel means the length of its deck, fore and aft.

(8) Payment of the fee specified in this section exempts the vessel from the tax imposed under the general property tax act, 1893 PA 206, MCL 211.1 to 211.155.

(9) Upon receipt of an initial application for a certificate of number in approved form and payment of the required fee, the secretary of state shall enter the information upon the official records and issue to the applicant a certificate of number containing the number awarded to the vessel, the name and address of the owner, and other information that the secretary of state determines necessary. The secretary of state shall issue a certificate of number that is pocket size and legible. Except as provided in subsection (13), a person operating a vessel shall present that vessel's certificate of number to a peace officer upon the peace officer's request.

(10) If a check or draft payable to the secretary of state under this part is not paid on its first presentation, the fee or tax is delinquent as of the date the draft or check was tendered. The person tendering the check or draft remains liable for the payment of the fee or tax and a penalty.

(11) Upon determining that a fee or tax required by this part has not been paid and remains unpaid after reasonable notice and demand, the secretary of state may suspend a certificate of number.

(12) If a person who tenders a check or draft described in subsection (10) fails to pay the fee or tax for which the check or draft was tendered within 15 days after the secretary of state gives him or her notice that the check or draft described in subsection (10) was not paid on its first presentation, the secretary of state shall assess and collect a penalty of \$5.00 or 20% of the check or draft, whichever is larger, in addition to the fee or tax.

(13) The owner or authorized agent of the owner of a vessel less than 26 feet in length that is leased or rented to a person for noncommercial use for not more than 24 hours may retain, at the place from which the vessel departs or returns to the possession of the owner or the owner's representative, the certificate of number for that vessel if a copy of the lease or rental agreement is on the vessel. Upon the demand of a peace officer, the operator shall produce for inspection either the certificate of number or a copy of the lease or rental agreement for that vessel. The lease or rental agreement shall contain each of the following:

- (a) The vessel number that appears on the certificate of number.
- (b) The period of time for which the vessel is leased or rented.
- (c) The signature of the vessel's owner or that person's authorized agent.

(d) The signature of the person leasing or renting the vessel.

(14) Upon receipt of a certificate of number for a vessel, the owner of that vessel shall paint on or attach in a permanent manner to each side of the forward half of the vessel the number identified in the certificate of number, in the manner prescribed by rules promulgated by the department. The secretary of state shall assign to the owner of vessels for rent or lease a block of numbers sufficient to number consecutively all of that owner's rental or lease vessels. The owner shall maintain the numbers in a legible condition. A vessel documented by the United States coast guard or a federal agency that is the successor to the United States coast guard is not required to display numbers under this part but shall display a decal indicating payment of the fee prescribed in subsection (6), and shall otherwise be in compliance with this part. This subsection does not apply to a nonpowered vessel 12 feet or less in length.

(15) Upon receipt of an application for a certificate of number in an approved form and payment of the fee required by this part, the secretary of state shall issue a decal that indicates that the vessel is numbered in compliance with this part. The decal shall be color-coded and dated to identify the year of its expiration. The department shall promulgate a rule or rules to establish the manner in which the decal is to be displayed. A person who operates a vessel in violation of a rule promulgated to implement this subsection is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$500.00.

(16) A decal is valid for a 3-year period that begins on April 1 and expires on March 31 of the third year. An original certificate of number may be issued up to 90 days before April 1. A numbering renewal decal or other renewal device may be issued up to 90 days before the expiration of a certificate.

(17) Upon receipt of a request for renewal of a decal and payment of the fee prescribed in subsection (6), the secretary of state shall issue to the applicant a decal as provided in subsection (15). A person who operates a vessel for which no decal was issued as required under this section or for which a decal has expired is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$500.00.

(18) The numbering system adopted under this part shall be in accordance with the standard system of numbering established by the secretary of the department in which the United States coast guard operates.

(19) An agency of this state, a political subdivision of this state, or a state supported college or university of this state that owns a vessel that is required to be numbered under this part shall register that vessel and upon payment of either of the following shall receive from the secretary of state a certificate of number for that vessel:

(a) A fee of \$3.00 for a vessel that is not used for recreational, commercial, or rental purposes.

(b) The fee required under subsection (6) for a vessel that is used for recreational, commercial, or rental purposes.

(20) The secretary of state shall, upon receipt of payment of the fee required under subsection (19), issue a certificate of number for each vessel subject to subsection (19).

(21) A vessel that is 30 years of age or older and not used other than in club activities, exhibitions, tours, parades, and other similar activities is a historic vessel. The secretary of state shall make available to the public application forms for certificates of number for historic vessels and, upon receipt of a completed application form and fee, shall number a historic vessel as a historic vessel. The fee for the numbering of a historic vessel is 1/3 of the otherwise applicable fee specified in subsection (6).

(22) The secretary of state shall refund to the owner of a vessel registered under this part all of the registration fee paid for that vessel under this section if all of the following conditions are met during the period for which the registration fee was paid:

(a) The owner transfers or assigns title or interest in the registered vessel before placing the decal issued under subsection (15) on the vessel.

(b) The owner surrenders the unused decal to the secretary of state within 30 days after the date of transfer or assignment.

(23) The secretary of state shall refund to the surviving spouse of a deceased vessel owner the registration fee paid under this part, prorated on a monthly basis, upon receipt of the decal issued under subsection (15) or evidence satisfactory to the secretary of state that the decal issued under subsection (15) has been destroyed or voided.

(24) If the secretary of state computes a fee under this part that results in a figure other than a whole dollar amount, the secretary of state shall round the figure to the nearest whole dollar.

(iii) Is not under the immediate custody of the owner of the vessel, motor vehicle, or trailer or the owner's agent.

(3) If a vessel qualifies as abandoned under subsection (2)(b) or (c), a police agency having jurisdiction over the vessel or the agency's designee shall determine whether the vessel has been reported stolen and, if the vessel has not been reported stolen, may have a towing agency take the vessel into custody.

(4) A police agency that has a vessel taken into custody under subsection (3) or that receives notice of a vessel taken into custody under subsection (10) shall do all of the following:

(a) Recheck to determine if the vessel taken into custody under subsection (3) or check if the vessel taken into custody under subsection (10) has been reported stolen.

(b) If the vessel has not been reported stolen, within 24 hours after the vessel is taken into custody, enter the vessel in the law enforcement information network as an abandoned vessel and notify the secretary of state through the law enforcement information network that the vessel has been taken into custody as abandoned. (a) Send to the last titled owner and secured party, as shown by the records of the secretary of state, or, if there is no titled owner, to the last registered owner, by first-class mail or personal service, notice that the vessel is considered abandoned. Each notice form shall contain all of the following information:

(i) The year, make, and vessel identification number of the vessel, if available.

(ii) The address or approximate location from which the vessel was taken into custody.

(iii) The date on which the vessel was taken into custody.

(ix) A warning that if the vessel is not redeemed or a hearing requested within 20 days after the date of the notice, the vessel may be sold and all rights of the owner and the secured party to the vessel or to the proceeds of the sale terminated.

(b) Enter the information described in subdivision (a) on a website maintained by the secretary of state for public use in locating vessels that are taken into custody under this section as abandoned. The secretary of state shall maintain the data on the website for 1 year or until the vessel is disposed of under this part, whichever occurs first.

(6) To contest whether the vessel is abandoned or, unless the towing fees and daily storage fees are established by contract with the local governmental unit or police agency and comply with section 80130m, the reasonableness of the towing fees and daily storage fees, the owner shall request a hearing. A request for a hearing shall be made by filing a petition with the court specified in the notice under subsection (5) within 20 days after the date of the notice under subsection (5). The bond or fee shall be equal to \$40.00 plus the accrued towing and storage fees.

(7) If the owner does not request a hearing under subsection (6), he or she may redeem the vessel by paying a fee of \$40.00 and the accrued towing and storage fees to the custodian of the vessel. The custodian of the vessel shall forward \$25.00 of the fee to the secretary of state within 30 days after receipt, in a manner prescribed by the secretary of state. The secretary of state shall deposit the \$25.00 into the abandoned vessel, ORV, and snowmobile fund created in section 80130l.

(8) If the owner does not redeem the vessel or request a hearing within 20 days after the date of the notice under subsection (5)(a), the secured party may redeem the vessel by paying a \$40.00 fee plus the accrued charges to the custodian of the vessel. The custodian of the vessel shall forward \$25.00 of the fee to the secretary of state within 30 days after receipt, in a manner prescribed by the secretary of state. The secretary of state shall deposit that portion of the fee into the abandoned vessel, ORV, and snowmobile fund created in section 80130l.

(9) If a vessel is on private property without the consent of the property owner, the owner of the private property may have the vessel taken into custody as an abandoned vessel by contacting a local towing agency. A local towing agency is a towing agency whose storage lot is located within 15 miles from the border of the local unit of government having jurisdiction over the abandoned vessel.

(10) Before removing the vessel from private property, the towing agency contacted under subsection (9) shall provide reasonable notice by telephone, or otherwise, to a police agency having jurisdiction over the vessel that the vessel is being removed. The police agency shall determine if the vessel has been reported stolen, and if the vessel has not been reported stolen, comply with subsection (4)(b). Verification by the police agency of compliance with this section is not necessary and is not a predicate to entering the vessel in the law enforcement information network. Subsections (5) to (8) apply to a vessel removed from private property.

(11) Not less than 20 days after a determination that the vessel is abandoned in a hearing under subsection (6) or, if a hearing is not requested, not less than 20 days after the date of the notice, the following shall offer the vessel for sale at a public sale under section 80130k:

(a) The police agency, if the abandoned vessel is found on public property.

(b) The custodian of the vessel, if the vessel is found on private property.

Sec. 80156. (1) Subject to subsection (2), a person shall not operate a motorboat on the waters of this state unless the motorboat is equipped and maintained with an effective muffler or underwater exhaust system that does not produce sound levels in excess of 90 dB(A) when subjected to a stationary sound level test as prescribed by SAE J2005 or a sound level in excess of 75 dB(A) when subjected to a shoreline sound level measurement procedure as described by SAE J1970. The operator of a motorboat shall present the motorboat for a sound level test as prescribed by SAE J2005 upon the request of a peace officer. If a motorboat is equipped with more than 1 motor or engine, the test shall be performed with all motors or engines operating. To determine whether a person is violating this subsection, a peace officer may measure sound levels pursuant to procedures prescribed in SAE J1970, issued 1991-92.

(2) The department may by rule establish a motorboat sound level test and set a maximum decibel level or levels permitted for motorboat operation that replace the tests and maximum decibel levels permitted under subsection (1). If a test and maximum decibel level or levels are established pursuant to this subsection, all of

(a) A person shall not operate a motorboat on the waters of this state if the motorboat produces sound levels that exceed the maximum decibel level or levels established under this subsection.

(b) The operator of a motorboat shall present the motorboat for the sound level test established pursuant to this subsection upon the request of a peace officer.

(c) A motorboat equipped with more than 1 motor or engine shall be tested with all motors or engines operating.

(3) A person shall not manufacture, sell, or offer for sale a motorboat for use on the waters of this state unless that motorboat is equipped and maintained with an effective muffler or underwater exhaust system that complies with the applicable sound levels permitted under subsection (1) or (2).

(4) Subsections (1) and (2) do not apply to any of the following:

(a) A motorboat tuning up or testing for or participating in official trials for speed records or a sanctioned race conducted pursuant to a permit issued by an appropriate unit of government.

(b) A motorboat being operated by a boat or marine engine manufacturer for the purpose of testing or development.

(c) A motorboat that qualifies as an historic vessel.

(5) As used in this section, "dB(A)" means decibels on the "A" scale on a sound meter having characteristics of a general purpose sound meter as defined by American national standards institute S1.4-1983.

(6) A person who violates this section is responsible for a state civil infraction and may be ordered to pay a civil fine of not more than \$150.00. A person who violates this section a second or subsequent time is guilty of a misdemeanor, punishable by imprisonment for not more than 90 days and a fine of not less than \$100.00 or more than \$500.00. Additionally, before putting the motorboat back in use, a person who violates this section is required to install an effective muffler or underwater exhaust system that meets the requirements of this section on the motorboat in violation at his or her expense.

324.80175 Nonresidents; secretary of state as attorney for service of summons; service; procedure; sufficiency; death; appointment of secretary of state as attorney; abatement of actions; costs; applicability to all courts.

Sec. 80175. (1) The operation by a nonresident of a vessel upon the waters of this state, or the operation on the waters of this state of a vessel owned by a nonresident if operated with his or her consent, expressed or implied, is the appointment by the nonresident of the secretary of state as his or her true and lawful attorney, upon whom may be served the summons in any action against him or her, growing out of any accident or collision in which the nonresident may be involved while operating a vessel on the waters of this state, or in which the vessel may be involved while being so operated. The operation is a signification of his or her agreement that any summons against him or her that is so served has the same legal force and validity as if served on him or her personally within this state. Service of summons shall be made by leaving a copy of the summons with the secretary of state, or his or her deputy, who shall keep a record of each process and the day and hour of service. Service shall be sufficient service upon the nonresident, if notice of the service and a copy of the summons are forthwith either served upon the defendant personally by the sheriff or constable of the county in which he or she resides or sent by certified mail by the plaintiff or his or her attorney to the defendant. If personal service of the notice and copy of summons is had upon the defendant, the officer

making the service shall so certify in his or her return, which shall be filed with the court having jurisdiction of the cause. If service is made by certified mail, then the plaintiff or his or her attorney shall make an affidavit showing that he or she has made service of the notice and summons upon the defendant by certified mail, and the affiant shall attach to the affidavit a true copy of the summons and notice so served and the return receipt of the defendant and shall file the affidavit and attached papers with the court having jurisdiction of the cause. The court in which the action is pending may order such extension of time as is necessary to afford the defendant reasonable opportunity to defend the action.

(2) The death of a nonresident does not revoke the appointment by him or her of the secretary of state as his or her true and lawful attorney upon whom may be served the summons in an action against him or her growing out of any such accident or collision, and any action growing out of such accident or collision may be commenced or prosecuted against his or her executor or administrator duly appointed by the state, territory, or district of the United States or foreign country in which the nonresident was domiciled at the time of his or her death. Service of the summons shall be made upon the secretary of state, and personal service of such notice and the copy of the summons be upon his or her executor or administrator, in like manner, with the same force and effect as service upon the nonresident during his or her lifetime.

(3) Any action or proceeding pending in any court of this state, in which the court has obtained jurisdiction of the nonresident pursuant to this section, shall not abate by reason of the death of the nonresident, but his or her executor or administrator duly appointed in the state, territory, or district of the United States or foreign country in which he or she was domiciled at the time of his or her death, upon the application of the plaintiff in the action and upon such notice as the court may prescribe, shall be brought in and substituted in the place of the decedent, and the action or proceeding shall continue.

(4) The court shall include as taxable costs, in addition to other legal costs against the plaintiff in case the defendant prevails in the action, the actual traveling expenses of the defendant from his or her residence to the place of trial and return, not to exceed the sum of \$100.00.

(5) This section applies to actions commenced in all courts of this state having civil jurisdiction, including justice courts.

(a) Only a peace officer who has successfully completed a training course taught by a state-certified instructor in the administration of the preliminary chemical breath analysis may administer that test.

(b) A peace officer may arrest a person based in whole or in part upon the results of a preliminary chemical breath analysis.

(c) The results of a preliminary chemical breath analysis are admissible in a criminal prosecution for a crime described in section 80187(1) or in an administrative hearing solely to assist the court or hearing officer in determining a challenge to the validity of an arrest. This subdivision does not limit the introduction of other competent evidence offered to establish the validity of an arrest.

(ii) That if the person refuses the request of a peace officer to take a test described in subparagraph (i), the test shall not be given without a court order, but the peace officer may seek to obtain such a court order.

(iii) That the person's refusal of the request of a peace officer to take a test described in subparagraph (i) will result in issuance of an order that the person not operate a vessel on the waters of this state for at least 6 months.

(2) A sample or specimen of urine or breath shall be taken and collected in a reasonable manner. Only a licensed physician, or a licensed nurse or medical technician under the direction of a licensed physician, qualified to withdraw blood and acting in a medical environment, may withdraw blood at the request of a peace officer for the purpose of determining the amount of alcohol or presence of a controlled substance, or both, in a person's blood, as provided in this subsection. A qualified person who withdraws or analyzes blood, or assists in the withdrawal or analysis, in accordance with this part is not liable for a crime or civil damages predicated on the act of withdrawing or analyzing blood and related procedures unless the withdrawal or analysis is performed in a negligent manner.

If the person charged is administered a chemical test by someone of the person's own choosing, the person charged is responsible for obtaining a chemical analysis of the test sample.

(2) If, after an accident, the operator of a vessel involved in the accident is transported to a medical facility and a sample of the operator's blood is withdrawn at that time for the purpose of medical treatment, the results of a chemical analysis of that sample are admissible in any civil or criminal proceeding to show the amount of alcohol or presence of a controlled substance, or both, in the person's blood at the time alleged, regardless of whether the person had been offered or had refused a chemical test. The medical facility or person performing the chemical analysis shall disclose the results of the analysis to a prosecuting attorney who requests the results for use in a criminal prosecution as provided in this subsection. A medical facility or person disclosing information in compliance with this subsection is not civilly or criminally liable for making the disclosure.
